(8) Where a pupil has been registered at a maintained school for less than four weeks, it is to be sufficient compliance for the purposes of paragraphs (3) and (4) if the head teacher of that school or, where applicable, the local authority transfers such information and record as they have received under this regulation from the school at which the pupil was previously registered in the form in which it was received by them.

(9) For the purposes of paragraph (8), the reference in paragraph (3) to “fifteen school days” is a reference to the number of days after the day on which the pupil ceases to be registered at the school in question or to the number of days after the information and record have been received by the head teacher of that school, whichever is the later.

(10) If the head teacher of a pupil’s old school receives a request from the head teacher of the school at which the pupil is currently a registered pupil, either for the common transfer information relating to the time when the pupil left the old school or for any educational record relating to that pupil in the old school’s possession, the head teacher must provide it within fifteen school days of receiving the request.

(11) If a pupil arrives at a new maintained school without his or her old school being available, the head teacher of the new school must contact the local authority which maintains the new school to request a search of the secure internet website provided by or on behalf of the Welsh Ministers for the pupil’s common transfer information.

(4) No charge is to be made for a copy of any information translated in accordance with paragraphs (1), (2) or (3), but where a charge is made for a copy of an original document no greater charge is to be made for a copy of the document so translated.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations replace with changes provisions formerly contained in the Education (Pupil Information) (Wales) Regulations 2004 (“the 2004 Regulations”), as amended. These Regulations provide for the keeping by the head teacher of records about the curricular records (as defined in regulation 3) of a pupil at a school maintained by a local authority and a special school not so maintained (regulation 4). The provisions in the 2004 Regulations in relation to a head teacher’s report to parents and adult pupils are now contained in the Head teacher’s Report to Parents and Adult Pupils (Wales) Regulations 2011.

They also make provision for the disclosure and transfer by the head teacher of educational records (as defined in regulation 3) to parents and schools to which pupils are under consideration for transfer (regulation 5). Regulation 6 and Schedule 2 set out the contents of the report that the head teacher of the old school is required to send the head teacher of the new school once the pupil has transferred to the new school.

Where necessary, any document or information required to be made available under the Regulations must be translated into English or Welsh or another language or produced in Braille or audio tape (regulation 7).
