- (a) state the officer’s grounds for believing that the food business operator is failing to comply with the Hygiene Regulations;
- (b) specify the matters which constitute the food business operator’s failure to comply;
- (c) specify the measures which, in the officer’s opinion, the food business operator must take in order to secure compliance; and
- (d) require the food business operator to take those measures, or measures which are at least equivalent to them, within such period (not being less than 14 days) as may be specified in the notice.

(2) Any person who fails to comply with a hygiene improvement notice shall be guilty of an offence.

Hygiene prohibition orders

7.—(1) If—

- (a) a food business operator is convicted of an offence under these Regulations; and
- (b) the court by or before which he is so convicted is satisfied that the health risk condition is fulfilled with respect to the food business concerned,

the court shall by an order impose the appropriate prohibition.

(2) The health risk condition is fulfilled with respect to any food business if any of the following involves risk of injury to health (including any impairment, whether permanent or temporary), namely—

- (a) the use for the purposes of the business of any process or treatment;
- (b) the construction of any premises used for the purposes of the business, or the use for those purposes of any equipment; and
- (c) the state or condition of any premises or equipment used for the purposes of the business.

(3) The appropriate prohibition is—

- (a) in a case falling within paragraph (2)(a), a prohibition on the use of the process or treatment for the purposes of the business;
- (b) in a case falling within paragraph (2)(b), a prohibition on the use of the premises or equipment for the purposes of the business or any other food business of the same class or description; and
- (c) in a case falling within paragraph (2)(c), a prohibition on the use of the premises or equipment for the purposes of any food business.

(4) If—

- (a) a food business operator is convicted of an offence under these Regulations; and
- (b) the court by or before which he is so convicted thinks it proper to do so in all the circumstances of the case,

the court may, by an order, impose a prohibition on the food business operator participating in the management of any food business, or any food business of a class or description specified in the order.

(5) As soon as practicable after the making of an order under paragraph (1) or (4) (a “hygiene prohibition order”), the enforcement authority shall—

- (a) in the case of an order made under paragraph (1), on the issue by the enforcement authority of a certificate to the effect that they are satisfied that the food business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the food business; and
- (b) in the case of an order made under paragraph (4), on the giving by the court of a direction to that effect.

(7) The enforcement authority shall issue a certificate under paragraph (6)(a) within three days of their being satisfied as mentioned in that sub-paragraph; and on an application by the food business operator for such a certificate, the authority shall—

- (a) determine, as soon as is reasonably practicable and in any event before the expiration of 14 days from the making of the application, whether or not they are so satisfied; and
- (b) if they determine that they are not so satisfied, give notice to the food business operator of the reasons for that determination.

(8) The court shall give a direction under paragraph (6)(b) if, on an application by the food business operator, the court thinks it proper to do so having regard to all the circumstances of the case, including in particular the conduct of the food business operator since the making of the order; but no such application shall be entertained if it is made—

- (a) before the expiration of 6 months from the making of the hygiene prohibition order; or
- (b) before the expiration of 3 months from the making by the food business operator of a previous application for such a direction.

(9) Where a magistrates' court makes an order under regulation 8(2) with respect to any food business, paragraph (1) shall apply as if the food business operator had been convicted by the court of an offence under these Regulations.

(10) Where the commission of an offence by a food business operator leads to the conviction of another person pursuant to regulation 10, paragraph (4) shall apply in relation to that other person as it applies in relation to the food business operator and any reference in paragraph (5) or (8) to the food business operator shall be construed accordingly.

Hygiene emergency prohibition notices and orders

8.—(1) If an authorised officer is satisfied that the health risk condition is fulfilled with respect to any food business, he may, by a notice served on the relevant food business operator (a “hygiene emergency prohibition notice”) impose the appropriate prohibition.

(2) If a magistrates' court is satisfied, on the application of such an officer, that the health risk condition is fulfilled with respect to any food business, the court shall, by an order (a “hygiene emergency prohibition order”), impose the appropriate prohibition.

(3) Such an officer shall not apply for a hygiene emergency prohibition order unless, at least one day before the date of the application, he has served notice on the food business operator of his intention to apply for the order.

(4) Paragraphs (2) and (3) of regulation 7 shall apply for the purposes of this regulation as they apply for the purposes of that regulation, but as if the reference in paragraph (2) to risk of injury to health were a reference to imminent risk of injury.

(5) As soon as practicable after the service of a hygiene emergency prohibition notice, the authorised officer shall affix a copy of the notice in a conspicuous position on such premises used for the purposes of the food business as he considers appropriate; and any person who knowingly contravenes such a notice shall be guilty of an offence.

(7) A hygiene emergency prohibition notice shall cease to have effect—

- (a) if no application for a hygiene emergency prohibition order is made before the expiration of the period of 3 days from the service of the notice, at the end of that period; or
- (b) if such an application is so made, on the determination or abandonment of the application.

(8) A hygiene emergency prohibition notice or a hygiene emergency prohibition order shall cease to have effect on the issue by the enforcement authority of a certificate to the effect that they are satisfied that the food business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the food business.

(9) The enforcement authority shall issue a certificate under paragraph (8) before the expiration of 3 days from being satisfied as mentioned in that paragraph; and on an application by the food business operator for such a certificate, shall—

- (a) determine as soon as is reasonably practicable and in any event before the expiration of 14 days from making the application whether or not they are so satisfied; and
- (b) if they determine that they are not so satisfied, give notice to the food business operator of the reasons for that determination.

(10) Where a hygiene emergency prohibition notice is served on a food business operator, the enforcement authority shall compensate him in respect of any loss suffered by reason of his complying with the notice unless—

- (a) an application for a hygiene emergency prohibition order is made before the expiration of 3 days beginning from the service of the notice; and
- (b) the court declares itself satisfied, on the hearing of the application, that the health risk condition was fulfilled with respect to the food business at the time when the notice was served,

and any disputed question as to the right to or the amount of any compensation payable under this paragraph shall be determined by a single arbitrator appointed, failing agreement between the parties by the Head of the Department.

Remedial action notices and detention notices

9.—(1) Where it appears to an authorised officer that in respect of an establishment subject to approval under Article 4(2) of Regulation 853/2004—

- (3) If it is served under paragraph (1)(a), it shall specify the breach and the action needed to remedy it.
- (4) An authorised officer of the enforcement authority whose authorised officer served the original remedial action notice shall, as soon as he is satisfied that such action has been taken, withdraw the notice by a further notice in writing served on the food business operator or his duly authorised representative.
- (5) An authorised officer may, at an establishment subject to approval under Article 4(2) of Regulation 853/2004, by a notice served on the relevant food business operator or his duly authorised representative (in this Regulation referred to as a “detention notice”) require the detention of any animal or food for the purposes of examination (including the taking of samples).
- (6) An authorised officer of the enforcement authority whose officer served the original detention notice shall, as soon as he is satisfied that the animal or food need no longer be detained, withdraw the notice by a further notice in writing served on the food business operator or his duly authorised representative.
- (7) Any person who fails to comply with a remedial action notice or a detention notice shall be guilty of an offence.

Where the commission by any person of an offence under these Regulations is due to the act or default of some other person, that other person shall be guilty of the offence; and a person may be convicted of the offence by virtue of this regulation whether or not proceedings are taken against the first-mentioned person.

Defence of due diligence

11.—(1) In any proceedings for an offence under these Regulations, it shall, subject to paragraph (2), be a defence for the accused to prove that he took all reasonable precautions and exercised all due diligence to avoid the commission of the offence by himself or by a person under his control.

(2) If in any case the defence provided by paragraph (1) involves the allegation that the commission of the offence was due to an act or default of another person, or to reliance on information supplied by another person, the accused shall not, without leave of the court, be entitled to rely on that defence unless—

- (a) at least seven clear days before the hearing; and
- (b) where he has previously appeared before a court in connection with the alleged offence, before the expiration of one month from his first such appearance,

(9) Nothing in this regulation authorises any person, except with the permission of the Department of Agriculture and Rural Development under the Diseases of Animals (Northern Ireland) Order 1981⁽⁸⁾, to enter any premises—
