- (b) a failure to comply with conditions to which the entry of a registered pharmacy entered in the Register under section 74A of the Medicines Act 1968 is subject by virtue of section 74D(1)(29) of that Act (conditional registration: Great Britain),

the inspector may serve a notice on the person carrying on the retail pharmacy business at the registered pharmacy (in this Order referred to as an “improvement notice”).

- (2) An improvement notice must—

 - (d) state—
 - (i) that there is a right of appeal to a magistrates’ court or to the sheriff under article 16, and
 - (ii) the period within which such an appeal may be brought.

 - (b) in the case of a partnership, the address of the principal office of the partnership;
 - (c) in the case of a body corporate, the address of the registered or principal office of the body.
- (5) An improvement notice is treated as having been served, where the notice is sent by post, at the time at which the notice would be delivered in the ordinary course of post or, where the notice has been left at an address, it is treated as having been served on the next working day following the day on which it was left at that address.
- (6) The Council may make rules providing for an improvement notice which is required to be served on any person under this article to be served by an electronic communication.

(8) In this article "working day" means a day which is not a Saturday or Sunday, Christmas Day, Good Friday or a day which is a bank holiday under the Banking and Financial Dealings Act 1971(31) in the part of Great Britain in which the premises to which the notice relates are located.

Non-compliance with improvement notices

14.—(1) A person carrying on a retail pharmacy business at a registered pharmacy who fails to comply with the terms of an improvement notice served under article 13 commits an offence and is liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(2) Where an inspector is reasonably satisfied that a person carrying on a retail pharmacy business at a registered pharmacy has failed to comply with the terms of an improvement notice served under article 13, the inspector must give notice of that fact in writing to the Registrar.

(3) The obligation imposed by paragraph (2) applies whether or not proceedings are to be brought against the person for an offence under paragraph (1).

(4) Upon receipt of a notice given under paragraph (2), the Registrar may—

- (a) remove the entry of the registered pharmacy from the Register; or
- (b) suspend that entry pending compliance by the person with such requirements or conditions as the Registrar considers it necessary to impose.

(5) Where under paragraph (4) the Registrar removes or suspends the entry of a registered pharmacy, the Registrar must send to the person carrying on the retail pharmacy business a statement in writing giving that person notice of the removal or suspension and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

(6) The notice under paragraph (5) must be sent—

- (a) where the retail pharmacy business is carried on by an individual, to that individual at that individual's home address in the Register;

- (b) in Scotland, at any time within the period of 6 months beginning with the date on which evidence sufficient in the opinion of the prosecutor to justify a prosecution came to the prosecutor's knowledge;

but no proceedings may be begun after the expiry of the period of two years beginning with the date of the commission of the offence.

(8) For the purposes of paragraph (7), the date of the commission of the offence is the day after the day on which the period specified under paragraph (2)(c) of article 13 expires.

Offences committed by partnerships

15.—(1) Proceedings for an offence under article 14 alleged to have been committed by a partnership must be brought in the name of the partnership (and not in that of any of the partners).

(2) Rules of court relating to the service of documents are to have effect as if the partnership were a body corporate.

(3) In proceedings for an offence brought against a partnership, Schedule 3 to the Magistrates' Courts Act 1980(32) (corporations) applies as it applies in relation to a body corporate.

(4) A fine imposed on a partnership on its conviction for an offence is to be paid out of the assets of the partnership.

(5) The Registrar must, in such manner as the Registrar sees fit, compile lists comprising information in or derived from entries in the Register, but those lists must not include information in or derived from entries in respect of persons or premises whose entry in the Register is suspended.

(6) The Council must determine the information that the lists are to contain, which may include—

- (a) a note specifying in which part of the Register a registrant is entered;
- (b) the number of the entry of a registrant or of a registered pharmacy;

(7) The Council must publish the lists compiled by the Registrar under paragraph (5) and may do so in such manner as it considers appropriate.

(8) If a registrant's entry in any part of the Register is suspended, the registrant must be treated as not being entered in that part of the Register, even though that part of the Register still contains the registrant's name, except—

- (a) for the purposes of articles 28 to 31 and 43 and Part 6 (and rules under or that relate to those provisions); and

(34) Section 74J is inserted into the Act by paragraph 1(8) of Schedule 4 to this Order.

(35) Section 74K is inserted into the Act by paragraph 1(8) of Schedule 4 to this Order.

(b) for such other purposes of this Order as the Council may prescribe.

(9) Accordingly, a person whose entry in any part of the Register is suspended is not to be treated for the purposes of any enactment other than this Order as being entered in that part.

Entitlement to entry in Part 1 or 2 of the Register: pharmacists and pharmacy technicians

20.—(1) Subject to the provisions of, and rules under, this Order, a person (“P”) is entitled to be entered in Part 1 of the Register as a pharmacist or in Part 2 of the Register as a pharmacy technician if—

- (a) the Registrar is satisfied that—
 - (i) P is appropriately qualified within the meaning given in article 21 or, as the case may be, article 22,
 - (ii) P’s fitness to practise is not impaired, and
 - (iii) where necessary, P meets such additional requirements (if any) relating to education, training or experience as the Registrar considers are appropriate to P’s case; and
- (b) P has paid any fee prescribed under article 36(1)(a).

(2) Subject to the provisions of, and rules under, this Order, a person (“P”) is entitled to have P’s entry in Part 1 or, as the case may be, Part 2 of the Register renewed if—

- (a) the Registrar is satisfied that—
 - (i) P’s fitness to practise is not impaired, and
 - (ii) P meets the standard of proficiency for the safe and effective practice of pharmacy set under article 43(1) together with such additional requirements (if any) relating to continuing professional development as the Registrar considers are appropriate to P’s case; and
- (b) P has paid any fee prescribed under article 36(1)(a).

(3) A person is not entitled to be entered in Part 1 or 2 of the Register, or to have an entry in either of those parts renewed, if that person does not intend to practise as a pharmacist or, as the case may be, a pharmacy technician in Great Britain, the Channel Islands or the Isle of Man.

(4) The Registrar must treat a person who—

- (a) is an exempt person who has qualified as a pharmacist in a relevant European State other than the United Kingdom;
- (b) applies to be entered in Part 1 of the Register as a pharmacist; and
- (c) is entered in the register of pharmaceutical chemists for Northern Ireland,

as meeting the requirements of paragraph (1)(a)(i).

Pre-entry requirements in respect of qualifications and additional education, training or experience: pharmacists

21.—(1) For the purposes of article 20(1)(a)(i), a person (“P”) is “appropriately qualified” as a pharmacist if—

- (a) P has a qualification awarded in Great Britain which has been approved by the Council as attesting to a standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 1 of the Register (and so is also a recognised pharmacy qualification within other relevant European States);

- (b) P is an exempt person and has a qualification which the Privy Council has by order designated as being an approved qualification for the purpose of entry in Part 1 of the Register;
 - (c) P is an exempt person—
 - (i) whose case falls within regulation 3(9)(a) or (e) of the General Systems Regulations,
 - (ii) to whom regulations 20 to 26 of those Regulations apply by reason of the operation of regulation 3(4) of those Regulations, and
 - (iii) who is permitted to pursue the profession of pharmacist in Great Britain by virtue of Part 3 of those Regulations; or
 - (d) subject to paragraph (2), P has, elsewhere than in Great Britain, undergone training as a pharmacist, and—
 - (i) holds a qualification which has been approved by the Council as attesting to a standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 1 of the Register, or
 - (ii) holds a qualification which—
 - (aa) in the case where P is an exempt person who does not have a qualification referred to in sub-paragraph (b) and to whom sub-paragraph (c) does not apply, taken together with P’s additional education, training or experience acquired elsewhere than in Great Britain (but at least in part within the European mutual recognition area) indicates that P has met the standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 1 of the Register, or
 - (bb) whether or not P is an exempt person, taken together with the additional education, training or experience that the Registrar requires P to undertake pursuant to article 20(1)(a)(iii), indicates that P has met the standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 1 of the Register.
- (2) For the purposes of article 20(1)(a)(i), an exempt person who holds a qualification in pharmacy which—
- (a) was granted otherwise than in a relevant European State; and
 - (b) has not previously been accepted by a relevant European State as qualifying that person to practise as a pharmacist in that State,
- is “appropriately qualified” only if the qualification is evidence of training in pharmacy that meets, or under article 22(a) of the Directive (part-time training) is to be treated as meeting, the requirements of article 44 of the Directive (training as a pharmacist).
- (3) An order under paragraph (1)(b) may provide that a qualification is only to be considered an approved qualification in such circumstances, or subject to such conditions, as are specified in the order.
- (4) For the purposes of an application for entry in Part 1 of the Register, the Registrar must not require any exempt person to whom paragraph (1)(b), (c) or (d)(ii)(aa) applies to meet any requirements as to additional education, training or experience unless—
- (a) the application is for restoration to the Register; and
 - (b) in so doing, the Registrar is acting in a manner that is consistent with the requirements of the EU Treaties and the Directive.

(5) In formulating its opinion under paragraph (1)(d)(ii) in relation to P, where P is an exempt person, the Council must—

- (a) if P holds a qualification granted outside of the European mutual recognition area which has been accepted by another relevant European State as qualifying P to practise as a pharmacist in that State, take into account the acceptance of that qualification; and
- (b) take into account all of P’s relevant qualifications, knowledge and experience, wherever acquired.

(6) For the purposes of article 20(1)(a)(iii), where P—

- (a) is a person to whom paragraph (1)(a) or (d)(i) or (ii)(bb) applies; and
- (b) is not an exempt person,

the Registrar may require P to meet requirements as to additional education which comprise or include reaching an adequate standard of proficiency in the knowledge and use of English.

Pre-entry requirements in respect of qualifications and additional education, training or experience: pharmacy technicians

22.—(1) For the purposes of article 20(1)(a)(i), a person (“T”) is “appropriately qualified” as a pharmacy technician if—

- (a) T has a qualification awarded in Great Britain which has been approved by the Council as attesting to a standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 2 of the Register;
- (b) T is an exempt person and is permitted to pursue the profession of pharmacy technician in Great Britain by virtue of Part 3 of the General Systems Regulations; or
- (c) T has, elsewhere than in Great Britain, undergone training as a pharmacy technician, and—
 - (i) holds a qualification which has been approved by the Council as attesting to a standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 2 of the Register, or
 - (ii) holds a qualification which—
 - (aa) in the case where T is an exempt person to whom sub-paragraph (b) does not apply, taken together with T’s additional education, training or experience acquired elsewhere than in Great Britain (but at least in part within the European mutual recognition area) indicates that T has met the standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 2 of the Register,
 - (bb) whether or not T is an exempt person, taken together with the additional education, training or experience that the Registrar requires T to undertake pursuant to article 20(1)(a)(iii), indicates that T has met the standard of proficiency for the safe and effective practice of pharmacy that, in the Council’s opinion, it is necessary for a person to achieve in order to be entered in Part 2 of the Register.

(2) For the purposes of an application for entry in the Register as a pharmacy technician, the Registrar must not require any exempt person to whom paragraph (1)(b) or (c)(ii)(aa) applies to meet any requirements as to additional education, training or experience unless—

- (a) the application is for restoration to Part 2 of the Register; and

- (b) in so doing the Registrar is acting in a manner that is consistent with the requirements of the EU Treaties and the Directive.
- (3) In formulating its opinion under paragraph (1)(c)(ii) in relation to T, where T is an exempt person, the Council must—
 - (a) if T holds a qualification granted outside the European mutual recognition area which has been accepted by another relevant European State as qualifying T to practise as a pharmacy technician in that State, take into account the acceptance of that qualification; and
 - (b) take into account all T's relevant qualifications, knowledge and experience, wherever acquired.
- (4) For the purposes of article 20(1)(a)(iii), where T—
 - (a) is a person to whom paragraph (1)(a) or (c)(i) or (ii)(bb) applies; and
 - (b) is not an exempt person,

the Registrar may require T to meet requirements as to additional education which comprise or include reaching an adequate standard of proficiency in the knowledge and use of English.

Form, manner and content of applications for entry or for renewal of an entry in the Register: pharmacists and pharmacy technicians

23.—(1) The Council may make such provision in rules as it considers appropriate in connection with applications for entry, or for the renewal of an entry, in Part 1 of the Register as a pharmacist or in Part 2 of the Register as a pharmacy technician and may, in particular, make provision with regard to—

- (a) the form and manner in which applications are to be made (and the rules may provide that applicants must apply using application forms and presenting certificates that are in such form as the Council may determine from time to time);
 - (b) the time prior to an entry ceasing to be valid by which an application for the renewal of the entry must have been received by the Registrar;
 - (c) the information to be provided by or in respect of the applicant, including—
 - (i) the name under which the applicant practises or intends to practise,
 - (ii) the applicant's home address,
 - (iii) where the applicant is a national of the United Kingdom who is not an exempt person, proof of nationality;
 - (iv) where the applicant is an exempt person—
 - (aa) proof of nationality of a relevant European State, or
 - (bb) if the applicant is not a national of a relevant European State, proof of the Community right by virtue of which the applicant is an exempt person, and
 - (v) the information to be provided for the purposes of determining whether the applicant's fitness to practise is impaired; and
 - (d) consultation about the application with the Fitness to Practise Committee or the Investigating Committee.
- (2) The Registrar may, in relation to an applicant—
- (a) refuse to enter the applicant in the Register; or
 - (b) refuse to renew the entry of the applicant in the Register,

if the applicant fails to comply with, or if in respect of the applicant there is a failure to comply with, rules made under paragraph (1).

(3) If a registrant fails to comply with rules made under paragraph (1) in respect of an application for the renewal of an entry relating to the registrant in the Register, the failure may also be treated as misconduct for the purposes of article 51(1)(a) and the Registrar must consider, in accordance with article 52(1), whether or not to refer the matter to the Investigating Committee or (where rules under article 52(1) so provide) to the Fitness to Practise Committee.

(4) Paragraphs (5) to (8) apply to an exempt person (“E”)—

- (a) to whom article 21(1)(b) or (c) or article 22(1)(b) applies; and
- (b) who is making an application for entry in Part 1 or Part 2 of the Register.

(5) For the purpose of determining whether E’s fitness to practise is impaired, the Registrar must accept as sufficient evidence of E’s health a certificate which—

- (a) confirms that there is no problem with E’s physical or mental health that would impair E’s fitness to practise as a pharmacist or, as the case may be, a pharmacy technician; and
- (b) is required of a person who wishes to practise as a pharmacist or, as the case may be, a pharmacy technician in E’s attesting State.

(6) If no such certificate is required of such a person in E’s attesting State, the Registrar must, for the purpose of determining whether E’s fitness to practise is impaired, accept as sufficient evidence of E’s health a certificate which—

- (a) confirms that there is no problem with E’s physical or mental health that would impair E’s fitness to practise as a pharmacist or, as the case may be, a pharmacy technician; and
- (b) is issued by a competent authority in E’s attesting State.

(7) For the purpose of determining whether E’s fitness to practise is impaired, the Registrar must accept as sufficient evidence of E’s good character a certificate which—

- (a) attests to E’s good character or good repute; and
- (b) is issued by a competent authority in E’s attesting State.

(8) If no such certificate is issued by a competent authority in E’s attesting State, the Registrar must, for the purpose of determining whether E’s fitness to practise is impaired, accept as sufficient evidence of E’s good character a certificate (or certificates)—

- (a) attesting to the authenticity of a declaration on oath made by E—
 - (i) before a competent judicial or administrative authority, notary, or qualified professional body in E’s attesting State, and
 - (ii) attesting to E’s good character; and
- (b) issued by the authority, notary or body referred to in sub-paragraph (a)(i).

(9) In paragraphs (5) to (8) the “attesting State”, in relation to E, is—

- (a) the relevant European State in which E’s qualification in pharmacy was obtained; and
- (b) (if different), the relevant European State from which E comes to Great Britain.

(10) In paragraph (8)(a) “declaration on oath” includes a solemn declaration.

(11) The Registrar must not accept any certificate referred to in paragraph (5), (6), (7) or (8) if it is presented more than three months after the date on which it was issued.

Notification by the Registrar: entry and renewal

24.—(1) Paragraphs (2) to (4) apply where a person (“A”) applies under article 23 for entry in Part 1 of the Register as a pharmacist or in Part 2 of the Register as a pharmacy technician.

- (a) acknowledge receipt of the application; and
 - (b) inform A of any missing document required for the purposes of the application.
- (3) The Registrar must, within the specified period, notify A—
- (a) of the result of the application; and
 - (b) if the Registrar refuses the application, of the reasons for the refusal, and of any right of appeal that A has to the Appeals Committee under article 40.
- (4) Any failure by the Registrar to inform A of the result of the application as required by paragraph (3)(a) is to constitute a decision by the Registrar to refuse the application which is to be taken as having been made at the end of the specified period.
- (5) In paragraphs (3) and (4) “the specified period” means—
- (a) the period of three months beginning with the relevant date; or
 - (b) if A’s application is made on the grounds that A is appropriately qualified by virtue of article 21(1)(c) or 22(1)(b), the period of four months beginning with the relevant date.
- (6) Paragraphs (7) to (9) apply where a person (“A”) applies under article 23 for the renewal of an entry in Part 1 of the Register as a pharmacist or in Part 2 of the Register as a pharmacy technician.
- (7) The Registrar must, within the period of one month beginning with the date of receipt of the application—
- (a) acknowledge receipt of the application; and
 - (b) inform A of any missing document required for the purposes of the application.

- (a) of the result of the application; and
 - (b) if the Registrar refuses the application, of the reasons for the refusal and of any right of appeal that A has to the Appeals Committee under article 40.
- (9) Any failure by the Registrar to inform A of the result of the application as required by paragraph (8)(a) is to constitute a decision by the Registrar to refuse the application which is to be taken as having been made at the end of the specified period.
- (10) In paragraphs (8) and (9) “the specified period” means the period of one month beginning with the relevant date.
- (11) In this article, “the relevant date” means—
- (a) the date on which the Registrar receives the application; or
 - (b) if any document required for the purposes of the application, or any fee which is payable in respect of that application by virtue of rules made under article 36(1)(a) (“the relevant fee”), is missing when the Registrar first receives the application, the date on which the Registrar first has all the documents required for those purposes together with the relevant fee.

Duration of entry

- 25.—(1) The entry of a person entered in Part 1 or 2 of the Register pursuant to an application under article 23 is valid for the period of one year beginning with the date on which the entry was made.
- (2) Each renewal of such an entry pursuant to a further application under that article extends the validity of the entry for the period of one year beginning with the relevant date.
- (3) If the entry of a person in Part 1 or 2 of the Register ceases to be valid under this article then, except in such circumstances as may be prescribed, that person is to be treated for all purposes as

no longer being entered in that part of the Register and accordingly the Registrar must remove the entry from the Register.

(4) Where the Registrar removes the entry of a person from the Register under paragraph (3), the Registrar must send to that person at that person's last known home address a statement in writing giving that person notice of the removal and the reasons for it.

(5) In paragraph (2) the "relevant date"—

- (a) on the first renewal of an entry, means the first anniversary of the date on which the entry was made;
- (b) on a subsequent renewal of an entry, means the anniversary of the date on which the entry was made that occurs next after the making of the application for renewal.

Notice of entry in the Register

26.—(1) Subject to paragraph (3), the Registrar must, where requested to do so by a registrant (other than one entered in the Register under article 34), or where an application for entry in the Register as a pharmacist or a pharmacy technician, or for the renewal of such an entry, is granted, issue to the registrant free of charge written notice of that registrant's entry in the Register.

(2) Notice of a registrant's entry in the Register issued under this article must be in such form as the Council determines from time to time and must include—

- (a) the number of the entry;
- (b) the period in respect of which the entry is valid;
- (c) the part of the Register in which the registrant is entered.

(3) The Registrar is not under a duty to issue further notice of a registrant's entry in the Register to a person to whom such notice has already been issued ("R"), whether under this article, article 32 of the 2007 Order, or one of the Pharmacy Acts, unless R—

- (a) satisfies the Registrar that the original notice, and any further notice already issued, has been lost or destroyed; or
- (b) changes the name under which R practises,

and pays to the Council any fee in respect of the further notice prescribed under article 36(1)(f).

(4) The Council may make such provision in rules as it considers appropriate in connection with the return of notices of a registrant's entry in the Register which—

- (a) incorrectly state the part of the Register in which the registrant is entered; or
- (b) incorrectly state the name under which the registrant practises.

Specialisations: registrants and registered pharmacies

27.—(1) The Council may make such provision in rules as it considers appropriate in connection with annotations to entries in the Register to denote specialisations, and may in particular make provision with regard to—

- (a) the type of specialisations that are to be subject to annotations;
- (b) the form and manner in which applications for entering, renewing or restoring annotations in respect of specialisations, or for the removal of such annotations, are to be made (and the rules may provide that applicants must apply using application forms that are in such form as the Council may determine from time to time);
- (c) the circumstances in which annotations in respect of specialisations are to be entered, renewed, restored or removed by the Registrar;

- (d) the removal of annotations in respect of specialisations by the Registrar where a prescribed fee in respect of the renewal of the annotation has not been paid, after such warnings as may be prescribed;
- (e) the standards of proficiency for the safe and effective practice of pharmacy that it is necessary for a registrant to achieve in order for an annotation in respect of a specialisation to be made to an entry in the Register of a registrant; and
- (f) the standards provided for in rules made under article 7(1) that it is necessary to meet in connection with the carrying on of a retail pharmacy business at a registered pharmacy in order for an annotation in respect of a specialisation of the retail pharmacy business to be made to the entry in the Register of the registered pharmacy.

(2) Where the Registrar decides not to enter, renew or restore an annotation in respect of a specialisation of an entry in the Register of a registrant, or to remove such an annotation from the Register, the Registrar must send to that person at that person's last known home address a statement in writing giving that person notice of the decision and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

(3) Where the Registrar decides not to enter, renew or restore an annotation in respect of a specialisation of an entry in the Register of a registered pharmacy, or to remove such an annotation from the Register, the Registrar must send to the person carrying on a retail pharmacy business at the registered pharmacy a statement in writing giving that person notice of the decision and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

(4) The notice under paragraph (3) must be sent—

- (a) where the retail pharmacy business is carried on by an individual, to that individual at that individual's home address in the Register;

Registrants' duties with regard to their entries

28.—(1) The Council may make such provision in rules as it considers appropriate in connection with the information to be provided by registrants with regard to their entries in Part 1 or 2 of the Register (provided the rules are consistent with paragraph (2)) and may, in particular, make provision with regard to the obligations of a registrant ("R") to inform the Registrar—

- (a) of the name under which R practises and of any changes to that name; and
- (b) of R's home address and of any changes to it.

(2) If the Registrar—

- (a) sends by first class post to R a notice addressed to R at R's last known home address enquiring whether R has—
 - (i) changed the name under which R practises,
 - (ii) ceased to practise as a pharmacist or, as the case may be, a pharmacy technician and intends to apply under article 31 for voluntary removal from the Register, or
 - (iii) changed home address,

and receives no reply within a period of one month beginning on the day of posting the notice; and

- (b) upon the expiration of that period sends to R a second similar notice and receives no reply within one month beginning on the day of posting the notice,

the Registrar may remove R's entry from Part 1 or, as the case may be, Part 2 of the Register.

(3) If a registrant entered in Part 1 or 2 of the Register fails to comply with rules made under paragraph (1), the Registrar may remove the entry of that registrant from that part of the Register.

(4) Where the Registrar removes the entry of a person from a part of the Register pursuant to paragraph (2) or (3), the Registrar must send to that person at that person's last known home address a statement in writing giving that person notice of the removal and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

- (b) from time to time, must make the necessary alterations—
 - (i) to any of the particulars in a registrant's entry, and
 - (ii) to any of the particulars in the entry of a registered pharmacy.

(2) The Registrar General must, on registering the death of a person who the Registrar General believes to be a registrant, forthwith notify the Registrar of the death.

(3) If the Registrar determines—

- (a) that a entry of a registrant in Part 1 or 2 of the Register (except in a case where the entry was made under article 34) or in Part 4 or 5 of the Register has been fraudulently procured or incorrectly made, or
- (b) that the entry of a registered pharmacy in Part 3 of the Register has been fraudulently procured or incorrectly made,

the Registrar may remove the registrant or registered pharmacy from that part of the Register.

(4) The Council may make such provision in rules as it considers appropriate in connection with determinations by the Registrar under paragraph (3).

(5) Where the Registrar removes the entry of a person from a part of the Register pursuant to paragraph (3)(a), the Registrar must send to that person at that person's last known home address a statement in writing giving that person notice of the removal and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

(6) Where the Registrar removes the entry of a registered pharmacy from Part 3 of the Register pursuant to paragraph (3)(b), the Registrar must send to the person carrying on a retail pharmacy business at the registered pharmacy a statement in writing giving that person notice of the removal and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

30.—(1) The Registrar may remove the entry of a registrant from Part 1 or 2 of the Register if it is shown to the satisfaction of the Registrar that—

- (a) the fitness to practise of the registrant was impaired as a result of prescribed circumstances or because of a problem with the registrant's physical or mental health—
 - (i) at the time of the registrant's entry in that part of the Register, or
 - (ii) at the time of an application to renew the registrant's entry in that part of the Register;
 and
- (b) the registrant had not informed the Registrar of those circumstances or that problem before the time mentioned in paragraph (a)(i) or (ii).

(3) If a registrant fails to comply, or if in respect of a registrant there is a failure to comply, with rules made under paragraph (2), the Registrar may remove the entry of that registrant from the part of the Register concerned.

(4) The Council may make such provision in rules as it considers appropriate in connection with the procedure to be followed by the Registrar before removing the entry of a registrant from Part 1 or 2 of the Register pursuant to paragraph (1) or (3).

(2) Where the Registrar refuses an application for voluntary removal from any part of the Register, the Registrar must send to the applicant at the applicant's last known home address a statement in writing giving the applicant notice of the refusal and of the reasons for it.

Indemnity arrangements

32.—(1) A registrant must have in force an adequate and appropriate indemnity arrangement that provides cover in relation to that registrant in respect of liabilities which may be incurred in practising as a pharmacist or, as the case may be, a pharmacy technician.

- (2) For the purposes of this article, an "indemnity arrangement" may comprise—
 - (a) a policy of insurance;

 - (c) a combination of the two.

(3) The Council may make rules about what is an adequate and appropriate indemnity arrangement for the purposes of this article.

(4) The Council may make such provision in rules as it considers appropriate in connection with the information to be provided to the Registrar—

(a) by or in respect of any person seeking to be entered in any part of the Register as a pharmacist or pharmacy technician (including on an application for restoration) for the purposes of determining whether, if that person is so entered, there will be in force an adequate and appropriate indemnity arrangement in relation to that person which commences, at the latest, on the date on which that person is entered in that part of the Register;

(b) by or in respect of a registrant for the purposes of determining whether, at any time, there is in force an adequate and appropriate indemnity arrangement in relation to that registrant.

(6) The Council may also make rules requiring a registrant to inform the Registrar if there ceases to be in force an adequate and appropriate indemnity arrangement in relation to that registrant.

(7) Where there is a failure to comply with rules under paragraph (4) by or in respect of a person who is entered, or is seeking to be entered, in any part of the Register, the Registrar may refuse to enter the person in, or to restore the person's entry to, that part of the Register.

(8) If a registrant is in breach of paragraph (1), or fails to comply with rules under paragraph (4) (b) or (6), or there is a failure to comply with rules under paragraph (4)(b) in respect of a registrant—

(a) the Registrar may remove that person's entry from Part 1, 2, 4 or 5 of the Register (as the case may be); or

(b) the breach or failure may be treated as misconduct for the purposes of article 51(1)(a) and the Registrar must consider, in accordance with article 52(1), whether or not to refer the matter to the Investigating Committee or (where rules under article 52(1) so provide) to the Fitness to Practise Committee.

 - (b) the persons comprising a specified group of persons as pharmacists or, as the case may be, pharmacy technicians if the Registrar considers that the group is comprised of persons who may reasonably be considered fit, proper and suitably experienced persons to be so entered in the Register with regard to the emergency.
- (2) The Registrar may enter in Part 1 or Part 2 of the Register by virtue of paragraph (1)(b) all of the persons comprising a specified group of persons without first identifying each person in the group.
- (3) The entry of a person in Part 1 or 2 of the Register under this article is subject to such conditions as the Registrar may specify, and the Registrar may at any time vary the conditions to which a person's entry under this article is subject (including by adding to the conditions or removing any conditions).
- (4) The entry of any person in Part 1 or 2 of the Register by virtue of paragraph (1)(b) as one of a specified group may be subject to the same conditions as the entries of other members of the group or it may be subject to different conditions.
- (5) The entry of a person in Part 1 or 2 of the Register under this article ceases to have effect if revoked by the Registrar, which—
- (a) the Registrar must do if the Secretary of State advises the Registrar that the circumstances that led the Secretary of State to advise the Registrar as mentioned in paragraph (1) no longer exist;
 - (b) the Registrar may do for any other reason at any time including where the Registrar has grounds for suspecting that the person's fitness to practise may be impaired.

 - (b) because the applicant is not appropriately qualified, in circumstances where the applicant contends that the applicant's qualifications should be approved by the Council pursuant to article 21(1)(d)(i) or 22(1)(c)(i).

Appeals to the Appeals Committee

40.—(1) Except as provided for by paragraphs (2) and (3), a person in respect of whom an appealable decision has been made may appeal against it to the Appeals Committee by giving notice of appeal to the Registrar within 28 days beginning with the date on which the written statement of the reasons for the decision was sent.

(2) In the case of an appealable decision to which paragraph (4) or (9) of article 24 applies, the person in respect of whom that decision has been made may appeal against it to the Appeals Committee by giving notice of appeal to the Registrar within 28 days beginning with the date on which the application is, by virtue of that paragraph, taken to have been refused by the Registrar.

(3) In the case of an appealable decision to which paragraph (6)(a) or (b) of article 47 applies, the institution or other provider on which probational or remedial measures have been imposed or from or in relation to which approval has been withdrawn or refused may bring an appeal to the Appeals Committee by giving notice of appeal to the Council within 28 days beginning with the date

⁽⁴⁰⁾ Section 74A is inserted into the Act by paragraph 1(8) of Schedule 1 to this Order.

⁽⁴¹⁾ Section 74H is inserted into the Act by paragraph 1(8) of Schedule 4 to this Order.

on which the decision is made or within such longer period as the Council may, in the circumstances of any particular case, allow.

(4) Where, on an application by a person in respect of whom an appealable decision to which paragraph (1) relates has been made, the Registrar is satisfied that that person did not receive the written statement of the reasons for the decision within 14 days of the statement being sent, the Registrar may by authorisation in writing extend the time for giving notice of appeal under paragraph (1).

(5) Where an appealable decision to which paragraph (3) relates has been taken, the decision to impose probational or remedial measures on, or to refuse approval of or withdraw approval from, an institution or other provider does not take effect—

- (a) until the period for bringing an appeal in respect of the decision has expired, but if the period for bringing an appeal has been extended under paragraph (4), that extended period is, for the purposes of this paragraph, to be treated as a period for bringing an appeal (notwithstanding that this may require reversal of the action taken); and
- (b) where an appeal is brought within the period for bringing an appeal, until the date on which the appeal is finally disposed of, or is abandoned or fails by reason of its non-prosecution.

(6) Where an appealable decision has been taken to remove an entry or an annotation in respect of a person or a registered pharmacy from any part of the Register, or to refuse to renew such an entry or annotation in any part of the Register, the decision does not take effect—

- (a) until the period for bringing an appeal in respect of the decision has expired, but if the period for bringing an appeal has been extended under paragraph (4), that extended period is, for the purposes of this paragraph, to be treated as the period for bringing an appeal (notwithstanding that this may require reversal of the action taken); and
- (b) where an appeal is brought within the period for bringing an appeal, until the date on which the appeal is finally disposed of, or is abandoned or fails by reason of its non-prosecution.

(7) Having considered the appeal, the Appeals Committee may—

- (a) dismiss the appeal;
- (b) allow the appeal and quash the decision appealed against;
- (c) substitute for the decision appealed against any other decision that the person taking the decision could have taken; or
- (d) remit or refer the case to the Registrar for disposal of the matter in accordance with the Appeals Committee's directions.

(8) The Appeals Committee must, as soon as reasonably practicable, send to the person bringing the appeal a statement in writing giving the person notice of the Committee's decision and the reasons for it and of any right of appeal under article 41(1).

(9) Except as provided in paragraph (10), the statement referred to in paragraph (8) must be sent—

- (a) where the appellant is an individual, to that individual at that individual's home address in the Register;
- (b) where the appellant is a partnership, to that partnership at its principal office; and
- (c) where the appellant is a body corporate, to that body corporate at its registered or principal office.

(10) Where the appellant is an institution or other provider on which probational or remedial measures have been imposed or from or in relation to which approval has been withdrawn or refused, the statement referred to in paragraph (8) must be sent to that institution or other provider at the last known address of that institution or other provider.

(11) Subject to paragraph (12), the Appeals Committee must, as soon as reasonably practicable, publish, in such manner as it sees fit, its decision and the reasons for it.

(12) If the Appeals Committee has allowed the appeal, or has taken a decision or issued a direction that has the effect of allowing the appeal, it is not required to publish its decision and the reasons for it unless the person making the appeal so requests.

(13) For the purposes of paragraphs (5) and (6) an appeal is finally disposed of once all rights in relation to the appeal have been exhausted.

(14) In this article any reference to a person in respect of whom an appealable decision has been made is, in a case where the decision relates to a registered pharmacy, or to premises that have been or would have been a registered pharmacy, to be construed as a reference to the applicant for registration or, as the case may be, to the person who is or has been carrying on a retail pharmacy business at the premises.

Appeals from the Appeals Committee

41.—(1) Except where the Appeals Committee has allowed an appeal, or has taken a decision or issued a direction that has the effect of allowing the appeal, a person in respect of whom a decision by the Appeals Committee has been taken may appeal against that decision to the relevant court.

(2) Notice of any appeal under this article must be filed at, or in Scotland lodged in, the relevant court and served on the Council, in accordance with rules of court, within 28 days beginning with the date on which the written notice of the reasons for the decision was sent, or within such longer period as the relevant court may, in accordance with the rules of court, allow.

(3) In this article, “the relevant court” means—

- (a) in the case of an appeal relating to an individual domiciled in Scotland or to premises in Scotland, the sheriff in whose sheriffdom the individual is domiciled or the premises are located; and
- (b) in any other case, the county court (the Central London County Court if the person making the appeal is not domiciled in Great Britain).

(4) Having considered an appeal under this article, the relevant court may—

- (a) dismiss the appeal;
- (b) allow the appeal and quash the decision appealed against;
- (c) substitute for the decision appealed against any other decision that the Appeals Committee could have taken; or
- (d) remit or refer the case to the Registrar for disposal of the matter in accordance with the relevant court’s directions,

and may make such order as to costs or, in Scotland, expenses as the relevant court thinks fit.

PART 5

Education, training and acquisition of experience and continuing professional development

Education, training and acquisition of experience

42.—(1) In connection with its general function under article 4(3)(e), in so far as that function relates to the education, training and acquisition of experience of registrants and prospective registrants, the Council must—

- (a) except in the case of persons who are appropriately qualified by virtue of article 21(1)(b) or (c) or article 22(1)(b), set the standards of proficiency for the safe and effective practice of pharmacy which it is necessary for a person to achieve in order to be entered in Part 1 or 2 of the Register as a pharmacist or, as the case may be, a pharmacy technician; and
 - (b) set—
 - (i) the standards of education, training and experience that providers of education and training must meet in order to enable a person undertaking such education or training, or acquiring such experience, to achieve the standards referred to in subparagraph (a) having regard, in particular, to the outcomes to be achieved, and
 - (ii) any requirements to be satisfied for admission to, and continued participation in, education and training for prospective pharmacists or prospective pharmacy technicians, which may include requirements as to fitness to practise unimpaired by health.
- (2) The Council must publish the standards and requirements set under this article, as they exist from time to time, in such manner as it considers appropriate.
- (3) The Council must—
- (a) ensure that all providers in Great Britain concerned with the education and training of prospective pharmacists and prospective pharmacy technicians are notified of the standards and requirements set under paragraph (1)(b)(i) and (ii); and
 - (b) take appropriate steps to satisfy itself that those standards and requirements are met.
- (4) The Council may—
- (a) approve, or arrange with others to approve, courses of education or training which the Council is satisfied confer, or would confer, on persons completing them successfully the standards of proficiency referred to in paragraph (1)(a);
 - (b) approve, or arrange with others to approve, such other courses of education or training as the Council considers appropriate;
 - (c) approve, or arrange with others to approve, qualifications which are granted following success in an examination, or some other assessment, taken as part of an approved course;
 - (d) approve, or arrange with others to approve, such tests of competence, or tests of proficiency in the knowledge and use of English, as the Council may require; or
 - (e) approve, or arrange with others to approve—
 - (i) institutions,
 - (ii) other providers, including tutors,
of postgraduate education and training which leads to an approved qualification, if the Council considers that they are properly organised and equipped for conducting the whole or part of an approved course;
 - (f) approve, or arrange with others to approve, premises as being suitable for postgraduate education and training which leads to an approved qualification.
- (5) In connection with paragraph (4), the Council may approve, or arrange with others to approve—
- (a) a course of education or training run outside Great Britain which is intended to lead to an approved qualification;
 - (b) an institution or other provider of a course of education or training to which subparagraph (a) refers.
- (6) The Council must publish a statement of—

- (a) the criteria by reference to which the standards of education, training and experience referred to in paragraph (1)(b)(i) are set; and
- (b) the criteria that will be taken into account in deciding whether to grant approval under paragraph (4),

as they exist from time to time.

(7) The Council must publish and maintain a list of the courses of education and training, qualifications and institutions or other providers (including tutors)—

- (a) which are for the time being approved under this Order; or
- (b) which have been approved under this Order but which are no longer so approved,

together with a record of the periods in respect of which approval was given.

(8) References in this Part to an approved course of education and training, an approved qualification, an approved test or an approved institution or other provider are references to such a course, qualification, test, institution or other provider approved under paragraph (4).

Continuing professional development

43.—(1) In connection with its general function under article 4(3)(e), in so far as that function relates to the continuing professional development of registrants, the Council must—

- (a) set the standards of proficiency for the safe and effective practice of pharmacy which it is necessary for a registrant to maintain in order to have an entry in Part 1 or 2 of the Register renewed; and
- (b) set the standards of continuing professional development which it is necessary for a registrant to maintain in order to continue to meet the standards of proficiency referred to in sub-paragraph (a).

(2) The Council must publish the standards set under this article, as they exist from time to time, in such manner as it considers appropriate.

(3) The Council must—

- (a) consult such persons as it considers appropriate about the development of criteria by reference to which compliance with the standards set under paragraph (1)(b) is to be monitored; and
- (b) publish those criteria as they exist from time to time in such manner as it considers appropriate.

(4) The Council must—

- (a) adopt and maintain a framework relating to the requirements and conditions to be met by registrants in respect of their continuing professional development; and
- (b) require registrants—
 - (i) to complete an annual declaration regarding their compliance with such requirements and conditions in respect of their continuing professional development as they are obliged to meet by that framework, and
 - (ii) to submit records about any continuing professional development undertaken by them to the Registrar for review.

(5) The framework adopted by the Council under paragraph (4)(a)—

- (a) must include provision relating to—
 - (i) the amount and type of continuing professional development that a registrant is required to undertake,

- (ii) the information to be provided by a registrant about the continuing professional development that the registrant has undertaken and the form and manner in which that information is to be provided,
 - (iii) the times at which information about the continuing professional development that a registrant has undertaken is to be provided (including any continuing professional development that relates to an annotation in respect of a particular specialisation that is to be recorded in the Register),
 - (iv) the keeping of records about the continuing professional development undertaken by registrants; and
- (b) must require that any continuing professional development that is undertaken by a registrant in accordance with it is relevant to—
 - (i) the safe and effective practice of pharmacy, and
 - (ii) a learning need for the individual registrant that is relevant to the current scope of the practice of pharmacy including any specialisation of that individual registrant and the environment in which they practise;
- (c) in so far as it relates to a person (“P”) who is a registrant only as a result of being entered in Part 4 or 5 of the Register—
 - (i) may not impose requirements on P if P is required to undertake, in P’s home State, continuing professional development in relation to the profession of pharmacist or, as the case may be, pharmacy technician; and
 - (ii) where they impose requirements on P—
 - (aa) must take account of the fact that P is fully qualified to pursue the profession in P’s home State, and
 - (bb) must specify that continuing professional development which P is required to undertake by the requirements may be undertaken outside Great Britain.
- (6) The Council must publish the framework adopted by it under paragraph (4)(a), as it exists from time to time, in such manner as it considers appropriate.
- (7) The Council must make such provision in rules as it considers appropriate with respect to registrants who fail to comply with any requirements of the framework adopted by the Council under paragraph (4)(a).
- (8) Rules under paragraph (7) must—
 - (a) make provision about the circumstances in which the Registrar may remove the entry of a registrant from the Register, or impose such other remedial measures as may be prescribed in the rules, where the registrant—
 - (i) has failed to comply with the requirements or conditions of the framework adopted by the Council under paragraph (4)(a) relating to the continuing professional development of registrants; or
 - (ii) has made a false declaration about compliance with those requirements or conditions;
 - (b) where the framework adopted by the Council under paragraph (4)(a) makes provision in respect of a person (“P”) who is a registrant only as a result of being entered in Part 4 or 5 of the Register, secure that any sanction imposed in relation to P by reference to that provision is appropriate and proportionate in view of P’s continued lawful establishment in P’s home State as a pharmacist or, as the case may be, a pharmacy technician;

- (c) make provision for the Registrar to send a statement in writing to the registrant concerned at the registrant's last known home address giving that registrant notice of the removal and the reasons for it and of right of appeal to the Appeals Committee under article 40; and
- (d) make provision for the suspension of a registrant's entry in the Register pending the outcome of any appeal against a decision to remove the registrant from the Register.

(9) In this article "home State", in relation to a registrant entered in Part 4 or 5 of the Register, means the relevant European State in which the registrant is lawfully established as a pharmacist or, as the case may be, a pharmacy technician.

Specific obligations and powers of the Council in respect of education and training

44.—(1) In the exercise of its function under article 4(3)(e), the Council must—

- (a) determine—
 - (i) programmes or courses in respect of, or any combination of, education, training or experience required in order to obtain an annotation in respect of a specialisation,
 - (ii) the amount and type of education, training and experience required in order to obtain an annotation in respect of a specialisation,
 - (iii) the education, training and experience that is necessary to address fitness to practise matters;
- (b) hold or cause to be held assessments in respect of—
 - (i) approved qualifications, or any education, training or experience leading to an approved qualification,
 - (ii) additional education, training or experience required for the purposes of article 20(1)(a)(iii), and
 - (iii) becoming and acting as tutors of, or in relation to, any education, training or experience leading to an approved qualification or any additional education, training or experience required for the purposes of article 20(1)(a)(iii),

and determine the arrangements under which those assessments are to be held (including arrangements for dealing with disciplinary matters with regard to candidates and prospective candidates);

- (c) appoint or arrange for the appointment of persons ("examiners") to carry out or oversee assessments of the type mentioned in paragraph (b), and pay them such remuneration, pensions, allowances, expenses or gratuities, or make such contributions or payments towards provision for such pensions, allowances or gratuities, as it may reasonably determine; and
- (d) establish, publish and maintain lists of premises that are to be used as training establishments.

(2) The duty imposed by paragraph (1)(c) does not prevent the Council from determining arrangements under which assessments of the type mentioned in paragraph (1)(b) are to be held which do not involve examiners.

Visitors

45.—(1) The Council may appoint persons ("visitors") to visit any place at which, or any institution or other provider by which, or under whose direction—

- (a) any relevant course of education or training is, or is proposed to be, given;
- (b) any examination or other assessment is, or is proposed to be, held in connection with any such course; or

- (c) any test of competence is, or is proposed to be, conducted in connection with any such course or for any other purposes connected with this Order.
- (2) For the purposes of this article, “test of competence” includes such tests of proficiency in the knowledge and use of English as the Council may require.
- (3) In this article, “relevant course of education or training” means—
 - (a) any course of education or training which forms, or is intended to form, part of an approved course of education or training; or
 - (b) any course which a registrant may be required to undergo for the purpose of applying for an annotation in respect of a specialisation to be made to an entry in a part of the Register in accordance with rules made by the Council under article 27.
- (4) No visitor may exercise the functions of a visitor under this Order in relation to—
 - (a) any place at which that visitor regularly gives instruction in any subject; or
 - (b) any institution or other provider with which that visitor has, in the opinion of the Council, a significant connection.
- (5) A person is not prevented from being a visitor merely because that person is a member of the Council or any of its committees; but no person may be a visitor if that person is employed by the Council.
- (6) Visitors must be selected with due regard to the profession with which the education and training they are to report on is concerned and at least one of the visitors must be entered in a part of the Register which relates to that profession.
- (7) Where a visitor visits any place or institution or other provider in the exercise of the functions of a visitor under this article, the visitor—
 - (a) must report to the Council—
 - (i) on the nature, content and quality of the instruction given, or to be given, and the facilities provided, or to be provided, at that place or by that institution or provider, and
 - (ii) on such other matters (if any) as the Council may require; and
 - (b) may, having regard to the contents of the report in so far as it relates to the matters referred to in sub-paragraph (a)(i), send a copy of the report to the inspectorate established under article 8(1).
- (8) Requirements of the kind mentioned in paragraph (7)(a)(ii) may be imposed by the Council—
 - (a) generally in relation to all visits made to a specified kind of place or institution or other provider or in respect of a specified type of course; or
 - (b) specifically in relation to a particular visit.
- (9) Where a visitor reports to the Council in accordance with paragraph (7)(a), the Council must on receipt of the report—
 - (a) send a copy of it to the institution or other provider concerned; and
 - (b) notify that institution or other provider of the period within which it may make observations on the report.
- (10) The period specified by the Council in a notice given under paragraph (9)(b) must not be less than one month beginning with the date on which a copy of the report is sent to the institution or other provider concerned under paragraph (9)(a).
- (11) The Council must not take any steps in the light of any report made under paragraph (7) before the end of the specified period mentioned in paragraph (10).

(12) The Council must publish such reports together with, at the request of the institution or other provider concerned, the response of that institution or provider to the report.

(13) The Council may make such provision in respect of visitors as it may reasonably determine—

- (a) for the payment of allowances, including the payment of allowances to employers of visitors, for the purposes of enabling visitors to perform functions under this article; and
- (b) for the reimbursement of such expenses as visitors may reasonably have incurred in the course of carrying out their functions under this article.

Information to be given by institutions or other providers

46.—(1) This article applies to any institution or other provider in Great Britain by which, or under whose direction, whether inside or outside Great Britain—

- (a) any relevant course of education or training is, or is proposed to be, given; or
- (b) any test of competence is, or is proposed to be, conducted in connection with any such course or for any other purpose connected with this Order.

(2) In paragraph (1), “test of competence” and “relevant course of education or training” have the same meaning as in article 45.

(3) Whenever required to do so by the Council, any institution or other provider to which this article applies must give to the Council such information and assistance as the Council may reasonably require in connection with the exercise of its functions under this Order.

(4) Where an institution or other provider refuses any reasonable request for information made by the Council under this article, the Council may, in accordance with article 47, refuse to approve or withdraw approval from, any course of education or training, qualification, test or institution or other provider to which the information relates.

Refusal or withdrawal of approval of courses, qualifications and institutions

47.—(1) Paragraph (2) applies to a case where, as a result of any visitor’s report or other information acquired by the Council, the Council is of the opinion that—

- (a) the standards set under article 42(1)(b)(i) are not, or will not, be met by an institution or other provider; or
- (b) an institution or other provider is not observing the requirements referred to in article 42(1)(b)(ii).

(2) In a case to which this paragraph applies, the Council may—

- (a) impose such probationary or remedial arrangements (including action plans for providers of new courses) or such conditions as may be prescribed; or
- (b) refuse to approve, or withdraw approval from, any course of education or training, qualification, test, or institution or other provider to which that opinion relates.

(3) If the Council is considering taking any action under paragraph (2)(a) or (b), the Council must act in accordance with paragraphs (4) to (6).

(4) The Council must—

- (a) notify the institution or other provider concerned of its opinion, setting out its reasons; and
- (b) inform the institution or other provider of the period within which it may make observations on the matters raised, which must not be less than one month beginning with the date on which the reasons are sent to the institution or other provider under subparagraph (a).

(5) The Council may take no further steps before the expiry of the period about which the institution or other provider has been informed under paragraph (4)(b).

(6) If, taking account of any visitor's report or other information acquired by the Council together with any observations submitted by the institution or other provider under paragraph (4), the Council decides that it is appropriate to—

- (a) impose probationary or remedial arrangements or conditions on the institution or other provider; or
- (b) refuse or withdraw approval,

it must send to the institution or other provider concerned at the last known address of the institution or provider a statement in writing giving the institution or other provider notice of the decision and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

(7) A decision under paragraph (6) has effect from the date of the decision or from such later date as may be specified in the decision.

(8) Where, under this article, approval of a course of education or training or an institution or other provider is withdrawn, the Council must use its best endeavours to secure that any person who, at that time, is undertaking that course or is studying at that institution or with that other provider is given the opportunity to attend an approved course conducted by an approved institution or other provider.

(9) Where, under this article, approval of a qualification, a course of education or training or an institution or other provider is withdrawn, that withdrawal does not affect the entitlement of any person to be entered in a part of the Register on the basis of the award of a qualification to that person before the date on which the decision withdrawing approval from that qualification, the course of education or training which led to the award of that qualification or, as the case may be, the institution or other provider that conducted the course that led to the award of that qualification, had effect.

PART 6

Fitness to practise

Standards of conduct and performance

48.—(1) The Council must—

- (a) set standards relating to the conduct, ethics and performance expected of registrants; and
- (b) make provision in rules regarding the criteria to which the Fitness to Practise Committee is to have regard when deciding, in the case of any registrant, whether or not the requirements as to fitness to practise are met in relation to that registrant.

(2) The Council must publish the standards set under this article, as they exist from time to time, in such manner as it considers appropriate.

(3) Where any registrant is alleged to have failed to comply with standards set under this article, that failure—

- (a) is not, of itself, to be taken to constitute misconduct on the registrant's part; but
- (b) is to be taken into account in any proceedings against the registrant under this Order.

Disclosure of information: general

49.—(1) For the purpose of assisting the Council (including its staff and its committees) in carrying out functions in respect of the fitness to practise of a registrant, or of assisting the Registrar

in carrying out functions in respect of identifying any person entered in the Register by virtue of article 34(1)(b), a person authorised by the Council may require—

- (a) a registrant (except the registrant in respect of whom the information or document is sought); or
- (b) any other person,

who, in the opinion of the authorised person, is able to supply information or produce any document which appears to be relevant to the discharge of any such function, to supply the information or produce the document.

(2) Nothing in paragraph (1) requires or permits—

- (a) any disclosure of information which is prohibited by or under any enactment, but where that prohibition arises because the information is in a form which allows for the identification of an individual, the person authorised by the Council may require that information to be put in a form which does not allow for the identification of that individual; or
- (b) the supplying of information or production of a document which a person could not be compelled to produce in civil proceedings in the High Court or the Court of Session under article 58 .

(3) In determining, for the purposes of paragraph (2)(a), whether a disclosure of personal data is prohibited, it is to be assumed, for the purposes of section 35(1) of the Data Protection Act 1998(42) (disclosures required by law or made in connection with legal proceedings etc.), that the disclosure of personal data is required by paragraph (1).

(4) If a person fails to supply any information or to produce any document within 14 days of being required to do so under paragraph (1), or within such longer period as the Council in the circumstances of a particular case may allow, the Council may seek an order of the relevant court requiring the information to be supplied or the document to be produced.

(5) For the purposes of this article, the “relevant court” means—

- (a) in a case where the person in respect of whom the information or document is sought is domiciled in Scotland, the sheriff in whose sheriffdom that person is domiciled; and
- (b) in any other case, the county court (the Central London County Court if the person in respect of whom the information or document is sought is not domiciled in Great Britain).

Disclosure of fitness to practise matters in the public interest

50.—(1) The Council may, if it considers it to be in the public interest to do so, publish or disclose to any person—

- (a) information which relates to a particular pharmacist’s or pharmacy technician’s fitness to practise, whether the matter to which the information relates arose before or after the entry in the Register of that pharmacist or pharmacy technician, or arose in Great Britain or elsewhere; or
- (b) information of a particular description related to fitness to practise in relation to every pharmacist or pharmacy technician, or to every pharmacist or pharmacy technician of a particular description.

(2) For the purposes of paragraph (1)(b), the Council need not consider whether it is in the public interest to publish or disclose the information in question in relation to each individual pharmacist or pharmacy technician to whom it relates.

Impairment of fitness to practise

51.—(1) A person’s fitness to practise is to be regarded as “impaired” for the purposes of this Order only by reason of—

- (a) misconduct;
- (b) deficient professional performance (which includes competence);
- (c) adverse physical or mental health which impairs their ability to practise safely and effectively or which otherwise impairs their ability to carry out the duties of a pharmacist or a pharmacy technician in a safe and effective manner;

- (n) the Scottish Ministers including the person in the children’s list or the adults’ list (within the meaning of the Protection of Vulnerable Groups (Scotland) Act 2007⁽⁴⁸⁾).

(2) The demonstration towards a patient or customer, or a prospective patient or customer, by a pharmacist or pharmacy technician of attitudes or behaviour from which that person can reasonably expect to be protected may be treated as misconduct for the purposes of paragraph (1)(a).

(3) References in this article to a conviction include a conviction by court martial.

(4) A person’s fitness to practise may be regarded as impaired because of matters arising—

- (a) outside Great Britain; and

(5) The Council may make such provision in rules as it considers appropriate in connection with the information to be provided to the Registrar by a registrant about fitness to practise matters that arise while the registrant is entered in any part of the Register.

(6) If a registrant fails to comply with rules under paragraph (5), the failure may be treated as misconduct for the purposes of paragraph (1)(a) and the Registrar must consider, in accordance with article 52(1), whether or not to refer the matter to the Investigating Committee or (where rules under article 52(1) so provide) the Fitness to Practise Committee.

Initial action in respect of allegations

52.—(1) Where—

- (a) an allegation is made to the Council against a registrant that the registrant’s fitness to practise is impaired; or
- (b) the Council has information that calls into question a registrant’s fitness to practise, even though no allegation to that effect has been made to the Council,

the Registrar must, except in such cases and subject to such considerations as the Council may prescribe, refer the matter (referred to in this article as “the allegation”) to the Investigating Committee.

(2) Rules under paragraph (1) may provide for—

- (a) an allegation not to be referred where it is of a type that the Council has stated in threshold criteria, which it has published and which it may amend from time to time, should not be referred; and
- (b) an allegation to be referred, in prescribed cases, directly by the Registrar to the Fitness to Practise Committee.

(3) Where the Registrar—

- (a) refers an allegation directly to the Fitness to Practise Committee under rules made by virtue of paragraph (2)(b); and
- (b) is of the opinion that the Fitness to Practise Committee should consider making an interim order under article 56,

the Registrar must notify the Committee accordingly.

(4) Where the Registrar refers an allegation to the Fitness to Practise Committee under rules made by virtue of paragraph (2)(b), the Registrar must inform the registrant who is the subject of the allegation and the person, if any, who made the allegation of that decision.

(5) Once a decision has been taken to refer the allegation to the Investigating Committee or (where rules so provide) the Fitness to Practise Committee, the Registrar must, as soon as is reasonably practicable—

- (a) require from the registrant who is the subject of the allegation details of any person—
 - (i) by whom the registrant is employed or engaged to provide services in, or in relation to, any area of pharmacy, or
 - (ii) with whom the registrant has arrangements to provide such services;
- (b) notify the Secretary of State, the Scottish Ministers and the Welsh Ministers of the investigation of the registrant’s fitness to practise;
- (c) notify the Department of Health, Social Services and Public Safety in Northern Ireland of the investigation of the registrant’s fitness to practise where the registrant is also entered in the register of pharmaceutical chemists for Northern Ireland or the register of visiting

pharmaceutical chemists made out and maintained under Articles 6 and 9 of the Pharmacy (Northern Ireland) Order 1976(49); and

- (d) notify any person of whom the Registrar is aware—
- (i) by whom the registrant is employed or engaged to provide services in, or in relation to, any area of pharmacy, or
 - (ii) with whom the registrant has arrangements to provide such services, of the investigation of the registrant’s fitness to practise.

(6) Where a registrant fails to comply with a requirement imposed under paragraph (5)(a) within 14 days of the requirement being imposed, or within such longer period as the Registrar may in the circumstances of the particular case allow—

- (a) the failure may be treated as misconduct for the purposes of article 51(1)(a) and the Registrar may refer the matter to the Committee that is considering the allegation in respect of the registrant; and
- (b) the Registrar may seek an order of the relevant court requiring the requested details to be supplied.

(7) For the purposes of this article, the “relevant court” means—

- (a) in a case where the registrant is domiciled in Scotland, the sheriff in whose sheriffdom that registrant is domiciled; and
- (b) in any other case, the county court (the Central London County Court if the registrant is not domiciled in Great Britain).

Consideration by the Investigating Committee

53.—(1) Where an allegation or a matter (referred to in this article as “the allegation”) is referred to the Investigating Committee by—

- (a) the Registrar under article 52(1) or (6)(a); or
- (b) an individual assessor or an assessment team under rules made under article 55(3)(c),

the Committee must decide whether the allegation ought to be considered by the Fitness to Practise Committee.

(2) If the Investigating Committee decides that the allegation need not be considered by the Fitness to Practise Committee, then unless the person who is the subject of the allegation (referred to in this article as “the person concerned”) has requested a referral under paragraph (3)—

- (a) the Investigating Committee may give—
 - (i) a warning to the person concerned in connection with any matter arising out of or related to the allegation and give a direction that details of the warning be recorded in the Register,
 - (ii) advice to the person concerned in connection with any matter arising out of, or related to, the allegation, and
 - (iii) advice to any other person or other body involved in its investigation of the allegation on any issue arising out of, or related to, the allegation; and
- (b) the Registrar must inform the person concerned and the person who made the allegation, if any, of the Investigating Committee’s decision and any action it is taking under sub-paragraph (a).

(3) If the Investigating Committee determines that the allegation ought to be considered by the Fitness to Practise Committee or the person concerned has requested a referral under this paragraph—

- (a) the Investigating Committee must refer the allegation to the Fitness to Practise Committee;
- (b) where the Investigating Committee considers that the Fitness to Practise Committee should consider making an interim order under article 56, it must notify the Fitness to Practise Committee accordingly; and
- (c) the Registrar must inform the person concerned and the person who made the allegation, if any, of the Investigating Committee’s decision to refer the allegation to the Fitness to Practise Committee.

(4) If, having considered the allegation, the Investigating Committee considers that the Council should consider exercising any of its powers to bring criminal proceedings under any enactment, it must notify the Registrar accordingly.

Consideration by the Fitness to Practise Committee

54.—(1) Where an allegation or matter (referred to in this article as “the allegation”) is referred to the Fitness to Practise Committee by the Registrar—

- (a) under rules made by virtue of article 52(2)(b);
- (b) under article 52(6)(a);
- (c) by the Investigating Committee under article 53; or
- (d) by an individual assessor or an assessment team under rules made under article 55(3)(c),

the Fitness to Practise Committee must determine whether or not the fitness to practise of the person in respect of whom the allegation is made (referred to in this article as “the person concerned”) is impaired.

(2) If the Fitness to Practise Committee determines that the fitness to practise of the person concerned is impaired, it may—

- (a) give a warning to the person concerned in connection with any matter arising out of, or related to, the allegation and give a direction that details of the warning be recorded in the Register;
- (b) give advice to any other person or other body involved in the investigation of the allegation on any issue arising out of, or related to, the allegation;
- (c) give a direction that the entry in the Register of the person concerned be removed;
- (d) give a direction that the entry in the Register of the person concerned be suspended, for such period not exceeding 12 months as may be specified in the direction; or
- (e) give a direction that the entry in the Register of the person concerned be conditional upon that person complying, during such period not exceeding 3 years as may be specified in the direction, with such requirements specified in the direction as the Committee thinks fit to impose for the protection of the public or otherwise in the public interest or in the interests of the person concerned.

(3) Where the Fitness to Practise Committee has given a direction under this article, other than a direction that the entry in the Register of the person concerned be removed, it may, if it thinks fit, following a review—

- (a) where the entry in the Register of the person concerned is suspended, give a direction that—
 - (i) the entry be removed from the Register,

- (ii) the suspension of the entry be extended for such further period not exceeding 12 months as may be specified in the direction, starting from the time when the period of suspension would otherwise expire,
 - (iii) the entry be suspended indefinitely, if the suspension has already been in force throughout a period of at least two years,
 - (iv) in the case of an indefinite suspension, terminate the suspension, provided that the review takes place in the circumstances provided for in paragraph (4), or
 - (v) on expiry or termination of the period of suspension (including a period of suspension that was expressed to be indefinite), the entry be conditional upon that person complying, during such period not exceeding 3 years as may be specified in the direction, with such requirements specified in the direction as the Committee thinks fit to impose for the protection of the public or otherwise in the public interest or in the interests of the person concerned;
- (b) where the entry in the Register of the person concerned is conditional upon that person complying with requirements specified in a direction given under this article, give a direction that—
- (i) the period specified in the direction for complying with the requirements be extended for such further period not exceeding 3 years as may be specified in the direction, starting from the time when the earlier period would otherwise expire,
 - (ii) the requirements be added to, removed or otherwise varied in such manner as may be specified in the direction,
 - (iii) the entry instead be suspended (for example, where that person has failed, whether wholly or partly, to comply with the requirements), for such period not exceeding 12 months as may be specified in the direction, or
 - (iv) the entry be removed from the Register, if that person has failed, whether wholly or partly, to comply with the requirements.
- (4) If the Fitness to Practise Committee gives a direction under paragraph (3)(a)(iii), the Committee must review the direction if—
- (a) the person concerned asks it to do so; and
 - (b) at least two years have elapsed—
 - (i) since the direction took effect, or
 - (ii) if the direction has already been reviewed by the Committee, since the conclusion of the last review by the Committee.
- (5) If the Fitness to Practise Committee determines that the fitness to practise of the person concerned is not impaired—
- (a) the Committee may give—
 - (i) a warning to the person concerned in connection with any matter that the Committee considers necessary or desirable taking into account the Committee’s findings and give a direction that details of the warning be recorded in the Register,
 - (ii) advice to the person concerned in connection with any such matter, and
 - (iii) advice to any other person or other body involved in the investigation of the allegation on any issue arising out of, or related to, the allegation;
 - (b) the Registrar must inform the person concerned and the person who made the allegation, if any, of the Committee’s decision and any action it is taking under sub-paragraph (a); and

- (c) the Committee must, if the person concerned so requests, publish in such manner as it sees fit a statement summarising its determination, or may publish such a statement if that person consents.
- (6) If the person concerned is entered in more than one part of the Register, the Fitness to Practise Committee—
- (a) must make separate determinations under this article in relation to each part of the Register; and
 - (b) may give a direction under paragraph (2) or (3) in relation to only one part of the Register or different directions in relation to different parts of the Register,
- but may otherwise deal with the matter as a single case.
- (7) If the Fitness to Practise Committee determines under this article that a person's fitness to practise is impaired solely by reason of adverse physical or mental health, it may not give a direction under paragraph (2)(c), (3)(a)(i) or (3)(b)(iv) that the entry in the Register in respect of that person be removed.
- (8) If the Fitness to Practise Committee gives a warning or a direction under this article, the Registrar must on its behalf send to the person concerned at the last known home address of that person a statement in writing giving the person notice of the reasons for the warning or the direction and of any right of appeal under article 58.
- (9) If, having considered the allegation, the Fitness to Practise Committee considers that the Council should consider exercising any of its powers to bring criminal proceedings under any enactment, it must notify the Registrar accordingly.

Professional performance assessments

- 55.—**(1) The Council may make rules about the circumstances in which the Registrar, the Investigating Committee and the Fitness to Practise Committee are authorised to give directions requiring an assessment of the standard of a registrant's professional performance by an individual assessor or an assessment team.
- (2) The circumstances that may be prescribed under paragraph (1) include circumstances arising during proceedings of either Committee.
- (3) The Council may make such provision as it considers appropriate in rules in connection with the composition of assessment teams and the functions of and procedures to be followed by individual assessors and assessment teams and may, in particular, make provision with regard to—
- (a) the Council entering into arrangements with other bodies for those bodies to provide individual assessors or assessment teams to carry out the assessments;
 - (b) allowing an assessment by an individual assessor or an assessment team to include an assessment of the standard of a registrant's professional performance both at any time before the assessment and at the time of the assessment; and
 - (c) referring to the Investigating Committee or the Fitness to Practise Committee a case where an individual assessor or an assessment team considers that a registrant has failed to comply with a reasonable requirement that has been imposed on that registrant by the individual assessor or the assessment team.
- (4) An individual assessor or an assessment team, in connection with carrying out an assessment of the standard of a registrant's professional performance—
- (a) may require the production of, and inspect and take copies of, any records (in whatever form they are held) arising out of or related to the registrant's professional practice; and
 - (b) where such records are kept otherwise than in legible form, may require a copy of them to be given in legible form.

- (5) Nothing in, or in rules under, this article requires or permits—
- (a) any disclosure of information which is prohibited by or under any enactment, but where that prohibition arises because the information is in a form which allows for the identification of an individual, an individual assessor or an assessment team, when requiring the production of records under paragraph (4)(a), may require that the records be put in a form which does not allow for the identification of that individual; or
 - (b) the production of records which a person could not be compelled to produce in civil proceedings in the High Court or the Court of Session under article 58.

(6) In determining, for the purposes of paragraph (5)(a), whether a disclosure of personal data is prohibited, it is to be assumed, for the purposes of section 35(1) of the Data Protection Act 1998⁽⁵⁰⁾ (disclosures required by law or made in connection with legal proceedings etc.), that the disclosure of personal data is required by paragraph (4).

(7) If a person fails to produce any records within 14 days of being required to do so under paragraph (4), the Registrar, the Investigating Committee or the Fitness to Practise Committee on whose behalf the individual assessor or assessment team is carrying out the assessment in connection with which the records are being sought, may seek an order of the relevant court requiring the records to be produced.

- (8) For the purposes of this article, the “relevant court” means—
- (a) in a case where records are being sought in relation to a registrant who is domiciled in Scotland, the sheriff in whose sheriffdom that registrant is domiciled; and
 - (b) in any other case, the county court (the Central London County Court in the case of a registrant who is not domiciled in Great Britain).

Interim orders

56.—(1) Where the Fitness to Practise Committee is satisfied that it is necessary for the protection of members of the public or is otherwise in the public interest or is in the interests of the registrant for an entry in the Register relating to a registrant to be suspended or to be made subject to conditions, the Committee may make an order—

- (a) that the entry in question be suspended for such period not exceeding 18 months as may be specified in the order (an “interim suspension order”); or
- (b) that the entry in question be conditional upon the registrant complying, during such period not exceeding 18 months as may be specified in the order, with such requirements specified in the order as the Committee thinks fit to impose (an “order for interim conditional entry”).

(2) Subject to paragraph (7), where the Fitness to Practise Committee has made an order under paragraph (1), the Committee—

- (a) must review it within the period of 6 months beginning with the date on which the order was made, and must after that, for so long as the order continues in force, further review it—
 - (i) before the end of the period of 6 months beginning with the date of the decision of the immediately preceding review, or
 - (ii) if, after the end of the period of 3 months beginning with the date of the decision of the immediately preceding review, the person concerned requests an earlier review, as soon as practicable after that request; and
- (b) may review it where new evidence relevant to the order has become available after it was made.

(50) 1998 c.29.

(3) Where an interim suspension order or an order for interim conditional entry has been made in relation to any person under any provision of this article (including this paragraph) the Fitness to Practise Committee may—

- (a) revoke the order;
- (b) add to, remove or otherwise vary any condition imposed by the order; or
- (c) if satisfied that to do so is necessary for the protection of members of the public or is otherwise in the public interest—
 - (i) replace an order for interim conditional entry with an interim suspension order having effect for the remainder of the term of the previous order, or
 - (ii) replace an interim suspension order with an order for interim conditional entry having effect for the remainder of the term of the previous order.

(4) If an order is made, revoked or varied under any provision of this article, the Registrar must without delay send to the person in respect of whose entry in the Register it relates at the last known home address of that person a statement in writing giving the person notice of the order, the revocation or, as the case may be, the variation.

(5) The Council may apply to the relevant court for an order made by the Fitness to Practise Committee under paragraph (1) or (3) to be extended or, if it has been extended, further extended, and on such application the relevant court may extend, or further extend, for up to 12 months the period for which the order has effect.

(6) Any reference in this article to an interim suspension order, or to an order for interim conditional entry, includes a reference to such an order as extended under paragraph (5).

(7) For the purposes of paragraph (2), the first review after the relevant court's extension of an order made by the Fitness to Practise Committee, or after a replacement order made by the Fitness to Practise Committee under paragraph (3)(c), must take place—

- (a) if the order (or the order which has been replaced) has not been reviewed at all under paragraph (2), within the period of 6 months beginning with the date on which the relevant court ordered the extension or on which the replacement order under paragraph (3)(c) was made; and
- (b) if the order (or the order which has been replaced) has been reviewed under paragraph (2), within the period of 3 months beginning with that date.

(8) A registrant who is aggrieved by the decision of the Fitness to Practise Committee to make or vary an order under this article may appeal against that decision to the relevant court, and the court may—

- (a) in the case of an interim suspension order, terminate the suspension;
- (b) in the case of an order for interim conditional entry, revoke the order or remove or vary any condition imposed by the order; and
- (c) in either case, substitute for the period specified in the order (or in the order extending it) some other period which could have been specified in the order when it was made (or in the order extending it),

but unless the court otherwise directs, the order remains in force pending the outcome of the appeal.

(9) The decision of the relevant court on any application under paragraph (8) is final.

(10) If an order is made in relation to any person under this article and that order remains in effect immediately before the determination in respect of the allegation against that person under article 54(1), the Fitness to Practise Committee must revoke the order once it has been determined whether or not the person's fitness to practise is impaired.

(11) In this article, "the relevant court" means—

- (a) in a case relating to a registrant who is domiciled in Scotland, the Court of Session; and
- (b) in any other case, the High Court.

Restoration of names to the Register: fitness to practise

57.—(1) Subject to paragraph (2)—

- (a) a person whose entry has been removed from one or more parts of the Register, in accordance with a direction under article 54(2)(c) or (3)(a)(i) or (b)(iv) may apply to the Registrar under this article for restoration to any part of the Register from which that person's entry has been removed; and
- (b) the Registrar must refer that application to the Fitness to Practise Committee.

(2) An application may not be made under paragraph (1)—

- (a) before the expiration of five years from the date of removal; or
- (b) within 12 months of the date of an earlier application under paragraph (1) relating to the same entry.

(3) The Council may make such provision in rules in connection with applications for restoration by virtue of paragraph (1) as it considers appropriate and may, in particular, make provision with regard to—

- (a) the form and manner in which applications for restoration are to be made (and the rules may provide that applicants must apply using application forms that are in such form as the Council may determine from time to time);
- (b) the information to be provided by the applicant, including—
 - (i) the name under which the applicant intends to practise, and
 - (ii) the applicant's home address;
- (c) whether any, and if so what, additional education, training or continuing professional development is required before restoration (and the rules may make provision for these issues to be determined in individual cases by the Registrar);
- (d) fitness to practise matters; and
- (e) refusal of applications (including where the applicant has not paid the fee prescribed under article 36(1)(b)).

(4) An application under this article may not be granted unless the person applying for restoration provides such evidence of fitness to practise as the Fitness to Practise Committee directs.

(5) Where the Fitness to Practise Committee refuses an application for restoration, the Registrar must send to the applicant at the applicant's last known home address a statement in writing giving the applicant notice of the decision and of the reasons for it.

(6) If the Fitness to Practise Committee grants the application, it may give a direction that the person's entry in the part or parts of the Register to which it has been restored be conditional upon that person complying, during such period not exceeding 3 years as may be specified in the direction, with such requirements specified in the direction as the Committee thinks fit to impose for the protection of the public or otherwise in the public interest or in the interests of the person concerned.

(7) Where the Fitness to Practise Committee gives a direction under paragraph (6), that direction must, for the purposes of article 54(3), be treated as a direction under article 54.

(8) If the application under this article relates to more than one part of the Register, the Fitness to Practise Committee—

- (a) must make separate determinations under this article in relation to each part of the Register; and

(b) may give a direction under paragraph (6) in relation to only one part of the Register or different directions in relation to different parts of the Register, but may otherwise deal with the matter as a single case.

(9) If—

- (a) the Fitness to Practise Committee refuses an application under this article (“the current application”);
- (b) it had refused a previous application under this article made by the same person, whether relating to the same part of the Register as the current application or to another part or parts of the Register; and
- (c) since the time when the previous application was refused, the person has not been entered in the part of the Register to which the current application and the previous application relate, or (if they relate to different parts) has not been entered in any of those parts of the Register,

the Fitness to Practise Committee may direct that the person may make no further application under this article in respect of the part or parts of the Register to which the current application and the previous application (or each of two or more previous applications falling within sub-paragraphs (b) and (c)) relate.

(10) If the Fitness to Practise Committee gives a direction under paragraph (6) or (9), the Registrar must on its behalf send to the applicant at the applicant’s last known home address a statement in writing giving the applicant notice of the decision and the reasons for it and, in the case of a direction under paragraph (9), of the right of appeal under article 58.

Appeals against appealable fitness to practise decisions

58.—(1) The following decisions are appealable fitness to practise decisions for the purposes of this Part—

- (a) a decision of the Fitness to Practise Committee under article 54 to give a direction to remove the entry of a person from one or more parts of the Register;
- (b) a decision of the Fitness to Practise Committee under article 54 to give a direction for suspension or for conditional entry (including a direction extending a period of earlier suspension or of conditional entry or making a period of suspension indefinite);
- (c) a decision of the Fitness to Practise Committee under article 54 to give a direction to vary the conditions imposed by a direction for conditional entry; and
- (d) a decision of the Fitness to Practise Committee to give a direction under article 57(9) that a person may make no further applications under that article in respect of one or more parts of the Register.

(2) A person in respect of whom an appealable fitness to practise decision has been made may appeal against that decision to the relevant court.

(3) Notice of any appeal under this article must be filed at, or in Scotland lodged in, the relevant court and served on the Council, in accordance with rules of court, within 28 days beginning with the date on which the written notice of the reasons for the decision was sent, or within such longer period as the relevant court may, in accordance with rules of court, allow.

(4) In this article, “the relevant court” means—

- (a) in a case where the person making the appeal is domiciled in Scotland, the Court of Session; and
- (b) in any other case, the High Court.

(5) Having considered the appeal, the relevant court may—

- (a) dismiss the appeal;
 - (b) allow the appeal and quash the direction in respect of which the appeal is made;
 - (c) substitute for the direction in respect of which the appeal is made any other direction that the Fitness to Practise Committee could have given; or
 - (d) remit or refer the case to the Registrar or the Fitness to Practise Committee for disposal of the matter in accordance with the relevant court's directions,
- and may make such order as to costs or, in Scotland, expenses as the relevant court thinks fit.

The taking effect of directions in respect of appealable fitness to practise decisions

59.—(1) Where an appealable fitness to practise decision is taken in respect of a direction, that direction does not take effect—

- (a) until the period for bringing an appeal in respect of the direction has expired; or
- (b) where an appeal is brought within the period for bringing an appeal, until the date on which the appeal is finally disposed of, is abandoned or fails by reason of its non-prosecution.

(2) Where, by virtue of paragraph (3) of article 58, the time for bringing an appeal in respect of the direction has been extended by the relevant court in accordance with rules of court—

- (a) paragraph (1) applies to the direction as if the references to the period for bringing an appeal were references to that period as so extended; and
- (b) if the relevant court allows an appeal to be brought after the expiration of the period for bringing an appeal specified in paragraph (3) of article 58, the direction is deemed not to have taken effect on the expiration of that period.

(3) Where, within the period for bringing an appeal (which includes that period as extended by virtue of article 58(3)), an appeal is brought against an appealable fitness to practise decision in respect of a direction (“the later direction”) that extends, varies or replaces an earlier direction, the earlier direction continues to have effect until the date on which the appeal is finally disposed of, is abandoned or fails by reason of its non-prosecution.

(4) Where, as a result of an extension of an earlier direction pursuant to paragraph (3), a later direction takes effect on a date after it was due to take effect, the period for which the later direction was originally expressed to have effect (howsoever expressed) is treated as commencing—

- (a) on the date on which it was originally due to take effect; or
- (b) if this would mean that the later direction would in practice expire before it commences, on the date on which the appeal is finally disposed of, is abandoned or fails by reason of its non-prosecution.

(5) For the purposes of paragraphs (3) and (4), an appeal is finally disposed of once all rights in relation to the appeal have been exhausted.

Interim measures pending a direction taking effect

(2) If the Fitness to Practise Committee is satisfied that to do so is necessary for the protection of members of the public or is otherwise in the public interest or in the interests of the registrant, it may order that the entry of the registrant who is the subject of the direction in the part or parts of the Register to which the direction relates be suspended forthwith, pending the coming into force of the direction.

(3) Paragraph (4) applies where the Fitness to Practise Committee gives a direction for conditional entry under article 54.

(4) If the Fitness to Practise Committee is satisfied that to do so is necessary for the protection of members of the public or is otherwise in the public interest or in the interests of the registrant, it may order that the entry of the registrant who is the subject of the direction in the part or parts of the Register to which the direction relates, be conditional upon that registrant complying, pending the coming into force of the direction, with such requirements specified in the order as the Committee thinks fit to impose.

(5) If the direction referred to in paragraph (1) or (3) relates to the entry of the registrant in more than one part of the Register, the Fitness to Practise Committee may make an order under paragraph (2) or, as the case may be, (4) in relation to only one part of the Register and may impose different requirements under paragraph (4) in relation to the registrant's entry in different parts of the Register.

(6) Where the Fitness to Practise Committee makes an order under paragraph (2) or (4), the Registrar must send to the registrant who is the subject of the order at that registrant's last known home address a statement in writing giving that registrant notice of the contents of the order and of the right of appeal under paragraph (7).

(7) A registrant who is aggrieved by a decision of the Fitness to Practise Committee to make an order under this article may appeal against that decision to the relevant court, and the court may—

- (a) dismiss the appeal;
- (b) in the case of an order under paragraph (2), terminate the suspension; and
- (c) in the case of an order under paragraph (4), revoke the order or remove or vary any condition imposed by the order,

and the decision of the relevant court on any application under this paragraph is final.

(8) In this article, "the relevant court" means—

- (a) in a case where the person making the appeal is domiciled in Scotland, the Court of Session; and
- (b) in any other case, the High Court.

Article 33

Visiting Practitioners from relevant European States

PART 1

Pharmacists

Application and interpretation

1.—(1) This Part of this Schedule applies to an exempt person who is lawfully established as a pharmacist in a relevant European State other than the United Kingdom.

(2) In this Part—

- (a) a “visiting practitioner” means an exempt person to whom this Part applies;
- (b) the “home State”, in relation to a visiting practitioner, means the relevant European State in which the practitioner is lawfully established as a pharmacist;

⁽⁵⁹⁾ 2006 c.3.

- (c) a reference to the provision of occasional pharmacy services is a reference to the provision of services as a pharmacist in Great Britain on a temporary and occasional basis; and
- (d) “indemnity arrangement” has the same meaning as in article 32.

Registration in respect of provision of occasional pharmacy services

2.—(1) A visiting practitioner is entitled to be entered in Part 4 of the Register if the practitioner is entitled under paragraph 3 or 6 to provide occasional pharmacy services; and the Registrar must give effect to that entitlement.

(2) A visiting practitioner who is entitled under sub-paragraph (1) to be entered in Part 4 of the Register, but who is not entered in that part of the Register, is to be treated as being so entered.

(3) The Registrar may refuse to enter a visiting practitioner in Part 4 of the Register if, in the Registrar’s opinion, that visiting practitioner is not entitled under paragraph 3 or 6 to provide occasional pharmacy services.

(4) If under sub-paragraph (3) the Registrar refuses to enter a visiting practitioner in Part 4 of the Register, the Registrar must send to the practitioner at the practitioner’s last known home address a statement in writing giving the practitioner notice of that decision and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

(5) Sub-paragraph (6) applies where a person’s entitlement under sub-paragraph (1) to be entered in Part 4 of the Register ceases because, by reason of the operation of paragraph 7(1), (2) or (5), the person ceases to be entitled under this Part to provide occasional pharmacy services.

(6) If the person’s name is entered in Part 4 of the Register, the Registrar may remove that person’s name from that part of the Register.

(7) Sub-paragraphs (1), (2), (5) and (6) do not affect the application, in relation to persons entered in Part 4 of the Register on the basis of an entitlement under sub-paragraph (1), of any other provision of this Order under which a registered pharmacist’s name may be removed from that part of the Register or under which a registered pharmacist’s entry in that part of the Register may be suspended.

Entitlement to provide occasional pharmacy services: first year

3. A visiting practitioner is entitled to provide occasional pharmacy services if—

- (a) the practitioner has complied with the requirements of paragraph 4; and
- (b) where the practitioner’s case falls within regulation 3(9)(a) or (e) of the General Systems Regulations, the provision by the practitioner of occasional pharmacy services is in accordance with regulations 14 to 16 of those Regulations (the practitioner having, in particular, successfully completed any adaptation period, or passed any aptitude test, that the practitioner may be required to undertake pursuant to Part 2 of those Regulations),

and paragraph 7 contains provision about the duration of entitlement under this paragraph.

First provision of services: required documents

4.—(1) A visiting practitioner who proposes to provide occasional pharmacy services for the first time must, before providing those services, send or produce to the Registrar the required documents.

(2) The required documents are—

- (a) a written declaration that—
 - (i) states the practitioner’s wish to provide occasional pharmacy services, and

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (ii) contains details of the indemnity arrangement, or the other means of personal or collective protection, that the practitioner has in place in respect of liabilities that may be incurred in practising as a pharmacist;
 - (b) if the practitioner is a national of a relevant European State, proof of nationality;
 - (c) if the practitioner is not a national of a relevant European State, proof of the Community right by virtue of which the practitioner is an exempt person;
 - (d) evidence of qualifications in pharmacy (see also paragraph 5); and
 - (e) a certificate (or certificates) issued by a competent authority in the practitioner's home State confirming—
 - (i) that the practitioner is lawfully established as a pharmacist in that State, and
 - (ii) that the practitioner is not prohibited (whether on a permanent or temporary basis) from practising as a pharmacist there.
- (3) A declaration under sub-paragraph (2)(a) may be supplied by any means.

First provision of services: supplementary

5.—(1) Subject to sub-paragraph (3), the evidence referred to in paragraph 4(2)(d) is evidence of the European-recognised qualifications which entitle the visiting practitioner to provide, in the practitioner's home State, the pharmacy services that the practitioner proposes to provide in Great Britain on a temporary and occasional basis.

(2) This sub-paragraph applies to a visiting practitioner whose case falls within regulation 3(9)(a) or (e) of the General Systems Regulations (with the result that the practitioner is not able to provide occasional pharmacy services unless their provision by the practitioner is in accordance with regulations 14 to 16 of those Regulations).

(3) If sub-paragraph (2) applies to a visiting practitioner, the evidence referred to in paragraph 4(2)(d) of the practitioner's qualifications in pharmacy is evidence of the qualifications which entitle the practitioner to practise as a pharmacist in his home State.

(4) In this paragraph, "European-recognised qualifications" means qualifications which relevant European States are required by the Directive to recognise.

Entitlement to provide occasional pharmacy services after the first year: renewals

6.—(1) Sub-paragraph (2) applies where the Registrar receives the required renewal documents from a visiting practitioner who is entitled under this Part to provide occasional pharmacy services before such time prior to the practitioner's entitlement ceasing to be valid under article 7(1) or (2) as is prescribed by the Council for the receipt of those documents by the Registrar.

(2) The visiting practitioner is entitled to continue to provide occasional pharmacy services, and paragraph 7 contains provision about the duration of the entitlement continued under this sub-paragraph.

(3) Sub-paragraph (4) applies where the Registrar receives the required renewal documents from a visiting practitioner—

- (a) who is not entitled under this Part to provide occasional pharmacy services;
- (b) who has previously been entitled under this Part to provide occasional pharmacy services; and
- (c) whose entry in Part 4 of the Register is not suspended.

(4) The visiting practitioner is once again entitled to provide occasional pharmacy services but, in a case where the practitioner's name is not in Part 4 of the Register as a result of removal otherwise

than under paragraph 2(6), only if the Registrar decides, after having regard (in particular) to the fact of that removal and the reasons for it, that the entitlement should be renewed, and paragraph 7 contains provision about the duration of entitlement under this sub-paragraph.

(5) In relation to a visiting practitioner “the required renewal documents” are—

- (a) a renewal declaration; and
- (b) each evidence of change document (if any).

(6) In this paragraph “renewal declaration”, in relation to a visiting practitioner, means a written declaration that—

- (a) states the practitioner’s wish to provide occasional pharmacy services in a further year; and
- (b) contains details of the indemnity arrangement, or the other means of personal or collective protection, that the practitioner has in place in respect of liabilities that may be incurred in practising as a pharmacist.

(7) Where a document—

- (a) is, in relation to a visiting practitioner, one of the required documents for the purposes of paragraph 4;
- (b) is not a declaration under paragraph 4(2)(a); and
- (c) substantiates a matter as respects which there has been a material change since the practitioner last (whether under paragraph 4 or this paragraph) supplied the then-current version of the document to the Registrar,

the version of the document current when, under this paragraph, the practitioner supplies a renewal declaration to the Registrar is an “evidence of change document” for the purposes of sub-paragraph (5)(b).

(8) A renewal declaration supplied under this paragraph may be supplied by any means.

(9) If the Registrar refuses to renew the entry of a visiting practitioner in the Register, the Registrar must send to that practitioner at that practitioner’s last known home address a statement in writing giving that practitioner notice of the refusal and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

Duration of entitlement to provide occasional pharmacy services

7.—(1) Unless an entitlement under paragraph 3 or 6 is continued by paragraph 6(2), or further continued by paragraph 6(4), the entitlement ceases at the end of the year that begins with the end of the day on which the Registrar received the documents whose receipt gave rise to the entitlement.

(2) Where an entitlement under paragraph 3 or 6 is continued by paragraph 6(2), or further continued by paragraph 6(4), the entitlement is extended so as to cease at the end of the year that begins with the end of the relevant day.

(3) For the purposes of sub-paragraph (2)—

- (a) if the day on which the Registrar receives the documents whose receipt gives rise to the continuation (or further continuation) is an anniversary of the start day, “the relevant day” means the day on which the Registrar receives those documents;
- (b) otherwise, “the relevant day” means the anniversary of the start day that is the first such anniversary to occur after the Registrar receives the documents whose receipt gives rise to the continuation (or further continuation).

(4) In sub-paragraph (3) “the start day”, in relation to an entitlement under paragraph 3 or 6(4), means the day on which the Registrar receives the documents whose receipt gives rise to the entitlement.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (5) An entitlement under this Part to provide occasional pharmacy services ceases if—
- (a) the visiting practitioner concerned becomes established as a pharmacist in the United Kingdom; or
 - (b) a disqualifying decision is made against the visiting practitioner concerned.
- (6) In sub-paragraph (5), “disqualifying decision”, in relation to a visiting practitioner, means a decision made by a competent or judicial authority in the practitioner’s home State that has the effect that the practitioner—
- (a) ceases in that State to be registered or otherwise officially recognised as a pharmacist; or
 - (b) is prohibited (whether on a permanent or temporary basis) from practising as a pharmacist in that State.
- (7) If in the case of a visiting practitioner—
- (a) the practitioner’s entry in Part 4 of the Register is suspended or the practitioner’s name is removed from that part of the Register; and
 - (b) immediately before the time when the suspension or, as the case may be, removal takes effect, the practitioner is entitled under this Part to provide occasional pharmacy services,
- that entitlement ceases at that time.

Conditions

- 8.—(1) Sub-paragraph (2) applies if—
- (a) the establishment of a visiting practitioner in the practitioner’s home State is subject to a condition relating to the practitioner’s practice as a pharmacist;
 - (b) the practitioner’s name is in Part 4 of the Register; and
 - (c) for any of the purposes of this Order it falls to be decided whether the practitioner’s fitness to practise is or may be impaired on the ground of misconduct.
- (2) The matters that may be counted as misconduct include (in particular) any act or omission by the visiting practitioner during the course of the provision by the practitioner of occasional pharmacy services that is, or would be if the condition applied in relation to practice as a pharmacist outside the practitioner’s home State, a breach of the condition.
- (3) In sub-paragraphs (1) and (2) “condition” includes limitation.

PART 2

Pharmacy technicians

Application and interpretation

- 9.—(1) This Part of this Schedule applies to an exempt person who is lawfully established as a pharmacy technician in a relevant European State other than the United Kingdom.
- (2) In this Part—
- (a) a “visiting practitioner” means an exempt person to whom this Part applies;
 - (b) the “home State”, in relation to a visiting practitioner, means the relevant European State in which the practitioner is lawfully established as a pharmacy technician;
 - (c) a reference to the provision of occasional pharmacy services is a reference to the provision of services as a pharmacy technician in Great Britain on a temporary and occasional basis; and

- (d) “indemnity arrangement” has the same meaning as in article 32.

Registration in respect of the provision of occasional services

10.—(1) A visiting practitioner is entitled to be entered in Part 5 of the Register if the practitioner is entitled under paragraph 11 or 14 to provide occasional pharmacy services: and the Registrar must give effect to that entitlement.

(2) A visiting practitioner who is entitled under sub-paragraph (1) to be entered in Part 5 of the Register as a pharmacy technician, but who is not entered in that part of the Register, is to be treated as being so entered.

(3) The Registrar may refuse to enter a visiting practitioner in Part 5 of the Register if, in the Registrar’s opinion, that visiting practitioner is not entitled under paragraph 11 or 14 to provide occasional pharmacy services.

(4) If under sub-paragraph (3) the Registrar refuses to enter a visiting practitioner in Part 5 of the Register, the Registrar must send to the practitioner at the practitioner’s last known home address a statement in writing giving the practitioner notice of that decision and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

(5) Sub-paragraph (6) applies where a person’s entitlement under sub-paragraph (1) to be entered in Part 5 of the Register ceases because, by reason of the operation of paragraph 15(1), (2) or (5), the person ceases to be entitled to provide occasional pharmacy services.

(6) If the person’s name is entered in Part 5 of the Register, the Registrar may remove that person’s name from that part of the Register.

(7) Sub-paragraphs (1), (2), (5) and (6) do not affect the application, in relation to persons entered in Part 5 of the Register on the basis of an entitlement under sub-paragraph (1), of any other provision of this Order under which a registered pharmacy technician’s name may be removed from that part of the Register or under which a registered pharmacy technician’s entry in that part of the Register may be suspended.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

 - (d) evidence of qualifications in pharmacy (see also paragraph 13); and

 - (f) if a certificate of the type referred to in paragraph (e) is not available, such other information or documents from such other individuals, authorities or organisations as the Council may prescribe.

the version of the document current when, under this paragraph, the practitioner supplies a renewal declaration to the Registrar is an “evidence of change document” for the purposes of sub-paragraph (5)(b).

(8) A renewal declaration supplied under this paragraph may be supplied by any means.

(9) If the Registrar refuses to renew the entry of a visiting practitioner in the Register, the Registrar must send to that practitioner at that practitioner’s last known home address a statement in writing giving that practitioner notice of the refusal and the reasons for it and of the right of appeal to the Appeals Committee under article 40.

Duration of entitlement to provide occasional pharmacy services

15.—(1) Unless an entitlement under paragraph 11 or 14 is continued by paragraph 11(2), or further continued by paragraph 14(2), the entitlement ceases at the end of the year that begins with the end of the day on which the Registrar received the documents whose receipt gave rise to the entitlement.

(7) If in the case of a visiting practitioner—

It also amends and supplements various provisions in Part 4 of the Medicines Act 1968 (c.67), and in section 9 of the Poisons Act 1972 (c.66) in respect of the regulation and inspection of registered pharmacies in Great Britain. The regulation of the professions of pharmacist and pharmacy technician and the regulation and inspection of registered pharmacies was, prior to the commencement of this Order, undertaken by the Royal Pharmaceutical Society of Great Britain (“the Society”) in pursuance of arrangements set out in the Pharmacists and Pharmacy Technicians Order 2007 (“the 2007 Order”) (as amended), which is now revoked.

(172) S.I.1992/662. These Regulations have been revoked in relation to England and now apply only in relation to Wales (see S.I.2005/641). Regulation 4(5) was also amended by S.I.2002/2469.

This Order implements in part Council Directive [2005/36/EC\(175\)](#) (“the Directive”) on the recognition of professional qualifications. It replaces the necessary legislative framework for the implementation, in Great Britain, of the Directive which was previously set out in the 2007 Order.

Part 1 contains preliminary matters. These include commencement arrangements and the interpretation provisions (articles 1 and 3). This Order extends to Great Britain. Where other legislation is amended, the amendments have the same territorial extent as the provisions being amended (article 2).

Part 2 (articles 4 and 6) and Schedule 1 make provision for the establishment of the Council and of its statutory committees. The Council is to be constituted as provided for by an order of the Privy Council under article 4 and is required to make provision, in rules, in respect of the size, composition and procedures of each of its statutory committees. Part 2 also sets out the Council’s principal functions and general duties which are linked to the safe and effective practice of pharmacy. These include the Council’s main purpose which is to protect, promote and maintain the health, safety and well-being of the public when exercising functions that affect the public. It is also under a duty to prescribe requirements as to the evidence of health and good character that are to be met in order to satisfy the Council that a person is capable of the safe and effective practice of pharmacy (article 4). The Council is also under a duty to have proper regard to specified interests and in respect of co-operation with specified bodies (article 6).

Part 3 contains rule making powers for the purpose of implementing the Council’s function of establishing and promoting standards for the safe and effective practice of pharmacy at registered pharmacies. These standards are intended to supplement existing provision in Part 4 of the Medicines Act 1968 (Part 3 of the Medicines Act 1968 (section 66) also makes provision in respect of the standards to be met by registered pharmacies). Part 3 also makes provision for the inspection of registered pharmacies by inspectors appointed by the Council (under article 8) for the purpose of enforcing compliance by persons carrying on a retail pharmacy business at a registered pharmacy with such standards as are set in rules by the Council (under article 7). The inspectors are given various powers to enter, search and remove items from premises (articles 10 and 11) and any person who intentionally obstructs an inspector exercising these functions commits an offence (article 12). Provision is also made for the service of improvement notices on a person carrying on a retail pharmacy business at a registered pharmacy (article 13), in respect of a failure to comply with standards, for non compliance with the terms of an improvement notice to be an offence (article 14), and for a right of appeal to a magistrates’ court or, in Scotland, to the sheriff against an improvement notice (articles 16 and 17).

Part 4 contains provisions for the registration of pharmacists and pharmacy technicians in Great Britain. It also contains supplementary provision in respect of the registration of registered pharmacies in Great Britain to that which is contained in Part 4 of the Medicines Act 1968. Part 4 of this Order provides for the appointment of a Registrar (article 18) who is to establish and maintain a register of pharmacists, pharmacy technicians and premises at which the business of a retail pharmacy is lawfully conducted (“the Register”) and to perform the functions of Registrar conferred by this Order (article 19) and by any other enactment (pharmacists and pharmacy technicians who have been entered in the Register by the Registrar are defined in the Order as “registrants”). There are provisions in Part 4 relating to entitlement to entry in the Register, the procedure for dealing with applications for entry and for the renewal of an entry in the Register and for annotating the Register to denote specialisations. Provision is also made in Part 4 for the notification of decisions and the time limits within which certain applications need to be processed, for the form and keeping of the Register and for public access to certain information contained in lists derived from the Register. Prospective registrants must be appropriately qualified, fit to practise and, where appropriate, have met additional requirements as to education, training, experience and continuing professional development (article 20). There is also provision in Part 4 for the recognition of qualifications and of

additional education, training and experience (articles 21 and 22). All registrants are also required to have in place adequate and appropriate professional indemnity arrangements (article 32). In addition to provision for the Registrar to enter in the Register visiting pharmacists and pharmacy technicians from relevant European States (article 33 and Schedule 2). Part 4 contains provision for the Registrar to temporarily enter in the Register a pharmacist or pharmacy technician, or a group of pharmacists or pharmacy technicians, when advised by the Secretary of State of the existence of emergency circumstances involving loss of life or human illness etc (article 34). Part 4 also contains offences relating to entries in the Register and the unlawful use of notices or certificates of registration and also restricts the use of the professional title “pharmacist” and “pharmacy technician” to registrants (article 38). There are provisions in respect of appealable decisions (articles 39 and 40) including provision for appealing from the Appeals Committee against such decisions to a court of law (article 41).

Part 5 makes provision in respect of the education, training and continuing professional development of registrants and prospective registrants. The Council is under a duty to publish and promote the standards of proficiency that it must set for the safe and effective practice of pharmacy which it is necessary for a person to achieve in order to be entered in the Register. The Council is also under a duty to establish and promote the standards of pre-registration education and training necessary to achieve those standards of proficiency. In this regard, the Council has a number of specific obligations relating to pre-registration education and training of prospective registrants. Part 5 includes other provision relating to the pre-registration education and training of prospective registrants including the approval of qualifications, courses and providers of education and training (including institutions and tutors). Similar provision is made in respect of the Council’s duty to establish and promote the standards of proficiency that it is necessary for registrants to maintain in order to be retained in the Register (article 42). The Council is under a duty to establish and promote the standards of continuing professional development necessary for a registrant to achieve and maintain those standards of proficiency, to adopt a framework setting out the requirements and conditions in respect of a registrant’s continuing professional development and to make rules in respect of persons who fail to comply with the requirements or conditions of the framework (article 43).

Part 6 makes provision relating to the fitness to practise of registrants. The Council is to establish the professional standards expected of registrants (article 48) and the Council has powers to obtain information from third parties about a particular registrant (article 49). The Council may also publish any information about the fitness to practise of registrants where it is in the public interest to do so (article 50). Provision is included in Part 6 about what it means for fitness to practise to be impaired (article 51) and a framework is set out within which allegations of impairment are to be considered. Usually, cases will firstly be considered by the Registrar who will then refer them to the Investigating Committee. The Investigating Committee has power to deal with the case by way of issuing warnings or giving advice. In addition, the Fitness to Practise Committee may suspend registrants or attach conditions to their entry in the Register and may also direct that the registrant be removed from the Register (article 54). Provision also exists in Part 6 for the review of earlier decisions to suspend a registrant or to impose conditions on a registrant’s entry in the Register. The Council may also establish a scheme of professional performance assessments to assist the Registrar, the Investigating Committee and the Fitness to Practise Committee (article 55). Provision is also made for interim orders suspending a registrant’s entry in the Register or attaching temporary conditions to an entry in the Register while an investigation is ongoing (article 56). If a registrant has been removed from the Register for fitness to practise reasons, there are arrangements for allowing that registrant to be restored to the Register in defined circumstances (article 57). Provision is also made for appeals to the courts against appealable fitness to practise decisions (article 58) and in respect of when fitness to practise decisions are to take effect – including provision for temporary measures pending the outcome of an appeal, if a decision is being appealed (articles 59 and 60).

Part 7 contains provisions relating to proceedings before the Investigating Committee, the Fitness to Practise Committee or the Appeals Committee. Essentially, these matters are to be provided for in

rules. However, there are particular provisions relating to the use of legal, clinical and other specialist advisers. There are also provisions for dealing with witness summonses and orders for the production of documents which may be enforced through the courts (articles 61 to 64).

Part 8 makes miscellaneous provision which includes giving the Council a general power to charge fees which must not be used in relation to areas where there are specific charging arrangements under the Order (article 65). Provision is also made about the making of rules by the Council under this Order (article 66), the designation of the Council as the competent authority in Great Britain for the purposes of certain provisions of the Directive (article 67), for the amendments, repeals, revocations and transitional provisions and savings that are set out in Schedules 4, 5 and 6 (articles 68 and 69) and for the Privy Council procedures which are to apply in respect of the making of rules under this Order (article 70).

Consequential amendments, revocations and repeals (including the revocation of the 2007 Order) are made in respect of other legislation (Schedule 4) which are mostly minor in nature and are required to reflect the establishment of the Council and the creation of the Register. However, significant amendments have been made to sections 71 to 80 of Part 4 of the Medicines Act 1968 in order to reflect the new criteria and procedures for registration which are to apply in respect of premises at which a retail pharmacy business is conducted. In addition, twelve new sections have been inserted into the Part 4 of that Act (new sections 74A to L) which provide for the registration of premises in Great Britain and make supplemental provision in respect of that registration. These new provisions also enable the voluntary removal of registered pharmacies from the Register, the temporary registration of pharmacies in emergency circumstances and for temporary annotations to the Register to be made in respect of registered pharmacies entered in the Register under the new emergency registration provision. Significant amendments have also been made to section 9 of the Poisons Act 1972 the effect of which are to remove the function of inspecting registered pharmacies, previously undertaken by the Society, from that legislation and to confer that function on the Council.

Schedule 5 makes provision relating to the transition from the Society to the Council. In particular, it ensures that there is continuity of membership of the committees (paragraph 2), that outstanding applications for registration in the registers held by the Society are dealt with by the Council, that entries in the old registers are transferred over to the new Register established and maintained by the Council under this Order (paragraphs 3 and 4). Provision is also made for appeals in respect of appealable registration decisions that are pending before the Society immediately before the establishment of the Council to be dealt with by the Council (paragraph 5) and for appeals in respect of appealable registration decisions in relation to which the time limit for bringing an appeal has not expired before the establishment of the Council to be dealt with by the Council (paragraph 6). In addition, it allows pharmacy technicians, in certain cases, to be registered up to July 2011 even if they are not appropriately qualified (paragraph 7) and to be exempt from committing certain offences (paragraph 8). It preserves the validity of education, training and experience being undertaken at the point of change (paragraph 9). It provides for certain provisions of the Medicines Act 1968 as amended by Schedule 4 to this Order to have effect in relation to premises entered in the Register pursuant to paragraph 3(4) of Schedule 5 (paragraph 10). It allows outstanding fees to be collected by the Council (paragraph 11), for the Council to deal with outstanding fitness to practise proceedings or proceedings in respect of premises in accordance with the rules previously applying or in such other manner as it thinks fit (paragraphs 12 to 14, and requires the Society to supply necessary information to the Council (paragraph 15). It treats the transfer from the Society to the Council as a relevant transfer for the purpose of the Transfer of Undertakings (Protection of Employment) Regulations 2006 (S.I.2006/246) (paragraph 16) and allows for an order to be made in respect of the transfer of property, rights and liabilities from the Society to the Council (paragraph 17) and any necessary grants or loans necessary as a result of the transfer (paragraph 18). Finally, further transitional measures are made in respect of the cancellation of elections to the Council of the Society and the appointment of members of the Council of the Society as members of the Council (paragraph 19).
