(3) Paragraph (1) does not apply to a pupil if it appears to the principal from a record of a previous assessment under that paragraph that such an assessment has already been carried out in relation to that pupil at another school.

(4) Regulations may enable the principal of a primary school, in such cases or circumstances and subject to such conditions as may be prescribed, to direct—

- (a) that paragraph (1) is not to apply to a particular pupil at the school; or
- (b) that, for the purposes of the assessment under that paragraph of a particular pupil at the school, the baseline assessment arrangements are to have effect with such modifications as are specified in the direction.

### **Baseline assessment arrangements**

9.—(1) The Department shall by order specify the arrangements for baseline assessment.

- (a) the determination, in respect of each financial year of the board, of the budget share of each school required to be covered by the scheme in the year; and
- (b) in the case of controlled and maintained schools, the delegation by the board of the management of a school's budget share for a financial year to the Board of Governors of the school where such delegation is required by or under the scheme.

### **Preparation and imposition of schemes**

**47.**—(1) A scheme prepared by a board under Article 46 shall be submitted to the Department on or before such date as the Department may direct.

(2) In preparing a scheme under that Article a board shall take into account any guidance given by the Department as to the provisions it regards as appropriate for inclusion in the scheme.

(3) The Department shall publish any guidance given by it for the purposes of this Article in such manner as it thinks fit.

(4) Before preparing such a scheme a board shall consult—

- (a) the Board of Governors of every relevant school;
- (b) the Council for Catholic Maintained Schools; and
- (c) such bodies or persons as appear to the board to represent the interests of the Boards of Governors of voluntary grammar schools and grant-maintained integrated schools.

(5) The Department may request a board to furnish such information in connection with any scheme submitted to the Department as the Department may require, including information as to the results of consultations under paragraph (4).

- (6) Such a scheme shall not come into operation until it has been approved by the Department or until such date as the Department may, in giving its approval, specify; and the Department may approve such a scheme—
- (a) either without modifications or with such modifications as it thinks fit after consulting the board concerned; and
  - (b) subject to such conditions as it may specify in giving its approval.
- (7) If in the case of any board either—
- (a) the board fails to submit a scheme as required by paragraph (1); or
  - (b) it appears to the Department that a scheme submitted by the board as required by that paragraph does not accord with any guidance given by it for the purposes of this Article and cannot be made to do so merely by modifying it, the Department may, after consulting the board and such other persons as it thinks fit, impose a scheme making such provision of a description required to be made by a scheme under Article 46 in relation to the financing by the board of relevant schools as it considers appropriate.
- (8) A scheme imposed by the Department by virtue of paragraph (7)—
- (a) shall be treated as if made under Article 46 by the board concerned; and
  - (b) shall come into operation on such date as may be specified in the scheme.

#### **Replacement and variation of schemes**

**48.**—(1) Subject to the following provisions of this Article, a scheme may be replaced or varied by a subsequent scheme made under Article 46 by the board concerned.

(2) Subject to paragraph (5), Article 47(2) to (6) shall apply for the purposes of a scheme replacing or varying a previous scheme.

(3) A scheme prepared by a board under Article 46 which—

- (a) replaces a previous scheme; or
- (b) makes any significant variation of a previous scheme, shall be submitted to the Department for its approval.

(4) A scheme under Article 46 varying a previous scheme which is not required by paragraph (3) (b) to be submitted to the Department for its approval is referred to below in this Article as a “minor variation scheme”.

(5) Paragraphs (4) to (6) of Article 47 shall not apply in relation to a minor variation scheme and such a scheme shall come into operation on such date as is specified in the scheme.

(6) The Department may give directions specifying what descriptions of variation are to be regarded as significant for the purposes of paragraph (3)(b).

(7) Where a board proposes to make a scheme under Article 46 which in its opinion is a minor variation scheme, the board shall notify the Department in writing of its proposal, giving brief particulars of the nature of the variations proposed to be made by the scheme.

(8) If so required by the Department before the end of the period of two months beginning with the date on which it receives notification under paragraph (7) of the board’s proposal, the board shall send to the Department a copy of the board’s proposed scheme.

(9) It shall be for the Department to determine whether or not any variation proposed to be made by the scheme falls within any description of variation specified in directions under paragraph (6).

(10) A scheme made under Article 46 may also be varied by a direction given by the Department, as from such date as may be specified in the direction.

(11) Before giving such a direction the Department shall consult—

- (a) the board concerned;
- (b) the Council for Catholic Maintained Schools; and
- (c) such bodies or persons as appear to the Department to represent the interests of the Boards of Governors of voluntary grammar schools and grant-maintained integrated schools.

*Provision by a scheme for determination of budget shares*

**Calculation of board’s aggregated budget**

**49.**—(1) The part of a board’s general schools budget for a financial year which is available for allocation to individual schools under a scheme (and as such constitutes the board’s “aggregated budget” for the year under the scheme) is the amount remaining after deducting from the amount of the board’s general schools budget for the year the amount of any expenditure of the board in the year on excepted heads or items of expenditure.

(2) In paragraph (1) “amount” means an amount determined (and from time to time revised) in accordance with the scheme.

(3) In this Chapter “excepted heads or items of expenditure” means heads or items of expenditure which in accordance with the scheme fall to be left out of account in determining the board’s aggregated budget for the year.

**Application of the allocation formula**

**50.**—(1) The provision to be included in a scheme for determining the budget share for a financial year of each school required to be covered by the scheme in that year shall require that share to be determined (and from time to time revised) by the application of the allocation formula under the scheme.

(2) For the purposes of this Chapter the “allocation formula” under a scheme is a formula laid down by the scheme for the purpose of dividing among all schools required to be covered by the scheme in any financial year the board’s aggregated budget for the year.

(3) In paragraph (2) “formula” includes methods, principles and rules of any description, however expressed.

(4) The allocation formula under a scheme—

- (a) shall include provision for taking into account, in the case of each school required to be covered by the scheme in any financial year, the number and ages of pupils who are, or who the board expects to be, registered at the school on such date or dates (whether before or during that year) as may be determined by or under the scheme;
- (b) shall include provision for taking into account any factors affecting the particular needs of any class or description of school required to be covered by the scheme;
- (c) may include provision for taking into account any other factors affecting the needs of individual schools which are subject to variation from school to school (including, in particular, the number of registered pupils at a school who have special educational needs and the nature of the special educational provision required to be made for them).

(5) Notwithstanding anything in any other statutory provision (including any provision of the Education Orders), the allocation formula under a scheme may, in relation to a grammar school having a preparatory department, make special provision for the determination of the budget share of that school in so far as it relates to the preparatory department.

(6) The special provision made by virtue of paragraph (5) may include provision the effect of which is that the budget share of the school, in so far as it relates to the preparatory department, is substantially less than it would have been but for that provision.

(7) In paragraphs (5) and (6) “preparatory department”, in relation to a grammar school, means that part of the school in which primary education is provided.

(8) A scheme shall provide for all amounts relevant to the determination of a school’s budget share under the scheme for a financial year to be determined initially before the beginning of that year.

### **Premature retirement compensation costs**

**51.**—(1) This Article applies in any financial year if—

- (a) in the case of any board, the board’s financial provision for relevant schools is subject to regulation by a scheme; and
- (b) in accordance with that scheme, premature retirement compensation costs of the board in relation to members of the staff of relevant schools are not included in the board’s aggregated budget for that year.

(2) Premature retirement compensation costs of a board in relation to a member of the staff of a relevant school shall not be met from the budget share of that school, except in pursuance of, and in accordance with the terms of, a direction under paragraph (3).

(3) Where there appears to a board to be good reason to do so in relation to any school, the board may direct that—

- (a) a specified amount shall be deducted from the budget share of the school in any single specified financial year; or
- (b) a specified amount shall be deducted from the budget share of the school in each financial year for such period (not exceeding 10 years) as may be specified, in respect of premature retirement compensation costs of the board in relation to a member of the staff of the school; and in this paragraph “specified” means specified in a direction under this paragraph.

(4) Before giving a direction under paragraph (3) in relation to a Catholic maintained school, the board shall consult the Council for Catholic Maintained Schools.

(5) The amount or (in a case falling within sub-paragraph (b) of that paragraph) the total amount to be deducted from the budget share of a school in pursuance of a direction given under paragraph

(3) in relation to a member of the staff of a school shall not exceed such amount as appears to the board to represent the cost, capitalised as of the date on which the direction is given, of discharging the board’s liability to pay premature retirement compensation to, or in respect of, that member of staff.

(6) In relation to a controlled or maintained school, sub-paragraph (5) of paragraph 7 of Schedule 2 applies for the purposes of paragraph (3) of this Article as it applies for the purposes of sub-paragraph

(4) of that paragraph.

(7) In this Article—

“member of staff” includes former member of staff;

“premature retirement compensation” means compensation under Parts III and IV of the Teachers' (Compensation for Redundancy and Premature Retirement) Regulations (Northern Ireland) 1991;

“premature retirement compensation costs of a board”, in relation to any person, means the costs incurred or to be incurred by the board in paying premature retirement compensation to, or in respect of, that person.

*Financial delegation in respect of controlled and maintained schools*

**Provision by a scheme for financial delegation**

**52.—**(1) A scheme shall include provision for requiring, in the case of each controlled or maintained school required to be covered in any financial year by the scheme, the delegation by the board to the Board of Governors of the school of the management of the school’s budget share for that year.

(2) Any provision included in a scheme by virtue of paragraph (1) is referred to in this Chapter as the “delegation requirement” under the scheme.

(3) Where a new controlled or maintained school is established and is required to be covered by a scheme, then if apart from this paragraph the delegation requirement would apply in relation to that school, that requirement shall not apply in relation to the school until such date as may be specified in the scheme in relation to the school.

(4) In the following provisions of this Chapter—

- (a) references to a school in respect of which financial delegation is required for a financial year under a scheme are to a controlled or maintained school managed by a Board of Governors to which the board is for the time being required by or under the scheme to delegate the management of the school’s budget share for the year (and the Board of Governors of such a school is said to have a right to a delegated budget for the year); and
- (b) references to a school which has a delegated budget are to a controlled or maintained school managed by a Board of Governors to which a board has for the time being delegated the management of the school’s budget share for a financial year in pursuance of a scheme.

**Conditions as to delegation**

**53.** Any delegation under a scheme of the management of a school’s budget share shall be subject to such conditions—

- (a) as may be imposed by the scheme; or
- (b) as may be imposed under the scheme by the board with the approval of the Department.

**Effect of financial delegation**

**54.—**(1) This Article applies where a board’s financial provision for relevant schools is subject to regulation by a scheme.

(2) In the case of any controlled or maintained school in respect of which financial delegation is required for a financial year under the scheme, the board shall put at the disposal of the Board of Governors in respect of the year a sum equal to the school’s budget share for the year, to be spent for the purposes of the school.

(3) The times at which, and the manner in which, any such sum is put at the disposal of the Board of Governors shall be such as may be provided by or under the scheme.

(4) A board may not delegate to the Board of Governors of any controlled or maintained school required to be covered by the scheme in a financial year the power to spend any appropriated amount otherwise than as required under the scheme; and for this purpose “appropriated amount” means a sum appropriated by the board for the purposes of the school in that year.

(5) The Board of Governors of a school which has a delegated budget—

- (a) shall be entitled, subject to any provision made by or under the scheme, to spend any sum made available to it in respect of the school’s budget share for a financial year as it thinks fit for the purposes of the school; and

(b) may delegate to the principal, to such extent as may be permitted by or under the scheme, its power under sub-paragraph

(a) in relation to any part of that sum.

(6) The members of the Board of Governors of a school shall not incur any personal liability in respect of anything done in good faith in the exercise or purported exercise of their powers under paragraph (5).

### **Suspension of financial delegation for mismanagement, etc.**

**55.**—(1) Where it appears to the board, in the case of any school in respect of which financial delegation is required for the current financial year under a scheme, that the Board of Governors of the school—

(a) has been guilty of a substantial or persistent failure to comply with any requirements or conditions applicable under the scheme; or

(b) is not managing the appropriation or expenditure of the sum put at its disposal for the purposes of the school in a satisfactory manner, the board may suspend the Board of Governors' right to a delegated budget by giving the Board of Governors (subject to paragraph (4)) not less than one month's notice of suspension.

(2) Any notice under paragraph (1) shall specify the grounds for the proposed suspension, giving particulars of any alleged failure on the part of the Board of Governors to comply with any requirements or conditions applicable under the scheme and of any alleged mismanagement on its part.

(3) A copy of the notice shall be given to—

(a) the principal of the school;

(b) the Department; and

(c) where the school is a Catholic maintained school, the Council for Catholic Maintained Schools, at the same time as the notice is given to the Board of Governors.

(4) A board may suspend the right mentioned in paragraph (1) of any Board of Governors to which it has given notice under that paragraph before the expiry of the period of notice if it appears to the board to be necessary to do so by reason of gross incompetence or mismanagement on the part of the Board of Governors or other emergency.

(5) A board may withdraw a notice given under paragraph (1) at any time before the expiry of the period of notice.

(6) If the board exercises its power under paragraph (4) or (5), it shall immediately give written notification of its action and, in the case of action under paragraph (4), of the reasons for it to—

(a) the Board of Governors and principal of the school;

(b) the Department; and

(c) where the school is a Catholic maintained school, the Council for Catholic Maintained Schools.

(7) During any period when a Board of Governors' right to a delegated budget is suspended under this Article, the duty of the board under Article 54(2) shall not apply in relation to that Board of Governors.

### **Review of suspension**

**56.**—(1) It shall be the duty of the board concerned—

- (a) to review before the beginning of every financial year any suspension under Article 55 which is for the time being in force;
  - (b) for the purposes of that review, to afford—
    - (i) the Board of Governors of the school concerned;
    - (ii) the principal of the school concerned; and
    - (iii) where the school is a Catholic maintained school, the Council for Catholic Maintained Schools, an opportunity for making representations with respect to the suspension and to have regard to any representations made by the Board of Governors, the principal or that Council;
  - (c) to revoke any such suspension where the board considers it appropriate to do so.
- (2) The board shall give—
- (a) the Board of Governors concerned;
  - (b) the principal of the school concerned;
  - (c) the Department; and
  - (d) where that school is a Catholic maintained school, the Council for Catholic Maintained Schools, written notification of its decision on any such review.
- (3) The revocation of a suspension on a review under this Article shall take effect as from the beginning of the financial year next following the review.

**Appeal against suspension or refusal to revoke it**

- 57.**—(1) A Board of Governors shall be entitled to appeal to the Department against—
- (a) the imposition of any suspension under Article 55; or
  - (b) any refusal of a board to revoke any such suspension on a review under Article 56.
- (2) On an appeal under this Article, the Department—
- (a) may allow or reject the appeal; and
  - (b) shall have regard, in making its determination, to the gravity of the default on the part of the Board of Governors and the likelihood of its continuing or recurring.

**Financial delegation: staff**

- 58.**—(1) The following matters in relation to staff at controlled and maintained schools with delegated budgets, namely—
- (a) the determination of staff complements;
  - (b) the regulation of conduct and discipline of staff;
  - (c) the suspension and dismissal of staff; and
  - (d) the making of payments in respect of dismissals or resignations of staff, shall be subject to Schedule 2.
- (2) A scheme may provide for applying this Article and Schedule 2 in relation to persons employed to work—
- (a) partly for the purposes of school activities and partly for the purposes of non-school activities (that is to say, activities, other than school activities, carried on on the school premises and wholly or mainly under the management or control of the Board of Governors of the school); or

- (b) solely for the purposes of non-school activities, as if all such activities were school activities.

*Financing by boards of special schools*

**Application of schemes to special schools**

- 59.**—(1) The Department may by regulations provide for requiring or authorising schemes—
- (a) to cover controlled or maintained special schools;
  - (b) to include provision, in the case of any such school which by virtue of any regulations made under sub-paragraph (a) is required or authorised to be covered by a scheme, for the delegation by the board concerned of the management of the school’s budget share for any financial year to the Board of Governors of the school.
- (2) Regulations under this Article—
- (a) may make in any provisions of this Chapter such amendments as appear to the Department to be required in consequence of any provision made in those regulations by virtue of paragraph (1); and
  - (b) may provide that any scheme shall have effect with such modifications as appear to the Department to be appropriate in consequence of any provision so made. Duty on board to make a sum of money available to Board of

- (2) A Board of Governors to which any sum is made available under this Article—

(3) The members of the Board of Governors of a school shall not incur any personal liability in respect of anything done in good faith in the exercise or purported exercise of any power under paragraph (2).

(4) Where a new special school is established and is not covered by a scheme, paragraph (1) shall not apply in relation to the school until such date as the Department may direct.

(5) Before specifying any heads of expenditure under paragraph (1), the board shall consult the Board of Governors of every special school appearing to it to be concerned and the Council for Catholic Maintained Schools and before giving any directions under paragraph (1), the Department shall consult all the boards, the Council for Catholic Maintained Schools and any other person with whom consultation appears to it to be desirable.

      - (i) the Board of Governors of the school; and

    - (a) that the number of registered pupils at the school is too small for sufficient and suitable instruction to be provided for them at reasonable cost;
    - (b) that the Board of Governors has failed for a significant period of time to carry out its duties under Part III of the 1989 Order;

- (a) not less than 3 months after the date on which the notice of variation is given to the Board of Governors; and
- (b) where the time so specified has been extended under paragraph (7)(a), not earlier than that time as so extended.

(10) Any variation under paragraph (9) of the time specified in a notice under paragraph (4) is without prejudice to any further extension of that time under paragraph (7).

## SCHEDULE 4

Article 88(3).

### CERTIFIED CONTRACTS OF A BOARD

#### *Certified contracts assumed to be intra vires*

1.—(1) Where a board has entered into a contract, the contract shall, if it is a certified contract, have effect (and be deemed always to have had effect) as if the board had had power to enter into it (and had exercised that power properly in entering into it).

(2) For the purposes of this Schedule a contract entered into by a board is a certified contract if (and, subject to sub-paragraphs (3) and (4), only if) the certification requirements have been satisfied by the board with respect to the contract and they were so satisfied before the end of the certification period.

(3) A contract entered into by a board shall be treated as a certified contract during the certification period if the contract provides that the certification requirements are intended to be satisfied by the board with respect to the contract before the end of that period.

(4) Where a board has entered into a contract which is a certified contract (“the existing contract”) and the existing contract is replaced by a contract entered into by it with a person or persons not identical with the person or persons with whom it entered into the existing contract, the replacement contract is also a certified contract if—

- (a) the period for which it operates or is intended to operate ends at the same time as the period for which the existing contract was to operate; and
- (b) apart from that, its provisions are the same as those of the existing contract.

(5) Subject to sub-paragraph (6), in this Schedule “the certification period”, in relation to a contract entered into by a board, means the period of 6 weeks beginning with the day on which the board entered into the contract.

(6) In relation to a contract entered into before the day on which this paragraph comes into operation, “the certification period” means the period of 6 weeks beginning with that day.

(7) Sub-paragraph (1) is subject to paragraph 3 (special provisions about judicial reviews).

(8) The application of sub-paragraph (1) in relation to a contract entered into by a board does not affect any claim for damages made by a person who is not (and has never been) a party to the contract in respect of a breach by the board of any duty to do, or not to do, something before entering into the contract (including, in particular, any such duty imposed by a statutory provision for giving effect to any Community obligation relating to public procurement or by Article 20 of the Education and Libraries (Northern Ireland) Order 1993).

#### *The certification requirements*

2.—(1) In this Schedule “the certification requirements”, in relation to a contract entered into by a board, means the requirements specified in sub-paragraphs

(2) to (4).

(2) The requirement specified in this sub-paragraph is that the board must have issued a certificate (whether before or after the contract is entered into)—

- (a) including details of the period for which the contract operates or is to operate;
- (b) describing the purpose of the contract;
- (c) containing a statement that the contract is or is to be a contract falling within sub-paragraph (5) or (6);

*Status: This is the original version (as it was originally made).*

- (d) stating that the board had or has power to enter into the contract and specifying the statutory provision, or each of the statutory provisions, conferring the power;
  - (e) stating that a copy of the certificate has been or is to be given to each person to whom a copy is required to be given by regulations;
  - (f) dealing in a manner prescribed by regulations with any matters required by regulations to be dealt with in certificates under this paragraph; and
  - (g) confirming that the board has complied with or is to comply with any requirement imposed by regulations with respect to the issue of certificates under this paragraph.
- (3) The requirement specified in this sub-paragraph is that the board must have secured that the certificate is signed by any person who is required by regulations to sign it.
- (4) The requirement specified in this sub-paragraph is that the board must have obtained consent to the issue of a certificate under this paragraph from each of the persons with whom the board has entered, or is to enter, into the contract.
- (5) A contract entered into by a board falls within this sub-paragraph if—
- (a) it is entered into with another person for the provision or making available of services (whether or not together with assets) for the purposes of, or in connection with, the discharge by the board of any of its functions; and
  - (b) it operates, or is intended to operate, for a period of at least 5 years.
- (6) A contract entered into by a board falls within this sub-paragraph if it is entered into, in connection with a contract falling within sub-paragraph (5), with—
- (a) a person who, in connection with that contract, makes a loan to, or provides any other form of finance for, a party to that contract other than the board; or
  - (b) any insurer of or trustee for such a person.
- (7) The Department may by regulations subject to affirmative resolution amend sub-paragraph (5) or (6).
- (8) Where the certification requirements have been satisfied in relation to a contract by a board, the certificate which has been issued shall have effect (and be deemed always to have had effect) as if the board had had power to issue it (and had exercised that power properly in issuing it); and a certificate which has been so issued is not invalidated by reason that anything in the certificate is inaccurate or untrue.
- (9) Where the certification requirements have been satisfied in relation to a contract by a board, the board shall secure that throughout the period for which the contract operates—
- (a) a copy of the certificate which has been issued is open to inspection by members of the public at all reasonable times without payment; and
  - (b) members of the public are afforded facilities for obtaining copies of that certificate on payment of a reasonable fee.

*Special provision for judicial review*

**3.—**(1) Paragraph 1(1) does not apply for the purposes of determining any question arising on an application for judicial review as to whether a board had power to enter into a contract (or exercised any power properly in entering into a contract).

(2) Paragraph 1(1) has effect subject to any determination or order made in relation to a certified contract on an application for judicial review.

(3) Where, on an application for judicial review relating to a certified contract entered into by a board, a court—

- (a) is of the opinion that the board did not have power to enter into the contract (or exercised any power improperly in entering into it); but
  - (b) (having regard in particular to the likely consequences for the financial position of the board, and for the provision of services to the public, of a decision that the contract should not have effect) considers that the contract should have effect, the court may determine that the contract has (and always has had) effect as if the board had had power to enter into it (and had exercised that power properly in entering into it).
- (4) In this paragraph and paragraphs 4 and 5 references to an application for judicial review include any appeal (or further appeal) against a determination or order made on such an application.

#### *Relevant discharge terms*

4.—(1) No determination or order made in relation to a certified contract on an application for judicial review shall affect the enforceability of any relevant discharge terms relating to the contract.

(2) In this paragraph and paragraph 5 “relevant discharge terms”, in relation to a contract entered into by a board, means terms—

- (a) which have been agreed by the board and any person with whom the board entered into the contract;
  - (b) which either form part of the contract or constitute or form part of another agreement entered into by them not later than the day on which the contract was entered into; and
  - (c) which provide for a consequence mentioned in sub-paragraph (3) to ensue in the event of the making of a determination or order in relation to the contract on an application for judicial review.
- (3) Those consequences are—
- (a) the payment of compensatory damages (measured by reference to loss incurred or loss of profits or to any other circumstances) by one of the parties to the other;
  - (b) the adjustment between the parties of rights and liabilities relating to any assets provided or made available under the contract; or
  - (c) both of those things.

(4) Where a board has agreed relevant discharge terms with any person with whom it has entered into a contract and the contract is a certified contract, the relevant discharge terms shall have effect (and be deemed always to have had effect) as if the board had had power to agree them (and had exercised that power properly in agreeing them).

#### *Absence of relevant discharge terms*

5.—(1) Sub-paragraph (2) applies where—

- (a) the result of a determination or order made by a court on an application for judicial review is that a certified contract does not have effect; and
- (b) there are no relevant discharge terms having effect between the board and a person who is a party to the contract.

(2) That person shall be entitled to be paid by the board such sums (if any) as he would have been entitled to be paid by the board if the contract—

- (a) had had effect until the time when the determination or order was made; but
- (b) had been terminated at that time by acceptance by him of a repudiatory breach by the board.

*Status: This is the original version (as it was originally made).*

(3) For the purposes of this paragraph the circumstances in which there are no relevant discharge terms having effect between the board and a person who is a party to the contract include (as well as circumstances in which no such terms have been agreed) circumstances in which the result of a determination or order of a court, made (despite paragraph 4(4)) on an application for judicial review, is that such terms do not have effect.
