 - (ii) in the event that the registrant is found to have given false or misleading information in connection with the application, that may be treated as misconduct for the purposes of article 51(1)(a) of the Order which may result in the removal of the registrant's entry from the relevant part of the Register; and
 - (d) require the registrant to sign and date the application.
- (5) If a registrant has not received an application form for the renewal of the registrant's entry in Part 1 or, as the case may be, Part 2 of the Register by the beginning of the period of three months before the date on which the registrant's entry in the Register would cease to be valid if not renewed, the registrant must notify the Registrar accordingly.

PART 4

Fraudulent and incorrect entries: Parts 1, 2, 4 and 5 of the Register

Notice of Intention to Remove: stage 1

18.—(1) Paragraph (2) applies where the Registrar has reasonable grounds for believing—

- (a) that the entry of a registrant (“R”) in Part 1 or, as the case may be, Part 2, 4 or 5 of the Register may have been fraudulently procured or incorrectly made; or
- (b) that R’s fitness to practise was impaired at the time when R was entered in the relevant part of the Register and R had not informed the Registrar of the relevant matter before R’s name was entered in that part of the Register.

(2) In the circumstances set out in paragraph (1), the Registrar—

- (a) may serve a Notice of Intention to Remove on R which notifies R in writing that the Registrar is considering whether to remove R’s entry from the relevant part of the Register; and
- (b) must consider whether or not to refer the matter to the Fitness to Practise Committee under rule 6(7) of the Fitness to Practise Rules.

(3) If the Registrar has reasonable grounds for believing that R’s fitness to practise is impaired, the Registrar may decide to refer the matter to the Fitness to Practise Committee in accordance with rule 6(7) of the Fitness to Practise Rules instead of serving a Notice of Intention to Remove on R.

(4) Before serving a Notice of Intention to Remove on R, the Registrar may make such inquiries, including the instruction of external agents and investigators, and the commissioning of medical reports, as the Registrar considers necessary or expedient.

(5) The Notice of Intention to Remove must—

- (a) set out the grounds for believing that—
 - (i) R’s entry in Part 1 or, as the case may be, Part 2, 4 or 5 of the Register may have been fraudulently procured or incorrectly made, or
 - (ii) R’s fitness was impaired at the time of R’s entry in the relevant part of the Register and R had not informed the Registrar of the relevant matter before R’s name was entered in that part of the Register;
- (b) be accompanied by copies of any evidence that is in a form which can be copied and on which the Registrar would rely in any proceedings under this Part to remove R’s entry from the relevant part of the Register;
- (c) invite R to submit written representations and any relevant evidence to the Registrar no later than 28 days after service of the Notice, as to why R’s entry in the relevant part of the Register should not be removed;
- (d) inform R that, should R fail to submit written representations to the Registrar within the period stipulated in sub-paragraph (c), R’s entry in the relevant part of Register will be removed; and
- (e) except in cases where the Registrar has reasonable grounds for believing that R’s entry in the relevant part of the Register was incorrectly made, invite R to indicate whether or not R wishes the matter to be considered at a hearing.

(6) In this Part, “the relevant matter” means—

- (a) any matter referred to in article 51(1)(e) to (n) of the Order which exists in relation to R; or
- (b) any adverse report relating to R’s physical or mental health.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Subsequent action by Registrar: stage 2

19.—(1) Where the Registrar has issued a Notice of Intention to Remove and has not received any representations from R within the period stipulated in rule 18(5)(c), the Registrar must remove R's entry from Part 1 or, as the case may be, Part 2, 4 or 5 of the Register.

(2) Where the Registrar receives representations from R within the period stipulated in rule 18(5)(c), the Registrar—

- (a) must consider the representations and any evidence received; and
- (b) may make such further inquiries (including obtaining legal advice) as the Registrar considers necessary.

(3) The Registrar must close the matter and advise R accordingly where the Registrar is satisfied that—

- (a) R's entry in the relevant part of the Register was not fraudulently procured or incorrectly made; or
- (b) R's fitness to practise was not impaired at the time R's name was entered in the relevant part of the Register, or that it was so impaired but that R had informed the Registrar of the relevant matter before R's name was entered in that part of the Register.

(4) Where the Registrar is minded to determine that—

- (a) R's entry in Part 1 or, as the case may be, Part 2, 4 or 5 of the Register was fraudulently procured or incorrectly made; or
- (b) R's fitness to practise was impaired at the time R's name was entered in the relevant part of the Register and R had not informed the Registrar about the relevant matter before R's name was entered in that part of the Register,

if the Registrar is minded to rely, when making that determination, on evidence that was obtained as a result of the Registrar's further inquiries, paragraph (5) applies, but in all other cases, the Registrar must determine the matter in accordance with rule 20(1)(b) or (2).

(5) Where this paragraph applies, the Registrar must send to R the additional evidence on which the Registrar is minded to rely, and if R has not already requested a hearing or is not entitled to one, invite R, no later than 28 days after service of the additional evidence—

- (a) to submit written representations and any relevant additional evidence to the Registrar; or
- (b) except in cases where the Registrar has reasonable grounds for believing that R's entry in Part 1 or, as the case may be, Part 2, 4 or 5 of the Register was incorrectly made, invite R once again to indicate whether or not R wishes the matter to be considered at a hearing.

Decisions in contested cases: stage 3

20.—(1) The Registrar must determine the matter if R does not request a hearing or is not entitled to one—

- (a) after the period stipulated in rule 19(5); or
- (b) if no such period need be stipulated, once the Registrar has taken a decision to that effect.

(2) Where R has requested a hearing (as a response to the invitation in the Notice of Intention to Remove or the notification under rule 19(5))—

- (a) the Registrar must refer the matter to the Fitness to Practise Committee, which must hold a hearing in accordance with rule 33 of the Fitness to Practise Rules, for the purposes of making findings of fact in relation to the matter and advising the Registrar accordingly; and
- (b) once the Registrar has received the advice of the Fitness to Practise Committee, the Registrar must determine the matter.

- (3) Where the Registrar determines that—
- (a) R's entry in Part 1 or, as the case may be, Part 2, 4 or 5 of the Register was fraudulently procured or incorrectly made; or
 - (b) R's fitness to practise was impaired at the time R's name was entered in the relevant part of the Register and R had not informed the Registrar of the relevant matter before R's name was entered in that part of the Register,

the Registrar must remove R's entry from the relevant part of the Register, in accordance with article 29(3) or 30(1) of the Order, whichever is appropriate in R's case.

- (4) Where the Registrar determines that—
- (a) R's entry in the relevant part of the Register was not fraudulently procured or incorrectly made; or
 - (b) R's fitness to practise was not impaired at the time R's name was entered in the relevant part of the Register, or that it was so impaired but that R had informed the Registrar of the relevant matter before R's name was entered in that part of the Register,

the Registrar must close the matter and notify R accordingly.

PART 6

Fraudulent and incorrect entries: Part 3 of the Register

Notice of Intention to Remove: stage 1

31.—(1) Paragraph (2) applies where the Registrar has reasonable grounds for believing that an entry of premises entered in Part 3 of the Register may have been fraudulently procured or incorrectly made.

- (2) In the circumstances set out in paragraph (1), the Registrar—
- (a) may serve a Notice of Intention to Remove on the person carrying on a retail pharmacy business at the premises (“P”) which notifies P in writing that the Registrar is considering whether to remove the entry of the premises entered in Part 3 of the Register to which the Notice relates from that part of the Register; and
 - (b) may, if the Registrar considers that the matter may constitute misconduct for the purposes of disqualification proceedings under section 80 of the Act (power for relevant disciplinary committee to disqualify and direct removal from the register), refer the matter to the relevant disciplinary committee.
- (3) Before serving a Notice of Intention to Remove on P, the Registrar may make such inquiries, including the instruction of external agents and investigators, as the Registrar considers necessary or expedient.
- (4) The Notice of Intention to Remove must—
- (a) set out the grounds for believing that the entry of the premises entered in Part 3 of the Register may have been fraudulently procured or incorrectly made;
 - (b) be accompanied by copies of any evidence that is in a form which can be copied and on which the Registrar would rely in any proceedings under this Part to remove the entry of the premises from Part 3 of the Register;
 - (c) invite P to submit written representations and any relevant evidence to the Registrar no later than 28 days after service of the Notice, as to why the entry of the premises entered in Part 3 of the Register should not be removed from that part of the Register;
 - (d) inform P that should P fail to submit written representations to the Registrar within the period stipulated in sub-paragraph (c), the entry of the premises entered in Part 3 of the Register will be removed from that part of the Register; and
 - (e) except in cases where the Registrar has reasonable grounds for believing that the entry of the premises entered in Part 3 of the Register was incorrectly made, invite P to indicate whether or not P wishes the matter to be considered at a hearing.

Subsequent action by Registrar: stage 2

32.—(1) Where the Registrar has issued a Notice of Intention to Remove and has not received any representations from P within the period stipulated in rule 31(4)(c), the Registrar must remove the entry of the premises from Part 3 of the Register.

(2) Where the Registrar does receive representations within the period stipulated in rule 31(4)(c), the Registrar—

- (a) must consider the representations and any evidence received; and
- (b) may make such further inquiries (including obtaining legal advice) as the Registrar considers necessary.

(3) The Registrar must close the matter and advise P accordingly where the Registrar is satisfied that the entry of the premises entered in Part 3 of the Register was not fraudulently procured or incorrectly made.

(4) Where the Registrar is minded to determine that the entry of the premises entered in Part 3 of the Register was fraudulently procured or incorrectly made, if the Registrar is minded to rely, when making that determination, on evidence that was obtained as a result of the Registrar's further inquiries, paragraph (5) applies, but in all other cases, the Registrar must determine the matter in accordance with rule 33(1)(b) or (2).

(5) Where this paragraph applies, the Registrar must send to P the additional evidence on which the Registrar is minded to rely, and if P has not already requested a hearing or is not entitled to one, invite P, no later than 28 days after service of the additional evidence—

- (a) to submit written representations and any relevant additional evidence to the Registrar; or
- (b) except in cases where the Registrar has reasonable grounds for believing that the entry of the premises entered in Part 3 of the Register was incorrectly made, invite P once again to indicate whether or not P wishes the matter to be considered at a hearing.

Decisions in contested cases: stage 3

33.—(1) The Registrar must determine the matter if P does not request a hearing or is not entitled to one—

- (a) after the period stipulated in rule 32(5); or
- (b) if no such period need be stipulated, once the Registrar has taken a decision to that effect.

(2) Where P has requested a hearing (as a response to the invitation in the Notice of Intention to Remove or the notification under rule 32(5))—

- (a) the Registrar must refer the matter to the relevant disciplinary committee for investigation for the purposes of making findings of fact in relation to the matter and advising the Registrar accordingly; and
- (b) once the Registrar has received the advice of the relevant disciplinary committee, the Registrar must determine the matter.

(3) Where the Registrar determines that the entry of the premises entered in Part 3 of the Register was fraudulently procured or incorrectly made, the Registrar must remove the entry of the premises from that part of the Register in accordance with article 29(3) of the Order.

(4) Where the Registrar determines that the entry of the premises entered in Part 3 of the Register was not fraudulently procured or incorrectly made, the Registrar must close the matter and notify P accordingly.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order approves The General Pharmaceutical Council (Registration) Rules 2010 (“the Rules”) made by the General Pharmaceutical Council (“the Council”) under the Pharmacy Order 2010 (S.I.2010/231) (“the Order”). The Rules set out various matters relating to the register established and maintained under article 19 of the Order (“the Register”).

Part 1 contains preliminary matters, including general provisions relating to the service of documents and the waiver and non-charging of fees in respect of applications under Parts 3 and 5 of the Rules. Provision is also made to enable the payment by direct debit in instalments or otherwise of fees in respect of applications.

Part 2 makes provision relating to the form and keeping of the Register. In particular, it requires the Register to be kept in writing and securely. Part 2 also contains provisions relating to the recording of fitness to practise matters and requiring registrants to notify the Registrar in writing of any changes to their name or contact details.

Part 3 makes detailed provision in respect of the form and manner of various applications relating to Parts 1 and 2 of the Register (pharmacists and pharmacy technicians). These applications relate to entries in and annotations in respect of specialisations made to entries in the Register and also to the renewal and restoration of such entries and annotations. Applications, which must be made on the relevant application form which must be in such form as the Council may from time to time determine, have to be accompanied by the fee prescribed in rules made under article 36 of the Order in respect of the application. Applications must generally be refused if they are not made within the prescribed time limit and if the prescribed fee is not paid. Provision is made for the voluntary removal of entries in, and annotations made to entries in, Parts 1 and 2 of the Register. Applications for the voluntary removal of an entry from the Register will generally be refused where there is an ongoing investigation or there are outstanding proceedings relating to a registrant’s fitness to practise. General provision is also included to enable applications to be made on line.

Part 4 contains a procedure to be followed by the Registrar for dealing with entries in Parts 1, 2, 4 and 5 of the Register that may have been fraudulently procured or incorrectly made, or where the fitness to practise of a registrant was impaired at the time of the registrant’s entry in the Register but this was not declared to the Registrar. In these cases, before determining the matter, the Registrar may serve a Notice of Intention to Remove, and the registrant may elect to have a hearing (which

will be before the Council's Fitness to Practise Committee) or for the case to be determined without a hearing. The Registrar must also consider whether or not to refer the matter to the Council's Fitness to Practise Committee.

Part 5 makes detailed provision in respect of the form and manner of various applications relating to Part 3 of the Register (registered pharmacies). These applications relate to entries of premises entered in, and annotations in respect of specialisations made to entries in, Part 3 of the Register and also to the renewal and restoration of such entries and annotations. Applications, which must be made on the relevant application form which must be in such form as the Council may from time to time determine, have to be accompanied by the fee prescribed in rules made under article 36 of the Order in respect of the application. Applications must generally be refused if they are not made within the prescribed time limit and if the prescribed fee is not paid. Similar provision to that contained in Part 3 of these Rules is also made for the voluntary removal of entries of premises entered in, and annotations in respect of specialisations made to entries of premises entered in, Part 3 of the Register. Applications for the voluntary removal of an entry from the Register will also generally be refused where there is an ongoing investigation or there are outstanding proceedings relating to the retail pharmacy business carried on at the registered pharmacy. General provision is also included to enable applications to be made on line.

Part 6 contains a procedure to be followed by the Registrar for dealing with entries of premises entered in Part 3 of the Register that may have been fraudulently procured or incorrectly made. In these cases, before determining the matter, the Registrar may serve a Notice of Intention to Remove on the person carrying on a retail pharmacy business at the premises entered in Part 3 of the Register, that person may elect for a hearing or for the case to be determined without a hearing. The Registrar must also consider whether the matter constitutes misconduct for the purposes of disqualification proceedings under section 80 of the Medicines Act 1968 (c.67)).
