Be it enacted by the Queen’s most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

GENERAL

CHAPTER I

THE STATUTORY SYSTEM OF EDUCATION

General

1 The stages of education

(1) The statutory system of public education consists of three progressive stages: primary education, secondary education and further education.

(2) This Part—
   (a) confers functions on the Secretary of State and local education authorities with respect to primary, secondary and further education; and
   (b) provides for functions with respect to primary and secondary education to be conferred on the funding authorities constituted under Chapter IV.
(3) Part I of the Further and Higher Education Act 1992 confers functions with respect to further education on the further education funding councils established under section 1 of that Act.

(4) Apart from section 10 (general duty of Secretary of State), nothing in this Act confers any functions with respect to higher education.

2 Definition of primary, secondary and further education

(1) In this Act “primary education” means —
(a) full-time education suitable to the requirements of junior pupils who have not attained the age of 10 years and six months; and
(b) full-time education suitable to the requirements of junior pupils who have attained that age and whom it is expedient to educate together with junior pupils within paragraph (a).

(2) In this Act “secondary education” means—
(a) full-time education suitable to the requirements of pupils of compulsory school age who are either—
(i) senior pupils, or
(ii) junior pupils who have attained the age of 10 years and six months and whom it is expedient to educate together with senior pupils of compulsory school age; and
(b) (subject to subsection (5)) full-time education suitable to the requirements of pupils who are over compulsory school age but under the age of 19 which is provided at a school at which education within paragraph (a) is also provided.

(3) Subject to subsection (5), in this Act “further education” means—
(a) full-time and part-time education suitable to the requirements of persons who are over compulsory school age (including vocational, social, physical and recreational training), and
(b) organised leisure-time occupation provided in connection with the provision of such education, except that it does not include secondary education or (in accordance with subsection (7)) higher education.

(4) Accordingly, unless it is education within subsection (2)(b), full-time education suitable to the requirements of persons over compulsory school age who have not attained the age of 19 is further education for the purposes of this Act and not secondary education.

(5) For the purposes of this Act education provided for persons who have attained the age of 19 is further education not secondary education; but where a person—
(a) has begun a particular course of secondary education before attaining the age of 18, and
(b) continues to attend that course,
the education does not cease to be secondary education by reason of his having attained the age of 19.

(6) In subsection (3)(b) “organised leisure-time occupation” means leisure-time occupation, in such organised cultural training and recreative activities as are suited
to their requirements, for any persons over compulsory school age who are able and willing to profit by facilities provided for that purpose.

(7) References in this section to education do not include references to higher education.

3 Definition of pupil etc

(1) In this Act “pupil” means a person for whom education is being provided at a school, other than—

(a) a person who has attained the age of 19 for whom further education is being provided, or

(b) a person for whom part-time education suitable to the requirements of persons of any age over compulsory school age is being provided.

(2) In this Act—

“junior pupil” means a child who has not attained the age of 12; and

“senior pupil” means a person who has attained the age of 12 but not the age of 19.

(3) The definition of “pupil” in subsection (1) also applies (unless the context otherwise requires) for the purposes of any instrument made or having effect as if made under the Education Acts.

Educational institutions

4 Schools: general

(1) In this Act “school” means an educational institution which is outside the further education sector and the higher education sector and is an institution for providing any one or more of the following—

(a) primary education,

(b) education which is secondary education by virtue of section 2(2)(a), or

(c) full-time education suitable to the requirements of persons who are over compulsory school age but under the age of 19,

whether or not the institution also provides part-time education suitable to the requirements of junior pupils, further education or secondary education not within paragraph (b).

(2) For the purposes of this Act an educational institution that would fall within subsection (1) but for the fact that it provides part-time rather than full-time education shall nevertheless be treated as a school if that part-time education is provided under arrangements made under section 19(1) (pupil referral units).

(3) For the purposes of this Act an institution is outside the further education sector if it is not—

(a) an institution conducted by a further education corporation established under section 15 or 16 of the Further and Higher Education Act 1992, or

(b) a designated institution for the purposes of Part I of that Act (defined in section 28(4) of that Act);

and references to institutions within that sector shall be construed accordingly.
(4) For the purposes of this Act an institution is outside the higher education sector if it is not—
   (a) a university receiving financial support under section 65 of that Act,
   (b) an institution conducted by a higher education corporation within the meaning of that Act, or
   (c) a designated institution for the purposes of Part II of that Act (defined in section 72(3) of that Act);
and references to institutions within that sector shall be construed accordingly.

5 Primary schools, secondary schools and middle schools
(1) In this Act “primary school” means (subject to regulations under subsection (4)) a school for providing primary education, whether or not it also provides part-time education suitable to the requirements of junior pupils or further education.

(2) In this Act “secondary school” means (subject to regulations under subsection (4)) a school for providing secondary education, whether or not it also provides further education.

(3) In this Act “middle school” means a school in respect of which proposals authorised by section 49, 198(6) or 291 are implemented (that is, a school providing full-time education suitable to the requirements of pupils who have attained a specified age below 10 years and six months and are under a specified age above 12 years).

(4) The Secretary of State shall make regulations for determining, or enabling him to determine, whether a middle school is to be treated for the purposes of this Act and the other enactments relating to education as a primary school or as a secondary school.

(5) The powers conferred by sections 49, 198(6) and 291 and subsection (4) above are exercisable—
   (a) notwithstanding anything in this Act (and in particular section 1); but
   (b) without prejudice to the exercise of any other power conferred by this Act.

6 Nursery schools and special schools
(1) A primary school is a nursery school if it is used mainly for the purpose of providing education for children who have attained the age of two but are under the age of five.

(2) A school is a special school if it is specially organised, and for the time being approved, as mentioned in section 337(1).

   Compulsory education

7 Duty of parents to secure education of children of compulsory school age
The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable—
   (a) to his age, ability and aptitude, and
   (b) to any special educational needs he may have,
either by regular attendance at school or otherwise.
8 Compulsory school age

(1) Subsections (2) and (3) apply to determine for the purposes of any enactment whether a person is of compulsory school age.

(2) A person begins to be of compulsory school age when he attains the age of five.

(3) A person ceases to be of compulsory school age at the end of the day which is the school leaving date for any calendar year—
   (a) if he attains the age of 16 after that day but before the beginning of the school year next following,
   (b) if he attains that age on that day, or
   (c) (unless paragraph (a) applies) if that day is the school leaving date next following his attaining that age.

(4) The Secretary of State may by order determine the day in any calendar year which is to be the school leaving date for that year.

9 Pupils to be educated in accordance with parents' wishes

In exercising or performing all their respective powers and duties under the Education Acts, the Secretary of State, local education authorities and the funding authorities shall have regard to the general principle that pupils are to be educated in accordance with the wishes of their parents, so far as that is compatible with the provision of efficient instruction and training and the avoidance of unreasonable public expenditure.

Governing bodies: general

86 Instrument of government to reflect current circumstances of school

(1) Subject to subsection (2) and paragraph 5(2) of Schedule 10 (which makes in relation to new schools provision similar to that made by subsection (2) in relation to existing schools), the instrument of government for a county, voluntary or maintained special school shall make such provision as is appropriate having regard to all the circumstances of the school as at the date on which the instrument is made.

(2) Where proposals falling within section 82(3) have been implemented in relation to a school, then for the purposes of subsection (1) the number of registered pupils at the school shall, until the actual number of registered pupils at the school reaches the maximum number of pupils provided for by the proposals, be deemed to be that maximum number.

(3) Where subsection (2) applies in relation to a school—

(a) the local education authority, or

(b) if the proposals fall within section 82(3)(b), the governing body,

may determine that it shall cease to apply (but without prejudice to its operation in relation to the implementation of any further proposals).

87 Effect of change in circumstances of school

(1) Where the effect of any subsequent change in the circumstances of a county, voluntary or maintained special school is that the provision made by the instrument of government for the school differs in any respect from the provision which a new instrument of government would be required to make, the local education authority shall (subject to subsection (2))—

(a) vary the instrument of government in such manner as is necessary to remove any such difference, or

(b) make a new instrument of government.

(2) For the purposes of subsection (1) any change in the number of registered pupils at a county, controlled or maintained special school occurring after the instrument of government for the school is made, or (as the case may be) varied, may be disregarded until a review under section 82 establishes that the provision made by the instrument differs in any respect from the provision which a new instrument of government for the school would be required to make.

(3) Where section 86(2) has applied in relation to a school but the local education authority or (as the case may be) governing body have subsequently determined that it should cease to apply, subsections (1) and (2) above shall have effect as if a change in the number of registered pupils at the school had occurred at the time when that determination was made.
(4) The instrument of government for a county, voluntary or maintained special school may make provision which would be appropriate in the event of such a change in the circumstances of the school as is anticipated by that provision (including in particular a change in the number of registered pupils at the school).

(5) No provision made by the instrument of government for a county, controlled or maintained special school in anticipation of a change in the number of registered pupils at the school shall have effect before it is established, by a review under section 82, that a new instrument of government would be required to make that provision.

88 Incorporation, membership and proceedings etc. of governing bodies

(1) Any governing body of a county, voluntary or maintained special school constituted in pursuance of this Chapter shall be constituted as a body corporate; and Schedule 7 has effect in relation to the incorporation of any such governing body.

(2) Schedule 8 has effect in relation to the membership and proceedings of, and other matters relating to, any such governing body.

Grouping of schools under a single governing body

89 Grouping of schools under a single governing body

(1) Subject to subsection (2), a local education authority may resolve that any two or more schools maintained by them shall be grouped for the purposes of this Chapter.

(2) If the instrument of government of any of the schools names a person as a sponsor of the school, a local education authority may only pass a resolution under subsection (1) if all the schools are secondary schools.

(3) Where any schools are grouped under this section, they shall—
   (a) be treated for the purposes of this Chapter as a single school; and
   (b) have a single governing body constituted under a single instrument of government.

(4) A group shall be treated for the purposes of this Chapter—
   (a) as an aided school, if it contains at least one aided school;
   (b) as a special agreement school, if it contains at least one special agreement school and paragraph (a) does not apply;
   (c) as a controlled school, if it contains at least one controlled school and neither paragraph (a) nor paragraph (b) applies;
   (d) as a maintained special school, if it consists only of maintained special schools; and
   (e) as a county school, if none of paragraphs (a) to (d) applies.

(5) In this Part—
   “group” means two or more schools grouped under this section; and
   “grouped school” means a school which forms a part of a group.

(6) Any reference in any enactment to the governing body or governors of a school shall be construed, in relation to any grouped school, as a reference to the governing body or governors of the group.

(1) Subject to subsection (2), a local education authority shall, before resolving to group any schools under section 89, obtain the consent of the Secretary of State to the proposed grouping.

(2) The Secretary of State’s consent is not required if—
   (a) the group will consist only of two primary schools;
   (b) both of the schools serve substantially the same area;
   (c) neither of the schools is a special school; and
   (d) where they are in Wales, there is no significant difference between them in their use of the Welsh language.

(3) Where—
   (a) two primary schools have been grouped in circumstances in which, by virtue of subsection (2), the Secretary of State’s consent to the grouping was not required, and
   (b) a change of circumstances occurs such that a proposal to group those schools made after that change would require his consent,
the local education authority shall obtain his consent to their continuing to be grouped.

(4) The Secretary of State may give his consent to any grouping (or continued grouping) of schools subject to such conditions as to the duration of the grouping as he sees fit to impose.

(5) Where the Secretary of State’s consent is required to the grouping or continued grouping of any schools, sections 79 to 81, 84 and 85 and paragraph 2(2) of Schedule 8 (representation of local business community on governing body) shall apply in relation to the group subject to such modifications (if any) as he may direct.

(6) Any dispute as to whether, for the purposes of this section—
   (a) two primary schools are to be regarded as serving substantially the same area, or
   (b) there is any significant difference between two primary schools in their use of the Welsh language,
shall be determined by the Secretary of State.

91  **Consent of, or consultation with, governing body as to grouping**  
(1) A local education authority shall not pass a resolution under section 89 applying to a voluntary school without first obtaining the consent of the school’s governing body.

(2) A local education authority shall not pass a resolution under section 89 applying to a county or maintained special school without first consulting the school’s governing body.

92  **Procedure for making or altering the instrument of government for a group**  
(1) Before making an order under section 76 embodying the first instrument of government for a group, the local education authority shall consult the governing body and head teacher of each school within the group.
(2) Before making such an order in respect of a group which contains one or more voluntary schools, the local education authority shall also—

(a) secure the agreement of the governing body of each of those schools to the terms of the proposed order,

(b) secure the agreement of the foundation governors of each of those schools to any provision which will be of particular concern to the foundation governors of the group, and

(c) have regard to the way in which those schools have been conducted.

(3) Where an order such as is mentioned in subsection (1) has been made, section 77 shall apply in relation to any subsequent order embodying or varying the instrument of government for the group, or any proposal for the making of such an order, as if the group—

(a) (where it contains one or more voluntary schools) were a single voluntary school; or

(b) (in any other case) were a single county school.

(4) Any agreement required by subsection (2) shall be treated for the purposes of section 77(5) as having been required by section 77(2).

93 Election of parent and teacher governors for a group

The instrument of government for a group—

(a) may provide for the local education authority to have power to determine, in relation to every election of parent or teacher governors, the school or schools within the group—

(i) the parents of registered pupils at which are entitled to stand and vote at the election, or

(ii) the teachers at which are entitled to stand and vote at the election, as the case may be; and

(b) where it so provides, shall require the authority to ensure that the position after any such election will be that there is no school within the group which will not have had an opportunity to participate in accordance with paragraph (a) in the election of at least one of the parent or (as the case may be) teacher governors of the group.

94 Review of grouping

(1) Where subsection (2) applies in relation to a school which is grouped with one or more other schools under section 89, the local education authority shall review the grouping of those schools and consider whether or not it should be brought to an end.

(2) This subsection applies in relation to a school if—

(a) proposals relating to it are made under—

(i) section 35 (establishment, alteration etc. of county schools),

(ii) section 41 (establishment, alteration etc. of voluntary schools),

(iii) section 52 (controlled schools becoming aided schools),

(iv) section 167 (discontinuance of county, voluntary and nursery schools), or

(v) section 339 (establishment etc. of special schools); or
(b) it is proposed that the Secretary of State should make an order relating to it under section 46 (establishment of new voluntary schools in substitution for old ones) or section 47 (transfer of voluntary schools to new sites); or
(c) the Secretary of State makes an order relating to it—
   (i) under section 50 or section 51 (division of county or voluntary school), or 
   (ii) under section 57 or 58(1) (revocation of orders by virtue of which schools are aided or special agreement schools); or
(d) it is transferred to a new site in circumstances falling within section 35(2)(b).

(3) Where on a review under this section a local education authority consider that any grouping of schools should be continued, and the Secretary of State’s consent to the grouping, or to the continued grouping, of the schools was at any time required by section 90, the authority shall—
   (a) report to the Secretary of State on the results of their review; and
   (b) provide him with such information as he may reasonably require with a view to enabling him to consider whether or not the grouping should be brought to an end.

95 Termination of grouping

(1) The Secretary of State may by order bring to an end any grouping under section 89 in respect of which his consent was at any time required by section 90.

(2) Any grouping under section 89 may, if the group does not contain a voluntary school, be brought to an end by resolution of the local education authority.

(3) Any such grouping may, if the group contains a voluntary school but not one whose instrument of government names any person as a sponsor of the school, be brought to an end—
   (a) by resolution of the local education authority made with the agreement of the governing body, or
   (b) by one year’s notice given either by the authority to the governing body or by the governing body to the authority.

(4) Any order under section 76 embodying an instrument of government for two or more schools which are grouped under section 89 shall be taken to have been revoked—
   (a) in the case of a group which was established for a specified period, at the end of that period, or
   (b) at the time when the grouping is brought to an end in accordance with subsection (1), (2) or (3).

education authority may make an arrangement such as is mentioned in subsection (1)
in anticipation of the Secretary of State’s approval of the proposals or (as the case may
be) the determination by the authority that they should be implemented.

(4) An arrangement made under subsection (3) shall come to an end if—
(a) the proposals are withdrawn, or
(b) the Secretary of State rejects them under section 37 or (as the case may be)
section 340, or
(c) (in the case of proposals made under section 35), the local education authority

97 Temporary governing bodies for new voluntary schools

(1) Where the Secretary of State has approved under section 43 any proposals that a
school—
(a) which was established by those making the proposals, or by the persons whom
they represent, and is not a voluntary school, or
(b) which is proposed to be so established,
should be maintained by a local education authority as a voluntary school, the local
education authority shall (unless they have already exercised their power to do
so under subsection (2)) make an arrangement for the constitution of a temporary
governing body for the school pending the constitution of its governing body under
an instrument of government.

(2) Where any such proposals have been duly published under section 41, the local

CHAPTER V

FINANCIAL DELEGATION TO GOVERNING BODIES OF COUNTY, VOLUNTARY AND MAINTAINED SPECIAL SCHOOLS

Introductory

101 Local education authority schemes for financing schools

(1) In this Part “scheme” means a scheme made by a local education authority under section 103 (including one that is to be treated as so made by virtue of section 104(6)) as from time to time revised under sections 111 to 114.

(2) In this Part “the local education authority”, in relation to a scheme, means the local education authority who made (or are to be treated as having made) the scheme.

(3) For the purposes of this Part—

(a) a local education authority’s “general schools budget” for a financial year is the amount appropriated by the authority for meeting expenditure in the year in respect of all schools required to be covered in the year by any scheme made by the authority (other than non-qualifying expenditure);

(b) a local education authority’s “aggregated budget” for a financial year under a scheme is the part (determined as mentioned in section 105) of the authority’s general schools budget for the year which is available for allocation to individual schools under the scheme; and

(c) a school’s “budget share” for a financial year under a scheme is the share of the local education authority’s aggregated budget for the year which is to be appropriated for the school under the scheme.

(4) In subsection (3)(a) “non-qualifying expenditure” means expenditure in respect of the provision of—

(a) part-time education suitable to the requirements of persons of any age over compulsory school age, or

(b) full-time education suitable to the requirements of persons who have attained the age of 19.

(5) In relation to any scheme any reference in subsection (3) to an amount is a reference to an amount determined (and from time to time revised) in accordance with the scheme.

(6) In this Part references to a school’s budget share for a financial year include references to that share as from time to time revised in accordance with the scheme under which it is determined.
102 Schools required to be covered by a scheme

For the purposes of this Part a school is required to be covered by a scheme in any financial year if either—
(a) immediately before the beginning of that year it is maintained by the local education authority as a county or voluntary school, or
(b) at any time during that year it becomes so maintained (whether by virtue of being newly established as a county or voluntary school or by virtue of becoming a county or voluntary school where it was not, immediately before it became so, a school of either description).

Schemes for purposes of Chapter V

103 Local education authority required to have scheme for purposes of Chapter V

(1) Each local education authority shall have a scheme prepared in accordance with this Chapter and submitted for the approval of the Secretary of State in accordance with section 104.

(2) The scheme shall provide for—
(a) the determination, in respect of each financial year of the local education authority, of the budget share of each school required to be covered by the scheme in the year, and
(b) the delegation by the authority of the management of a school’s budget share for a financial year to the school’s governing body, where such delegation is required or permitted by or under the scheme.

104 Preparation and imposition of schemes

(1) A scheme prepared by a local education authority under section 103 shall be submitted to the Secretary of State on or before such date as he may by order direct, either—
(a) generally; or
(b) in relation to any local education authority, or any class or description of such authorities, specified in the order.

(2) In preparing a scheme under that section a local education authority shall take into account any guidance given by the Secretary of State, whether—
(a) generally, or
(b) in relation to that authority or to any class or description of local education authorities to which that authority belongs, as to the provisions he regards as appropriate for inclusion in the scheme.

(3) Before preparing such a scheme the local education authority shall consult—
(a) the governing body and the head teacher of every county, voluntary or special school maintained by the authority;
(b) the governing body of every grant-maintained school in the area of the authority; and
(c) the governing body of every grant-maintained special school which—
(i) is established under section 339 in the authority’s area, or
(ii) before becoming a grant-maintained school was a special school maintained by the authority;
but the Secretary of State may, by notice in writing to the authority, dispense with the duty imposed by paragraphs (b) and (c) above in respect of such schools, or such class or description of schools, as are specified in the notice.

(4) Such a scheme shall not come into force until it has been approved by the Secretary of State or until such date as he may, in giving his approval, specify; and the Secretary of State may approve such a scheme—

(a) either without modifications or with such modifications as he thinks fit after consulting the authority concerned; and

(b) subject to such conditions as he may specify in giving his approval.

(5) If in the case of any local education authority either—

(a) the authority fail to submit a scheme as required by subsection (1), or

(b) it appears to the Secretary of State that a scheme submitted by the authority as required by that subsection does not accord with any guidance given by him for the purposes of this section and cannot be made to do so merely by modifying it,

he may, after consulting the authority and such other persons as he thinks fit, impose a scheme making such provision of a description required to be made by a scheme under section 103 in relation to the financing by the authority of county and voluntary schools as he considers appropriate.

(6) A scheme imposed by the Secretary of State by virtue of subsection (5)—

(a) shall be treated as if made under 103 by the local education authority concerned; and

(b) shall come into force on such date as may be specified by the scheme.

**Provision by a scheme for determination of budget shares**

105 **Calculation of local education authority’s aggregated budget**

(1) The part of a local education authority’s general schools budget for a financial year which is available for allocation to individual schools under a scheme (and as such constitutes the authority’s “aggregated budget” for the year under the scheme) is the amount remaining after deducting from the amount of the authority’s general schools budget for the year—

(a) the amount of any expenditure of the authority in the year on excepted heads or items of expenditure; and

(b) any other amounts which fall in accordance with the scheme to be deducted in determining the authority’s aggregated budget for the year.

(2) In subsection (1) “amount” means an amount determined (and from time to time revised) in accordance with the scheme.

(3) In subsection (1) “excepted heads or items of expenditure” means the following heads or items of expenditure (so far as taken into account in determining the authority’s general schools budget for the year)—

(a) all expenditure treated by the authority as expenditure of a capital nature;

(b) all expenditure in respect of the repayment of the principal of, the payment of interest on and the discharge of any other financial obligation in connection with any loan raised to meet expenditure falling within paragraph (a);
(c) expenditure falling to be taken into account in determining central government grants of any prescribed description; and
(d) such other items of expenditure as may be prescribed.

106 Application of the allocation formula

(1) The provision to be included in a scheme for determining the budget share for a financial year of each school required to be covered by the scheme in that year shall require that share to be determined (and from time to time revised) by the application of the allocation formula under the scheme.

(2) For the purposes of this Part the “allocation formula” under a scheme is a formula laid down by the scheme for the purpose of dividing among all schools required to be covered by the scheme in any financial year the local education authority’s aggregated budget for the year.

(3) In subsection (2) “formula” includes methods, principles and rules of any description, however expressed.

(4) The allocation formula under a scheme—
   (a) shall include provision for taking into account, in the case of each school required to be covered by the scheme in any financial year, the number and ages of registered pupils at that school on such date or dates as may be determined by or under the scheme in relation to that year, and
   (b) may include provision for taking into account any other factors affecting the needs of individual schools which are subject to variation from school to school (including, in particular, the number of registered pupils at a school who have special educational needs and the nature of the special educational provision required to be made for them).

(5) The allocation formula shall, however, not include provision for taking into account persons provided with—
   (a) part-time education suitable to the requirements of persons of any age over compulsory school age, or
   (b) full-time education suitable to the requirements of persons who have attained the age of 19.

(6) A scheme shall provide for all amounts relevant to the determination of a school’s budget share under the scheme for a financial year to be determined initially before the beginning of that year.

Provision by a scheme for financial delegation

107 The delegation requirement

(1) A scheme shall include provision for requiring, in the case of each school required to be covered by the scheme in any financial year, the delegation by the local education authority to the governing body of the management of the school’s budget share for that year.

(2) Any provision included in a scheme by virtue of subsection (1) is referred to in this Part as the “delegation requirement” under the scheme.
108 **Optional delegation**

A scheme may provide for the management of a school’s budget share for any financial year to be delegated by the local education authority to the governing body of the school in a case where the delegation requirement under the scheme does not apply to the school in respect of that year.

109 **Conditions as to delegation**

(1) Any delegation under a scheme of the management of a school’s budget share shall be subject to such conditions as may be imposed by or under the scheme.

(2) Conditions so imposed may, in particular, relate to—

   (a) the arrangements to be made for management of the expenditure of any sum made available to a school’s governing body in accordance with the scheme (and in particular for authorising expenditure, or transactions involving commitments to expenditure, to be met from any such sum);

   (b) the keeping and audit of accounts and records with respect to such expenditure, and the keeping of records with respect to such transactions;

   (c) the provision to the local education authority by the governing body of copies of accounts and records required to be kept by any condition imposed under paragraph (b); and

   (d) the provision to the local education authority by the governing body of such other documents and information relating to the application of any sum falling within paragraph (a) as the authority may from time to time require.

(3) In subsection (1) “delegation” means delegation under any provision made by virtue of section 107 or 108.

110 **Initial implementation of the delegation requirement**

(1) If a school comes within a scheme in a financial year falling within the scheme’s initial period, the delegation requirement under the scheme shall not apply to the school until a date specified in the scheme.

(2) For the purposes of this section a scheme’s “initial period” (subject to any order made under subsection (4)) is the period of three years beginning with the date of the coming into force of the scheme.

(3) Different dates may be specified under subsection (1) in relation to different schools or categories of school and in relation to schools coming within the scheme in different financial years or at different times within the same financial year; but—

   (a) each date specified must coincide with the beginning of a financial year, and

   (b) no date may be specified which falls after the beginning of the financial year next following the end of the scheme’s initial period.

(4) The Secretary of State may by order—

   (a) substitute a date specified in the order for any date specified in a scheme under subsection (1) (including one specified by virtue of a previous order under this subsection), and

   (b) extend any scheme’s initial period until a date specified in the order.

(5) For the purposes of this section a school—
(a) comes within a scheme in any financial year if that financial year is the first financial year in which the school is required to be covered by the scheme, and

(b) comes within the scheme—

(i) at the beginning of that year, if it is then a school required to be so covered, and

(ii) otherwise at the time falling within that year when it first becomes such a school.

(b) shall then submit a copy of their proposals to the Secretary of State for his approval.

(3) Where the proposals are so submitted, section 104(4) shall apply to the scheme as revised as it applies to a scheme prepared under section 103.

114 Revision of schemes by Secretary of State

(1) The Secretary of State may by a direction revise the whole or any part of any scheme as from such date as may be specified in the direction.

(2) Before giving such a direction the Secretary of State shall consult the local education authority and such other persons as he thinks fit.

(4) In such a case paragraph (c) of subsection (2) shall not have effect in relation to the transfer of control agreement if, at the time of entering into it, the governing body were of the opinion that the express provision would be more favourable to the interests of the school than the term that would otherwise be included by virtue of that paragraph.

(a) that the governing body shall notify the controlling body of—

(i) any directions given to the governing body under section 150(2) (in the case of a controlled school) or section 152(3) (in the case of an aided or special agreement school); and

(a) in relation to a person to whom this section applies by virtue of subsection (1) (a), means the governing body of the school immediately before the date of implementation of the proposals, and

(b) in relation to a person to whom this section applies by virtue of subsection (1) (b), means the local education authority.

(6) The contract of employment between a person to whom this section applies and his former employer shall have effect from the date of implementation of the proposals as if originally made between him and the governing body of the grant-maintained school.

(7) Without prejudice to subsection (6)—
(a) all the former employer’s rights, powers, duties and liabilities under or in connection with the contract of employment shall by virtue of this section be transferred to the governing body of the grant-maintained school on the date of implementation of the proposals, and

(b) anything done before that date by or in relation to the former employer in respect of that contract or the employee shall be deemed from that date to have been done by or in relation to that governing body.

(8) Subsections (6) and (7) are without prejudice to any right of an employee to terminate his contract of employment if a substantial change is made to his detriment in his working conditions, but no such right shall arise by reason only of the change in employer effected by this section.

(9) An order under this section may designate a person either individually or as a member of a class or description of employees.

Effect of pending procedure for acquisition of grant-maintained status on property disposals, etc.

203 “Pending” procedure for acquisition of grant-maintained status

(1) For the purposes of this Chapter the procedure for acquisition of grant-maintained status is pending in relation to a school when it has been initiated in relation to the school on any occasion and not terminated (as initiated on that occasion).

(2) For those purposes, that procedure is to be regarded as initiated in relation to a school on any occasion—

(a) on receipt by the local education authority of notice of a meeting of the governing body at which a motion for a resolution to hold a ballot of parents on the question whether grant-maintained status should be sought for the school is to be considered (not being a case falling within section 186(3)), or

(b) where the governing body have received a request under subsection (1) of section 187, on receipt by the local education authority of notice under subsection (3)(b) of that section.

(3) For those purposes, that procedure, as initiated on any occasion, is to be regarded as terminated—

(a) (when initiated as mentioned in subsection (2)(a)) if—

(i) the meeting is not held,

(ii) the meeting is held but the motion is not moved or, though the motion is moved, the resolution is not passed, or

(iii) the resolution is passed but the result of the ballot to which the notice under section 186(1)(b) relates does not show a majority in favour of seeking grant-maintained status for the school;

(b) (when initiated as mentioned in subsection (2)(b)) if the result of the ballot to which the notice under section 187(3)(b) relates does not show a majority in favour of seeking grant-maintained status for the school;

(c) if—

(i) proposals which by reference to the result of a ballot to which a notice under section 186(1)(b) or 187(3)(b) relates are required to be published under section 193, or
(ii) any proposals required in substitution for those proposals, are rejected by the Secretary of State or withdrawn; or

(d) on the date of implementation of such proposals.

(4) Where section 191 applies in the case of such a ballot, the references in subsection (3) above to the result of that ballot shall be read as references to the result of the second ballot required by that section.

(5) The reference in subsection (3) above to proposals required in substitution for any proposals (“the original proposals”) required to be published by reference to the result of a ballot is to any proposals required to be published by virtue of section 194(1) or (3) on withdrawal or (as the case may be) rejection of—

(a) the original proposals, or

(b) any further proposals required to be published by virtue of section 194(1) or (3) in respect of the school without a further ballot.

(6) Proposals published under section 193 shall not be treated for the purposes of subsection (3)(c) as rejected in any case where the Secretary of State imposes a requirement under section 194(3) or as withdrawn in any case where he imposes a requirement under section 194(1) for the publication of further proposals.

204 Control of disposals of land

(1) During any period when the procedure for acquisition of grant-maintained status is pending in relation to a school, a local authority shall not—

(a) dispose of any land used wholly or partly for the purposes of the school, or

(b) enter into a contract to dispose of any such land, except with the required consent.

(2) Subsection (1) does not apply in relation to a disposal which is made in pursuance of a contract entered into, or an option granted, before the procedure for acquisition of grant-maintained status was initiated in relation to the school.

(3) Where proposals for acquisition of grant-maintained status are approved, the procedure for acquisition of grant-maintained status is not to be treated as terminated for the purposes of this section and section 205 in relation to any land, where agreement is required to be reached under paragraph 2(1) of Schedule 10 to the Education Reform Act 1988 (identification of property, etc.) on any matter relating to that land, until the date on which that matter is finally determined.

(4) In the case of a disposal made or contract entered into after proposals for acquisition of grant-maintained status have been approved, “the required consent”—

(a) (if it is agreed between the local authority and the new governing body that the value of the land in question does not exceed £6,000) is the consent of the new governing body, and

(b) (if paragraph (a) does not apply) is the consent of both the new governing body and the Secretary of State.

(5) In any other case “the required consent” for any proposed disposal (and for any contract to make it) is the consent of both the existing governing body and the Secretary of State.
(6) A disposal or contract shall not be invalid or void by reason only that it has been made or entered into in contravention of this section; and (subject to section 205) a person acquiring land, or entering into a contract to acquire land, from a local authority shall not be concerned to enquire whether any consent required by this section has been given.

(7) This section has effect notwithstanding anything in section 123 of the Local Government Act 1972 (general power to dispose of land) or in any other enactment, and the consent required by this section shall be in addition to any consent required by subsection (2) of that section or by any other enactment.

(8) In this section and section 205—
(a) references to disposing of land include granting or disposing of any interest in land, and
(b) references to entering into a contract to dispose of land include granting an option to acquire land or such an interest.

(9) Where a proposed disposal forms part of a proposed series of transactions, all disposals forming part of that series shall be treated as one disposal for the purposes of this section.

(10) The Secretary of State may by order substitute for the sum specified in subsection (4) (whether as originally enacted or as previously amended by an order under this subsection) such sum as may be specified in the order.

205 Wrongful disposals of land

(1) This section applies where—
(a) proposals for acquisition of grant-maintained status in respect of a school have been approved, and
(b) a local authority have made a disposal, or have entered into a contract, in contravention of section 204(1).

(2) In the case of a contract which consists of granting an option to acquire any land or interest in land, the Education Assets Board may by notice in writing served on the option holder repudiate the option at any time before it is exercised.

(3) In the case of a contract to dispose of any land or to grant or dispose of any interest in land, the Education Assets Board may by notice in writing served on the other party to the contract, at any time before the conveyance or grant of the land or any interest in land to which it relates is completed or executed, repudiate the contract.

(4) A repudiation under subsection (2) or (3) shall have effect—
(a) where it is made after the date of implementation of the proposals, as if the local authority (and not the governing body) were party to the contract, and
(b) as if the repudiation were made by the local authority.

(5) In the case of a disposal which consists in granting or disposing of any interest in land (whether or not in pursuance of any earlier contract falling within subsection (2) or (3)) the Education Assets Board may be authorised by the Secretary of State to purchase compulsorily the interest in land which was the subject of the disposal.
(6) The Acquisition of Land Act 1981 shall apply in relation to the compulsory purchase of land under subsection (5) as if references in sections 12 and 13 of that Act to every owner of the land included references to the local authority concerned.

(7) On completion of a compulsory purchase under that subsection of any interest in land, the Education Assets Board shall convey that interest to the governing body incorporated under Chapter II.

(8) Where the Education Assets Board acquire any interest in land by a compulsory purchase under subsection (5) the Board shall be entitled to recover from the local authority concerned an amount equal to the aggregate of—
   (a) the amount of compensation agreed or awarded in respect of that purchase, together with any interest payable by the Board in respect of that compensation in accordance with section 11 of the Compulsory Purchase Act 1965 or section 52A of the Land Compensation Act 1973, and
   (b) the amount of the costs and expenses incurred by the Board in connection with the making of the compulsory purchase order.

(9) Section 204(8) applies for the purposes of this section.

206 Control of contracts

(1) Where the procedure for acquisition of grant-maintained status is pending in relation to any school, this section applies to any contract which, if the proposals for acquisition of grant-maintained status were implemented, would or might bind the governing body incorporated under Chapter II.

(2) Except with the appropriate consent, a local authority shall not enter into a contract to which this section applies.

(3) In the case of a contract entered into after the proposals have been approved by the Secretary of State, “the appropriate consent” is that of the new governing body.

(4) In relation to any other contract, “the appropriate consent” is—
   (a) the consent of the existing governing body, and
   (b) if (on the assumption set out in subsection (1)) the contract will require the governing body incorporated under Chapter II to make payments amounting in aggregate to £15,000 or more, the consent of the Secretary of State.

(5) Any consent for the purposes of this section may be given either in respect of a particular contract or in respect of contracts of any class or description and either unconditionally or subject to conditions.

(6) A contract shall not be void by reason only that it has been entered into in contravention of this section and (subject to section 207) a person entering into a contract with a local authority or governing body shall not be concerned to enquire whether any consent required by this section has been given or any conditions of such a consent have been complied with.

(7) Where there is an obligation under a contract to which this section applies to provide any benefit other than money, subsection (4)(b) shall apply as if the obligation were to pay a sum of money corresponding to the value of the benefit to the recipient.

(8) This section does not apply to—
(a) a works contract (within the meaning of Part III of the Local Government, Planning and Land Act 1980) which is entered into in accordance with section 7 of that Act,

(b) a works contract (within the meaning of Part I of the Local Government Act 1988) which is entered into in accordance with section 4 of that Act,

(c) a contract to dispose of land (within the meaning of section 204) or to grant an option to acquire land or an interest in land, or

(d) a contract of employment.

(9) The Secretary of State may by order substitute for the sum specified in subsection (4) (whether as originally enacted or as previously amended by an order under this subsection) such sum as may be specified in the order.

207 Wrongful contracts

(1) This section applies where—

(a) proposals for acquisition of grant-maintained status in respect of a school have been approved, and

(b) a local authority have entered into a contract to which section 206 applies in contravention of that section.

(2) The Education Assets Board may by notice in writing served on the other party to the contract repudiate the contract at any time before it is performed.

(3) A repudiation under subsection (2) shall have effect—

(a) where it is made after the date of implementation of the proposals, as if the local authority (and not the governing body) were party to the contract, and

(b) as if the repudiation were made by the local authority.

208 Restriction on change of purpose for which property used or held

(1) During any period when the procedure for acquisition of grant-maintained status is pending in relation to a school, a local authority shall not, in relation to any land or other property of the authority used or held for the purposes of the school, take without the required consent any action by which the land or other property ceases to any extent to be so used or held.

(2) In the case of anything done after proposals for acquisition of grant-maintained status have been approved, “the required consent” is that of the new governing body.

(3) In any other case “the required consent” is that of both the existing governing body and the Secretary of State.

(4) If in the case of any school—

(a) proposals for acquisition of grant-maintained status are approved, and

(b) a local authority have, in relation to any property, taken any action in contravention of subsection (1),

the provisions relating to the transfer of property shall have effect as if, immediately before the date of implementation of the proposals in relation to the school, the property were used or held by the authority for the purposes for which it was used or held when the procedure for acquisition of grant-maintained status was initiated.

(5) In this section—
(a) “the provisions relating to the transfer of property” means section 201 above and section 198 of, and Schedule 10 to, the Education Reform Act 1988, and
(b) the references to taking action include appropriating property for any purpose.

209 Restriction on staff changes

(1) During any period when the procedure for acquisition of grant-maintained status is pending in relation to a school, the local education authority shall not do any of the things mentioned in subsection (2) without the required consent.

(2) Those things are—
   (a) the appointment of a person to fill a vacancy in a post which is part of the complement of the school or to work solely at the school in any other post,
   (b) the dismissal (otherwise than under section 143(6) or 144(3) (special provisions as to religious education in voluntary schools)) of a person to whom subsection (3) applies, and
   (c) the withdrawal of such a person from work at the school (otherwise than by dismissing him).

(3) This subsection applies to any person who is employed—
   (a) in a post which is part of the complement of the school, or
   (b) to work solely at the school in any other post.

(4) The references in this section to the complement of the school are to the complement of teaching and non-teaching posts determined by the local education authority for the school under section 133(1) to (3) (determination of staff complement for schools).

(5) In the case of anything done after proposals for acquisition of grant-maintained status have been approved, “the required consent” is that of the new governing body.

(6) In any other case “the required consent” is that of both the existing governing body and the Secretary of State.

Supplementary

210 Supplementary provisions about transfers

(1) No duty of a local education authority under section 60(2) or (as the case may be) 61(2) to convey their interest in any site or buildings to the trustees of a voluntary school shall be affected by the school subsequently becoming a grant-maintained school.

(2) Where such a duty is continued by virtue of subsection (1), then, in connection with the site in question, sections 60(2) to (7), 61(2) and (3) and 62 shall continue to apply after the school becomes a grant-maintained school as if it were a controlled school or, as the case may be, an aided or special agreement school.

(3) Where any such duty as is referred to in subsection (1), or imposed by section 70(1), applies in relation to a school, then—
   (a) if it applies immediately before the date of implementation of proposals for acquisition of grant-maintained status, section 201(1)(a) shall not apply to, or to any interest in, the site or buildings or, as the case may be, the premises to be conveyed, and
(b) if it applies at a time when the procedure for acquisition of grant-maintained status is pending, section 204 shall not apply to disposing, or entering into a contract to dispose, of the site or buildings or, as the case may be, the premises to be conveyed.

(4) Where immediately before the date of implementation of proposals for acquisition of grant-maintained status there is an agreement relating to any site or buildings made under section 61(4) or (5), section 201(1)(a) shall not apply to any rights or liabilities of any local authority under the agreement; and any directions given before that date under section 61(6), so far as they relate to the governing body of the school, shall have effect on or after that date as if they related to the governing body incorporated under section 195.

(6) In the case of proposals published under section 212, particulars in respect of the proposed premises of the school submitted under paragraph 12 of Schedule 20 require the approval of the funding authority.

The governing instruments

218 Constitution of governing body and conduct of school

(1) For every governing body of a grant-maintained school there shall be—
   (a) an instrument (known as the instrument of government) providing for the
       constitution of the governing body, and
   (b) an instrument (known as the articles of government) in accordance with which
       the school is to be conducted.

(2) The instrument and articles of government—
   (a) shall comply with any requirements imposed by or under this Chapter, and
   (b) may make any provision authorised by or under this Chapter to be made and
       such other provision as may be necessary or desirable.

(3) Subject to any express provision of the instrument or articles of government, the school
    shall be conducted in accordance with any trust deed relating to it.

(4) Schedule 22 (membership and proceedings etc. of governing bodies) shall have effect.

(5) Schedule 23 (content of articles of government) shall also have effect.

219 Initial instruments and articles of government

(1) The initial instrument of government for the governing body of a grant-maintained
    school, and the initial articles of government for such a school, shall be such as are
    prescribed.

(2) The initial instrument of government shall have effect as from the incorporation date.

(3) The initial articles of government shall have effect as from the date of implementation
    of the proposals but, in the case of a governing body incorporated in pursuance of
    proposals for the establishment of a new grant-maintained school, such of the articles
    as may be prescribed shall have effect as from the incorporation date.

(4) Before making any regulations under this section the Secretary of State shall consult—
    (a) a body appearing to him to be representative of the Church of England,
    (b) a body appearing to him to be representative of the Church in Wales, and
    (c) a body appearing to him to be representative of the Roman Catholic Church,
    in matters relating to the provision of education in grant-maintained schools having
    foundation governors.

220 Subsequent instruments of government

(1) The Secretary of State may—
    (a) if the governing body of a grant-maintained school submit a draft of an
        instrument of government to have effect in place of their existing instrument,
        by order make a new instrument of government in terms of the draft or in such
        terms as he thinks fit, and
(b) if such a governing body submit draft modifications—
   (i) of an instrument made under paragraph (a), or
   (ii) of an instrument of government made under section 57(1)(a) of the Education Act 1993 or Chapter IV of Part I of the Education Reform Act 1988 which has effect (by virtue of Schedule 39 to this Act) as if made under paragraph (a),
   by order modify the instrument concerned in terms of the draft or in such terms as he thinks fit;
   but he shall not make a new instrument otherwise than in terms of the draft, or modify the instrument otherwise than in terms of the draft, unless he has consulted the governing body.

(4) An order under subsection (3)—
   (a) may relate to all grant-maintained schools, to any category of such schools specified in the order or to any such school so specified, but
   (b) shall not be made unless the Secretary of State has consulted—
      (i) the governing body of each grant-maintained school to which the order relates,
      (ii) (if the order relates only to a school having foundation governors) the person who appoints them and, if it is a Church of England, Church in Wales or Roman Catholic Church school, the appropriate diocesan authority (if different), and
      (iii) (if the order relates to two or more schools and any of the schools are Church of England, Church in Wales or Roman Catholic Church schools having foundation governors) a body appearing to the Secretary of State to be representative of the church in question in matters relating to the provision of education in grant-maintained schools having foundation governors.

(5) Where, by reason of the making of a new instrument, or the modification of an instrument, under this section the number of governors of any category will (unless the required number of governors of that category resign) exceed the number provided for in the instrument, the new instrument or, as the case may be, the instrument as modified shall provide—
   (a) for such number of governors of that category as is required to eliminate the excess to cease to hold office, and
   (b) for the selection of those who are to cease to hold office.

221 Subsequent articles of government

(1) The governing body of a grant-maintained school may, with the consent of the Secretary of State—
(a) make new articles of government in place of the existing articles for the school, or
(b) modify any articles made under paragraph (a) or, where articles made under section 58(1)(a) of the Education Act 1993 or Chapter IV of Part I of the Education Reform Act 1988 have effect (by virtue of Schedule 39 to this Act) as if made in accordance with this Part, those articles.

(2) Before exercising that power, the governing body of a school having foundation governors shall consult—
(a) the person who appoints the foundation governors, and
(b) in the case of a Church of England, Church in Wales or Roman Catholic Church school, the appropriate diocesan authority (if different).

(3) The Secretary of State may by a direction under this section require the governing bodies of grant-maintained schools or any class of such schools specified in the direction or the governing body of any particular grant-maintained school so specified to modify their articles of government in any manner so specified.

(4) Before giving a direction under this section, the Secretary of State shall consult—
(a) the governing body or (as the case may be) each governing body to which the direction applies,
(b) (if the direction relates only to a school having foundation governors) the person who appoints them and, if it is a Church of England, Church in Wales or Roman Catholic Church school, the appropriate diocesan authority (if different), and
(c) (if the direction relates to two or more schools and any of the schools are Church of England, Church in Wales or Roman Catholic Church schools having foundation governors) a body appearing to the Secretary of State to be representative of the church in question in matters relating to the provision of education in grant-maintained schools having foundation governors.

Governors

222 Categories of governors

Schedule 24 (expressions used in connection with categories of governors) shall have effect.

223 Parent governors

Withdrawal of grant

Withdrawal of grant where school is unsuitable to continue as grant-maintained school

(1) This section applies where the Secretary of State is satisfied that a grant-maintained school as currently constituted or conducted is unsuitable to continue as a grant-maintained school on either or both of the following grounds—

(a) that the number of registered pupils at the school is too small for sufficient and suitable instruction to be provided for them at reasonable cost, and

(b) that the governing body have been guilty of substantial or persistent failure to comply or secure compliance with any other requirement imposed by or under this Act or any other enactment.

(2) The Secretary of State may give to the governing body a notice in writing stating the grounds on which he considers that the school as currently constituted or conducted is unsuitable to continue as a grant-maintained school together with full particulars of the matters relevant to each such ground.

(3) Where any of those matters are stated in the notice to be in the opinion of the Secretary of State irremediable, the notice shall also state that the funding authority’s duty to maintain the school will cease on a date specified in the notice.

(4) Where subsection (3) does not apply, the notice shall—

(a) state that the funding authority’s duty to maintain the school will cease unless the matters of which particulars are given in the notice are remedied,

(5) Where the governing body fail to take the measures required under subsection (4)(b) by the notice within the time specified in the notice (or allowed by any previous notice under this subsection), the Secretary of State shall, within the period of two months beginning with the date next following the end of the time so specified (or allowed), either—

(a) give notice in writing to the governing body extending the period within which those measures are required to be taken, or

(6) Where the Secretary of State gives a notice under subsection (2) or (5) which states that the funding authority’s duty to maintain the school will cease on a specified date—

(a) he shall give a copy of the notice to the funding authority, and
(b) the funding authority shall cease to be under a duty to make maintenance grants to the governing body of the school in respect of any period beginning on or after that date, and shall cease on that date to have the power to pay capital or special purpose grant to the governing body.

   (c) vary a notice under section 272(2), so far as relating to any measures specified in it by virtue of section 272(4)(b).

(2) If by virtue of subsection (1)(c) the Secretary of State varies a notice so as to require different measures to be taken, he shall also substitute for the time specified in the notice by virtue of section 272(4)(c) a time which is not earlier than that time or, where the time so specified has been extended under section 272(5)(a), than that time as so extended.

(3) Any variation under subsection (2) of the time specified in a notice is without prejudice to any further extension of that time under section 272(5)(a).

(4) Where the Secretary of State withdraws a notice by virtue of subsection (1)(a), he shall give notice in writing of that fact to the funding authority.

(5) Where the Secretary of State varies a notice by virtue of subsection (1)(b), he shall give a copy of the notice as varied to the funding authority.

(3) An order under section 274 may make provision as to the exercise of the governing body’s functions in relation to the school including, in particular—

(a) provision requiring the governing body in the exercise of those functions to comply with any directions given by the Secretary of State,

(b) provision authorising any of those functions to be exercised by a member of the governing body specified in the order, and

(c) provision for the application of the seal of the governing body to be authenticated by the signature of a person specified in the order.

(4) An order under section 274—
(a) may make provision for conferring or imposing functions on the governing body in relation to the winding up and the management and disposal of the school property, and

(c) any provision authorised by any of sections 277 to 279 which is possible and expedient in the circumstances of the case has been made, and

277 Disposal of school property

(1) Subject to the provisions of any order under section 274, any school property held by the governing body in liquidation immediately before the dissolution date, other than property held by them on trust for the purposes of the school, shall—
(a) in the case of a governing body incorporated in pursuance of proposals for acquisition of grant-maintained status, vest on that date in the local education authority, and
(b) in the case of a governing body incorporated in pursuance of proposals for the establishment of a new grant-maintained school, vest on that date in the funding authority.

(2) Such an order may, on such date as may be specified in the order as the transfer date, vest the school property or any part of it in any person specified in the order and, where the order does so, it may provide for any property so vested to be held beneficially or on such trusts as may be specified in the order.

(3) Where any school property is—
(a) vested under subsection (1) in any person other than the funding authority, or
(b) vested in pursuance of an order under section 274,
such an order may require the person in whom any property is so vested to pay in respect of the property to the Secretary of State or to such other person as may be so specified such consideration (not exceeding the maximum consideration) as may be so specified.

(4) Subsection (3) does not apply to property held on trust for the purposes of the school otherwise than by the governing body; but, where an order under section 274 vests in any person property so held otherwise than by the governing body, the order shall require that person to pay to the trustees the maximum consideration in respect of the property.

(5) The maximum consideration that may be specified in such an order in respect of any school property is—

(a) so far as the property consists of premises (including any interest in a dwelling-house such as is mentioned in section 274(4)(b)), such an amount as the Secretary of State determines to be the market value of the premises as at, or as at a date no earlier than six months before, the dissolution date or, as the case may be, the transfer date, and

(b) so far as it consists of other property, such an amount as the Secretary of State determines to be a fair consideration for the transfer of that property.

(6) Where such an order requires any person in whom any premises are vested to pay any consideration in respect of the premises, the order shall specify the amount determined by the Secretary of State under subsection (5)(a); and any dispute as to that amount may be referred to the Lands Tribunal by—

(a) the person in whom the premises are vested,

(b) the person from whom they are transferred, or

(c) the person to whom the consideration is to be paid,

and shall then be determined by the Tribunal.

(7) Where—

(a) by virtue of subsection (3) or (4) such an order requires any person in whom any premises are vested to pay any consideration in respect of the premises, and

(b) on a reference under subsection (6) the Lands Tribunal determine a different amount from that determined by the Secretary of State,

the Secretary of State shall consider whether the amount of the consideration specified in the order requires alteration in the light of the determination of the Tribunal and, if it does, he shall vary the order accordingly.

(8) Where—

(a) any school property has been vested in the funding authority, or a local education authority, under subsection (1) and, in the case of property vested in the local education authority, no order under section 274 required them to pay any consideration in respect of the property, and

the Secretary of State may require the authority concerned to pay to him or to such person as he may specify the whole or any part of the proceeds of the disposal.

(9) Nothing in subsection (1) or in any provision included in an order under section 274 by virtue of this section shall affect any interest or right of a person in, to or over any
school property, being an interest or right which is held by that person otherwise than for the purposes of the school.

278 Disposal of school property: supplementary

(1) Where by virtue of an order under section 274 the premises used or formerly used for the purposes of the school, or any part of those premises, are vested in persons proposing to establish a new independent school on the premises—

(a) such an order may require those persons to discharge any liabilities of the governing body in liquidation in respect of redundancy payments, and

(b) where the order does so, those liabilities shall be taken into account in determining the amount of consideration (if any) which those persons are required to pay by virtue of section 277(3).

(2) Subsection (1) does not apply to any property held on trust for the purposes of the school otherwise than by the governing body.

(3) Where the premises used or formerly used for the purposes of the school, or any part of those premises, are to be used for the purposes of a new or existing grant-maintained school, an order under section 274 may provide for the transfer to the governing body of the new or existing school of such rights or liabilities of the governing body in liquidation as were acquired or incurred in connection with the premises which are to be so used.

(4) If—

(a) the school was an aided or special agreement school immediately before it became grant-maintained,

(b) proposals have been approved under section 43 (approval of proposals for establishment or alteration of voluntary schools) for the maintenance as a voluntary school of a school which is proposed to be established on the school premises, and

(c) the Secretary of State has directed that the proposed school shall be an aided school,

any section 67 loan liabilities of the governing body in liquidation shall on the dissolution date be transferred to and become liabilities of the temporary governing body of the new school (subject to any variation of the terms applicable in relation to the loans in question immediately before that date that may be agreed between the Secretary of State and that governing body).

(5) If—

(a) subsection (4)(a) and (b) apply, but

(b) no direction that the proposed school shall be an aided school has been given before the dissolution date,

any section 67 loan liabilities of the governing body shall be terminated on that date.

(6) If—

(a) any liabilities of the governing body have been terminated by virtue of subsection (5), and

(b) a new voluntary school is established on the school premises in pursuance of any proposals approved under section 43,

(1) If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school, his parent is guilty of an offence.

(2) Subsections (3) to (6) below apply in proceedings for an offence under this section in respect of a child who is not a boarder at the school at which he is a registered pupil.

(3) The child shall not be taken to have failed to attend regularly at the school by reason of his absence from the school—
   (a) with leave,
   (b) at any time when he was prevented from attending by reason of sickness or any unavoidable cause, or
   (c) on any day exclusively set apart for religious observance by the religious body to which his parent belongs.

(4) The child shall not be taken to have failed to attend regularly at the school if the parent proves—
   (a) that the school at which the child is a registered pupil is not within walking distance of the child’s home, and
   (b) that no suitable arrangements have been made by the local education authority or the funding authority for any of the following—
      (i) his transport to and from the school,
      (ii) boarding accommodation for him at or near the school, or
      (iii) enabling him to become a registered pupil at a school nearer to his home.

(5) In subsection (4) “walking distance”—
   (a) in relation to a child who is under the age of eight, means 3.218688 kilometres (two miles), and
   (b) in relation to a child who has attained the age of eight, means 4.828032 kilometres (three miles),
   in each case measured by the nearest available route.
(6) If it is proved that the child has no fixed abode, subsection (4) shall not apply, but the parent shall be acquitted if he proves—
   (a) that he is engaged in a trade or business of such a nature as to require him to travel from place to place,
   (b) that the child has attended at a school as a registered pupil as regularly as the nature of that trade or business permits, and
   (c) if the child has attained the age of six, that he has made at least 200 attendances during the period of 12 months ending with the date on which the proceedings were instituted.

(7) In proceedings for an offence under this section in respect of a child who is a boarder at the school at which he is a registered pupil, the child shall be taken to have failed to attend regularly at the school if he is absent from it without leave during any part of the school term at a time when he was not prevented from being present by reason of sickness or any unavoidable cause.

(8) A person guilty of an offence under this section is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(9) In this section “leave”, in relation to a school, means leave granted by any person authorised to do so by the governing body or proprietor of the school.

445 Presumption of age

(1) This section applies for the purposes of any proceedings for an offence under section 443 or 444.

(2) In so far as it is material, the child in question shall be presumed to have been of compulsory school age at any time unless the parent proves the contrary.

(3) Where a court is obliged by virtue of subsection (2) to presume a child to have been of compulsory school age, section 565(1) (provisions as to evidence) does not apply.

446 Institution of proceedings

Proceedings for an offence under section 443 or 444 shall not be instituted except by a local education authority.

447 Education supervision orders

(1) Before instituting proceedings for an offence under section 443 or 444, a local education authority shall consider whether it would be appropriate (instead of or as well as instituting the proceedings) to apply for an education supervision order with respect to the child.

(2) The court—
   (a) by which a person is convicted of an offence under section 443, or
   (b) before which a person is charged with an offence under section 444,
may direct the local education authority instituting the proceedings to apply for an education supervision order with respect to the child unless the authority, having consulted the appropriate local authority, decide that the child’s welfare will be satisfactorily safeguarded even though no education supervision order is made.
(3) Where, following such a direction, a local education authority decide not to apply for an education supervision order, they shall inform the court of the reasons for their decision.

(4) Unless the court has directed otherwise, the information required under subsection (3) shall be given to the court before the end of the period of eight weeks beginning with the date on which the direction was given.

(5) Where—

   (b) the court decides that section 36(3) of the Children Act 1989 (education supervision orders) prevents it from making the order,
   the court may direct that the school attendance order shall cease to be in force.

(6) In this section—
   “the appropriate local authority” has the same meaning as in section 36(9) of the Children Act 1989, and
   “education supervision order” means an education supervision order under that Act.

549 Interpretation of section 548

(1) Subject to subsection (2), references in section 548 to giving corporal punishment are to doing anything for the purpose of punishing the pupil concerned (whether or not there are also other reasons for doing it) which, apart from any justification, would constitute battery.

(2) A person is not to be taken for the purposes of section 548 as giving corporal punishment by virtue of anything done for reasons that include averting an immediate danger of personal injury to, or an immediate danger to the property of, any person (including the pupil concerned).

(3) In determining for the purposes of section 548(2) whether punishment is inhuman or degrading regard shall be had to all the circumstances of the case, including the reason for giving it, how soon after the event it is given, its nature, the manner and circumstances in which it is given, the persons involved and its mental and physical effects.

(4) In section 548 “member of the staff” means—
(a) in relation to a person who is a pupil by reason of the provision of education for him at a school, any teacher who works at the school and any other person who has lawful control or charge of the pupil and works there; and
(b) in relation to a person who is a pupil by reason of the provision of education for him by a local education authority at a place other than a school, any teacher employed by the authority who works at that place and any other person employed by the authority who has lawful control or charge of the pupil and works there.

(5) In section 548 and this section “pupil” does not include any person who has attained the age of 18.

550 No avoidance of section 548 by refusing admission to school etc

A person shall not be debarred from receiving education (whether by refusing him admission to a school, suspending his attendance or otherwise) by reason of the fact that any provision of section 548 applies in relation to him or, if he were admitted, might so apply.

(2) The Secretary of State may, on the application of any person whose approval or order would apart from this section be required under such a scheme, direct that the requirement shall continue to have effect despite subsection (1); but no liability shall be taken to have been incurred in respect of any failure before the making of such a direction to obtain any such approval or order.

Religious educational trusts

554 Power to make new provision as to use of endowments

(1) This section applies where—

(a) the premises of a voluntary or grant-maintained school have ceased to be used for a voluntary or (as the case may be) grant-maintained school; or

(b) in the opinion of the Secretary of State it is likely such premises will cease to be so used.

(2) In such a case the Secretary of State may (subject to sections 555 and 556(1) and (2)) by order make new provision as to the use of any endowment if it is shown either—

(a) that the endowment is or has been held wholly or partly for or in connection with the provision at the school of religious education in accordance with the tenets of a particular religion or religious denomination; or

(b) that the endowment is or has been used wholly or partly for or in connection with the provision at the school of such religious education and that (subject to subsection (4)) the requirements of subsection (3) are fulfilled.

(3) The requirements of this subsection are—

(a) that the school was or has been maintained as a voluntary school since 1st April 1945 (the date when Part II of the Education Act 1944 came into force) or, in the case of a grant-maintained school, was so maintained from that date until immediately before it became a grant-maintained school; and

(b) that religious education in accordance with the tenets of the religion or denomination concerned—

(3) Such notice shall be given—
(a) by giving to any persons appearing to the Secretary of State to be trustees of an endowment affected by the proposed order a notice of the proposal to make it, together with a draft or summary of the provisions proposed to be included; and
(b) by publishing, in such manner as the Secretary of State thinks sufficient for informing any other persons interested, a notice of the proposal to make the order and of the place where any person interested may (during a period of not less than a month) inspect such a draft or summary, and by keeping a draft or summary available for inspection in accordance with the notice.

(4) The Secretary of State shall take into account any representations made to him by any person interested before the order is made.

(1) An order under section 554—
(a) may require or authorise the disposal by sale or otherwise of any land or other property forming part of an endowment affected by the order, including the premises of the school and any teacher’s dwelling-house; and

(b) may consolidate any endowments to be dealt with by the scheme.

(2) Subject to subsection (1), and to any provision affecting the endowments which is a provision of a public general Act of Parliament, an order under section 554 shall establish and give effect, with a view to enabling the religion or denomination concerned to participate more effectively in the administration of the statutory system of public education, to a scheme or schemes for the endowments dealt with by the order to be used for appropriate educational purposes either—

(a) in connection with schools which are voluntary schools or grant-maintained schools; or

(b) partly in connection with such schools (or either description of such schools) and partly in other ways related to the locality served by the voluntary or grant-maintained school at the premises that have gone or are to go out of use for such a school.

(3) In subsection (2) “use for appropriate educational purposes” means use for educational purposes in connection with the provision of religious education in accordance with the tenets of the religion or denomination concerned (including in particular, but without prejudice to the generality of the foregoing, use for any purpose specified in Schedule 36).

(4) A scheme given effect under section 554—

(a) may provide for the retention of the capital of any endowment and application of the accruing income; or

(b) may authorise the application or expenditure of capital to such extent and subject to such conditions as may be determined by or in accordance with the scheme;

and any such scheme may provide for the endowments dealt with by the scheme or any part of them to be added to any existing endowment applicable for any such purpose as is authorised for the scheme by subsection (2).

(5) Where a scheme given effect under section 554 provides for the endowments dealt with by the order or any part of them to be used for the purposes specified in Schedule 36, any such scheme may provide for the endowments thereby dealt with or any part of them to be added to any existing endowment applicable for those purposes (whether it is so applicable by virtue of a scheme given effect to under that section or otherwise).

(6) Section 568(5) does not apply to an order under section 554, but such an order may include such incidental or supplementary provisions as appear to the Secretary of State to be necessary or expedient either for the bringing into force or for the operation of any scheme established by it, including in particular provisions—

(a) for the appointment and powers of trustees of the property comprised in the scheme or, if the property is not all applicable for the same purposes, of any part of that property; and

(b) for the property or any part of it to vest by virtue of the scheme in the first trustees under the scheme or trustees of any endowment to which it is to be added or, if not so vested, to be transferred to them.
(7) Any order under section 554 shall have effect despite any Act of Parliament (other than a public general Act), letters patent or other instrument relating to, or trust affecting, the endowments dealt with by the order.

(3) The uniform statutory trusts are those set out in Schedule 36.

(4) On the adoption by trustees of the uniform statutory trusts in respect of any endowments the scheme or order which regulates the endowments shall have effect as if the uniform statutory trusts are incorporated in the scheme or order to the exclusion of the corresponding provisions of the scheme or order.

(5) The trustees of two or more endowments which are held on the uniform statutory trusts may, by resolution complying with subsection (6), consolidate all or any of those endowments and, where they do so, the endowments shall be treated, for all purposes, as held for the purposes of a single charity.

(6) For a resolution to comply with this subsection—
   (a) it must be passed by a simple majority of the trustees or, if the trustees are a body corporate or a company, by a simple majority of the members of the body corporate or an ordinary resolution of the company; and
   (b) it must be recorded in the records of the decisions of the trustees affecting the endowments of the trust.

(7) Where trustees pass a resolution under subsection (2), it shall be their duty to send a copy of the resolution to the Secretary of State.

(8) The uniform statutory trusts applicable to endowments to which this section applies shall not affect—
the rights of any person under the third proviso to section 2 of the School Sites Act 1841, under section 86(3) of the Education Act 1944 or under section 1 of the Reverter of Sites Act 1987 (rights replacing certain reversionary interests in land), or

(b) the rights of any local education authority which have arisen under paragraph 7 or 8 of the First Schedule to the Education Act 1946 (rights in relation to school sites provided by such authorities) or which may arise under section 60(4) or 62(2),

except in so far as any right falling within paragraph (a) above is or has been extinguished by an order under section 554 of this Act or section 2 of the Education Act 1973 made by virtue of section 5 of the Reverter of Sites Act 1987.

559 Power of local education authorities to prohibit or restrict employment of children

(1) If it appears to a local education authority that a child who is a registered pupil at a county, voluntary or special school is being employed in such a manner as to be prejudicial to his health, or otherwise to render him unfit to obtain the full benefit of the education provided for him, the authority may serve a notice in writing on the employer—
   (a) prohibiting him from employing the child, or
   (b) imposing such restrictions upon his employment of the child as appear to them to be expedient in the interests of the child.

(2) A local education authority may serve a notice in writing on the parent or employer of a child who is a registered pupil at a county, voluntary or special school requiring the parent or employer to provide the authority, within such period as may be specified in the notice, with such information as appears to the authority to be necessary for the purpose of enabling them to ascertain whether the child is being employed in such a manner as to render him unfit to obtain the full benefit of the education provided for him.

(3) A person who—
   (a) employs a child in contravention of any prohibition or restriction imposed under subsection (1), or

   (a) regulates the employment of young persons (whether by excluding them from any description of work, prescribing the conditions under which they may be permitted to do it or in any other way), and
   (b) would apply in relation to him if he were of an age to be treated as a young person for the purposes of that enactment,
shall apply in relation to him, in and in respect of the employment arranged for him, in all respects as if he were of an age to be so treated.

SCHEDULE 4

DISTRIBUTION OF FUNCTIONS WHERE ORDER MADE UNDER SECTION 27

PART I

INTRODUCTORY

1 (1) Where an order under section 27 is in force, the Education Acts shall have effect
       subject to—
       (a) this Schedule, and
       (b) the provisions of this Act which modify the effect of any provision of those
           Acts, or confer new functions, in respect of any area to which such an order
           applies.

   (2) In particular, to the extent that this Schedule governs the payments to be made
       to any local education authority or the governing body of any grant-maintained
       school in respect of charges by that authority or body for the provision of board and
       lodging (at a boarding school or otherwise than at school), section 458(2) to (5) and
       section 514(5) (charges) shall not apply.
(3) In this Schedule—
   (a) sections 458(1) and 514(4) are referred to as the “existing charging provisions”; and
   (b) “maintained school” means any county or voluntary school or any maintained special school not established in a hospital.

**PART II**

**FUNCTIONS WHERE RESPONSIBILITY FOR PROVIDING SUFFICIENT SCHOOL PLACES IS SHARED**

**Introductory**

2 If an order under section 27(1)(a) applies to the area of a local education authority, this Part of this Schedule has effect in respect of that area in relation to relevant education.

**Responsibility for providing sufficient school places**

3 (1) If the schools providing relevant education which are available for the area are not sufficient, the funding authority shall, for the purpose of securing the availability of sufficient schools providing such education for the area, exercise their powers to make proposals for the establishment, alteration and discontinuance of schools.

(2) In performing that duty, the funding authority shall have regard to the need for securing that special educational provision is made for pupils who have special educational needs.

(3) The schools available for any area shall not be treated as sufficient for the purposes of this paragraph unless they are sufficient for the purposes of section 14(1) (duty of local education authority to secure availability of schools).

(4) Nothing in this paragraph requires a funding authority to take any action where to do so would not be an effective use of their resources.

(5) In this paragraph “powers to make proposals for the establishment, alteration and discontinuance of schools” means all or any of the powers to publish proposals under sections 211, 260 or 268 or give notice of proposals under section 339.

**PART III**

**FUNCTIONS WHERE RESPONSIBILITY FOR PROVIDING SUFFICIENT SCHOOL PLACES IS TRANSFERRED**

**Introductory**

4 If an order under section 27(1)(b) applies to the area of a local education authority, this Part of this Schedule has effect in respect of that area in relation to relevant education.
Responsibility for providing sufficient school places

5 (1) The duty under section 14(1) shall be discharged by the funding authority instead of the local education authority.

(2) In discharging that duty the funding authority shall, in particular, have regard to the matters referred to in section 14(6)(b) (provision for pupils who have special educational needs).

SCHEDULE 39

TRANSITIONAL PROVISIONS AND SAVINGS

PART I

GENERAL

General transitional provisions

1. (1) The repeal and re-enactment of provisions by this Act does not affect the continuity of the law.

(2) Any subordinate legislation made or other thing done, or having effect as if made or done, under or for the purposes of any provision repealed and re-enacted by this Act shall, if in force or effective immediately before the commencement of the corresponding provision of this Act, have effect thereafter as if made or done under or for the purposes of that corresponding provision.

(3) Any reference (express or implied) in this Act or any other enactment or in any instrument or document—

(a) to any provision of this Act, or

(b) to things done or falling to be done under or for the purposes of any provision of this Act,

shall (so far as the context permits) be construed as including, in relation to times, circumstances or purposes in relation to which the corresponding provision repealed by this Act had effect, a reference—

(i) to that corresponding provision, or

(ii) to things done or falling to be done under or for the purposes of that corresponding provision,

as the case may be.

(4) Any reference (express or implied) in any enactment or in any instrument or document—

(a) to any provision repealed and re-enacted by this Act, or

(b) to things done or falling to be done under or for the purposes of any such provision,

shall (so far as the context permits) be construed as including, in relation to times, circumstances or purposes in relation to which the corresponding provision of this Act has effect, a reference—

(i) to that corresponding provision, or

(ii) to things done or falling to be done under or for the purposes of that corresponding provision,

as the case may be.

(5) Without prejudice to the generality of sub-paragraph (4), where a power conferred by an Act is expressed to be exercisable in relation to enactments contained in Acts passed before or in the same Session as the Act conferring the power, the power is also exercisable in relation to provisions of this Act which reproduce such enactments.
(6) Sub-paragraphs (1) to (5) have effect instead of section 17(2) of the Interpretation Act 1978 (but are without prejudice to any other provision of that Act); and sub-paragraph (1) has effect subject to any amendments of the law which give effect to recommendations of the Law Commission.

(7) Sub-paragraph (2) does not apply to any subordinate legislation in so far as it is reproduced in this Act.

**Extension of references to provisions repealed by Education Act 1993**

2

(1) Paragraph 1(3) above shall have effect, for the purpose of extending references so as to include references to (or to things done or falling to be done under) the pre-1993 Act enactments, as if any reference in paragraph 1(3) to the corresponding provision repealed by this Act were a reference to the corresponding provision of those enactments.

(2) Paragraph 1(4) above shall have effect, for the purpose of extending references to (or to things done or falling to be done under) the pre-1993 Act enactments, as if any reference in paragraph 1(4) to any provision repealed and re-enacted by this Act were a reference to a provision of those enactments.

(3) Any reference in any provision of the Education Acts to a funding authority, in relation to any function which, under a corresponding provision of the pre-1993 Act enactments, was exercisable by the Secretary of State shall (so far as the context permits) be construed, in relation to times, circumstances or purposes in relation to which the corresponding provision of those enactments had effect, as a reference to the Secretary of State.

(4) In this paragraph “the pre-1993 Act enactments” means the enactments specified in Part I of Schedule 21 to the Education Act 1993 (repeals).

**Construction of pre-1944 Act references**

3

Where immediately before the commencement of this Act any reference in any enactment, instrument or document had effect as if it were a reference to the Secretary of State or the Department for Education and Employment by virtue of the operation of section 2(1) of the Education Act 1944 and any order made under the Ministers of the Crown Act 1975, it shall continue to do so despite the repeal of that provision by this Act.

4

(1) This paragraph applies to enactments passed before 1st April 1945.

(2) Unless the context otherwise requires any such enactment shall be construed as if—

(a) any reference to an elementary school or to a public elementary school (whether or not any reference is made there to the payment of parliamentary grants in respect of the school) were a reference to a county school or voluntary school, as the context may require;

(b) any reference to a school certified by the Board of Education, in accordance with the provisions of Part V of the Education Act 1921, as suitable for providing education for blind, deaf, defective or epileptic children were a reference to a special school;

(c) any reference to the managers of a school, in relation to a county school or voluntary school, were a reference to the governors (or, if the context so requires, the governing body) of the school;
(d) any reference to elementary education or to higher education were a reference to such education as may be provided by a local education authority in the exercise of their functions under sections 13 to 15 of this Act; and

(e) any reference to a local education authority, to a local education authority for elementary education or to a local education authority for higher education were a reference to a local education authority within the meaning of this Act.

Effect of old transitional provisions and savings

5 The repeals made by this Act shall not affect the operation of any transitional provision or saving relating to the coming into force of a provision reproduced in this Act in so far as the transitional provision or saving is not specifically reproduced in this Act but remains capable of having effect in relation to the corresponding provision of this Act or otherwise.

6 (1) The repeal by this Act of an enactment previously repealed subject to savings does not affect the continued operation of those savings.

(2) The repeal by this Act of a saving on the previous repeal of an enactment does not affect the saving so far as it is not specifically reproduced in this Act but remains capable of having effect.

Use of existing forms etc.

7 Any reference to an enactment repealed by this Act which is contained in a document made, served or issued after the commencement of that repeal shall be construed, except so far as a contrary intention appears, as a reference or (as the context may require) including a reference to the corresponding provision of this Act.

Pre-commencement offences

8 Nothing in this Act affects the enactments repealed by this Act in their operation in relation to offences committed before the commencement of this Act.

PART II

9 (1) Any governing body which immediately before the commencement of this Act was incorporated by virtue of section 238 of the Education Act 1993 (incorporation of governing bodies of county, voluntary and maintained special schools) shall continue in existence as a body corporate despite the repeal of that section by this Act.

(2) In Schedule 7 to this Act any reference to a governing body incorporated under section 88(1) of this Act includes a reference to a governing body falling within sub-paragraph (1).
(3) Despite the repeal by this Act of Schedule 13 to the Education Act 1993 (incorporated governing bodies for county, voluntary and maintained special schools)—

(a) paragraph 3 of that Schedule (contracts of employment) shall continue to apply to, or in relation to, any contract of employment to which it applied immediately before the commencement of this Act; and

(b) to the extent that any provision of paragraphs 13 to 15 (general provisions about transfers) applied in relation to any transfer immediately before the commencement of this Act, it shall continue so to apply.

(1) The reproduction by this Act of any reference, in an enactment repealed by this Act, to the governors of a school of any description as a reference to the governing body of a school of that description shall not be taken to affect the construction or operation of that enactment in relation to any times, circumstances or purposes in relation to which it had effect.

(2) Where by virtue of section 1(4) of the Education Act 1980 any enactment or document referred immediately before the commencement of this Act to the governors, foundation governors, instrument of government or articles of government of a primary school to which section 1(2) and (3) of that Act applied, it shall continue to do so despite the repeal of section 1(4) by this Act.

Where any instrument under which the governing body of an aided or special agreement school is constituted was in force immediately before the commencement of this Act by virtue of paragraph 1 of Schedule 5 to the Education (No. 2) Act 1986, the instrument shall have effect thereafter as if made by order under section 76 of this Act; but this paragraph shall cease to apply to any such school if it is grouped with any other school or schools under section 89 of this Act.

Special agreement schools

(1) Any order under section 15(2) of the Education Act 1944 directing that a school is to be a special agreement school shall, if in force immediately before the commencement of this Act, continue in force despite the repeal by this Act of section 15(2) of that Act.

(2) Sub-paragraph (1) does not prejudice the operation of paragraph 1(2) above in relation to other orders in force under section 15(2) of that Act immediately before the commencement of this Act.

Proposals to establish etc. maintained or grant-maintained schools

(1) Nothing in sections 35 to 45 or in sections 259 to 263 of this Act applies in relation to any proposals published before the commencement of this Act; and the corresponding provisions of the Education Act 1980 and the Education Act 1993 shall continue to apply in relation to any proposals duly published under section 12(1) (a) to (d) or 13 of the 1980 Act or section 96 or 97 of the 1993 Act as if this Act had not been passed.

(2) Sub-paragraph (1) does not prevent references in other provisions of this Act to proposals published or implemented under any of those sections of this Act from applying, by virtue of paragraph 1(3) above, to any proposals falling within sub-paragraph (1).
Review of constitution of governing bodies

14 (1) Subject to sub-paragraph (2), nothing in section 82 of this Act applies in relation to the implementation of any proposal made before the commencement of this Act, and section 11 of the Education (No. 2) Act 1986 shall continue to apply in relation to the implementation of any such proposal falling within subsection (2)(a) of that section as if this Act had not been passed.

(2) In section 82(2) of this Act—
   (a) in paragraph (b), the reference to proposals falling within subsection (3) of that section includes a reference to proposals falling within section 11(2) of the 1986 Act; and
   (b) in paragraph (c) the reference to a relevant event for the purposes of section 82 includes a reference to a relevant event for the purposes of section 11 of the 1986 Act;
and any date determined by the local authority under section 11(6) of the 1986 Act shall be taken, for the purposes of section 82(2) of this Act, to be the date on which the proposals in question were implemented.

Confirmation of certain decisions of governing body

15 Paragraph 16(1) of Schedule 8 to this Act does not apply to any decision taken before the commencement of this Act, and section 8(11) of the Education (No. 2) Act 1986 shall continue to apply to any such decision falling within section 8(12) as if this Act had not been passed.

Review of grouping

16 The reference in section 94(2)(c) of this Act to an order under section 50 or 51 or 58(1) of this Act does not, by virtue of paragraph 1(3) above, include a reference to an order made before the commencement of this Act under section 2 of the Education Act 1946 or section 15(5) of the Education Act 1944.

Financial delegation

17 (1) Without prejudice to paragraph 1(3) above—
   (a) the reference in section 101(1) of this Act to a scheme made by a local education authority under section 103 of this Act includes a reference to a scheme in force immediately before the commencement of this Act which was made under section 33 of the Education Reform Act 1988 (including one made by way of variation or replacement of such a scheme under section 35 of that Act); and
   (b) the reference in section 104(6) of this Act to section 104(5) includes a reference to section 34(6) of that Act.

(2) In relation to any such scheme made (or treated as if made) under section 33 of that Act, the reference in section 110(2) of this Act to the date of the coming into force of the scheme is (subject to sub-paragraph (3) below) a reference to the date of its coming into force as first made under section 33 (or 34(6)) of that Act.

(3) Where the initial period of any such scheme made before 1st January 1994 (the date on which section 274 of the Education Act 1993 came into force) was before 1st January 1994 determined by reference to a date later than that referred to in sub-
paragraph (2) above, section 110(2) of this Act shall have effect in relation to the scheme as if it instead referred to that later date.

18 Nothing in section 141 of this Act requires a local education authority to amend the articles of government of a school if, before the commencement of this Act, they have already amended those articles in accordance with section 44(4) of the Education Reform Act 1988.

School sessions

Variation of trust deeds etc.

22 In section 179(1) of this Act—
   (a) paragraph (b) does not apply to a transfer made before the commencement of this Act unless it was made in pursuance of proposals that fell to be implemented under section 12 or 13 of the Education Act 1980; but
   (b) in paragraph (d) the reference to any order made by the Secretary of State under section 47 of this Act includes a reference to any order made under section 16(1) of the Education Act 1944 (whether made in relation to a county school or a voluntary school).

(2) The instrument and articles of government for the school shall continue to have effect as if made under section 219 of this Act; and while they remain in force Schedule 24 to this Act shall apply in relation to the school with the following modifications.
