(2) Notwithstanding the generality of the foregoing paragraph, the notice of poll shall contain information about the number of councillors to be elected to the ward in question.

(3) The names of the candidates in the notice of poll shall be arranged in the same manner as they are arranged on the ballot paper in accordance with rule 14(2).

(4) The returning officer shall, not later than the time of the publication of the notice of the poll, also give public notice of—

(2) One or more polling stations may be provided in the same room.

(3) The polling station allotted to electors from any parliamentary polling district wholly or partly within the electoral ward shall, in the absence of special circumstances, be in the parliamentary polling place for that district, unless that place is outside the electoral ward.

but shall not appoint any person who has been employed by or on behalf of a candidate in or about the election.

(2) The returning officer may preside at a polling station and the provisions of these rules relating to a presiding officer shall apply to a returning officer so presiding with the necessary modifications as to things done by the returning officer to the presiding officer or by the presiding officer to the returning officer.

(3) A presiding officer may authorise the clerks appointed to assist such presiding officer to do any act (including the asking of questions) which such presiding officer is required or authorised by these rules to do at a polling station, except order the exclusion or removal of any person from the polling station.

23.—(1) The returning officer shall as soon as practicable after the issue of the notice of poll send to electors and their proxies an official poll card, an official postal poll card, an official poll card issued to the proxy of an elector and an official postal poll card issued to the proxy of an elector, as appropriate.

(2) An official poll card shall not be sent to a person registered, or to be registered, in pursuance of an overseas elector's declaration.

(3) An elector's official poll card or notification shall be sent or delivered to such elector's qualifying address, and a proxy's official poll notification to such proxy's address as shown in the list of proxies.

(4) The official poll card, the official postal poll card, the official poll card issued to the proxy of an elector and the official postal poll card issued to the proxy of an elector shall be in the form set out in Forms 9, 10, 11 and 12 respectively, or a form to the like effect, and shall include—

- (a) the name of the council and of the electoral ward to which councillors are to be elected and the number of councillors to be elected for that electoral ward;

Equipment of polling stations

24.—(1) The returning officer shall provide each presiding officer with such number of ballot boxes and ballot papers as the returning officer considers necessary.

(3) The returning officer shall provide each polling station with—

- (a) materials to enable voters to mark the ballot papers;
- (b) copies of the register of electors for the electoral ward or such part of it as contains the entries relating to the electors allotted to the station;
- (c) the parts of any lists of persons entitled to vote by post or by proxy prepared for the election corresponding to the register of electors for the electoral ward or the part of it provided under sub paragraph (b);

- (d) copies of forms of declarations and other documents required for the purpose of the poll; and
- (e) part two of the corresponding number list, which contains the numbers (but not the other unique identifying marks) corresponding to those on the ballot papers provided to the presiding officer of the polling station.

(4) The reference in paragraph (3)(b) to the copies of the registers of electors includes a reference to copies of any notices issued under section 13B(3B) or (3D) of the 1983 Act in respect of alterations to the register.

(5) A notice in the form set out in Form 13, giving directions for the guidance of voters in voting, shall be printed

and exhibited inside and outside every polling station and in every compartment of every polling station.

(6) The returning officer shall also provide each polling station with—

- (a) an enlarged hand-held sample copy of the ballot paper for the assistance of voters who are partially sighted; and
- (b) a device for enabling voters who are blind or partially sighted to vote without any need for assistance from the presiding officer or any companion.

(7) The returning officer may cause to be displayed at every polling station an enlarged sample copy of the ballot paper clearly marked as a specimen provided only for the guidance of voters and may include a translation of those words into such other languages as is reasonably practicable.

(8) The sample copy mentioned in paragraph (6)(a) and (7) must be clearly marked as a specimen provided only for the guidance of voters.

Appointment of polling and counting agents

25.—(1) Each candidate may, before the commencement of the poll, appoint—

- (a) polling agents to attend at polling stations for the purpose of detecting personation; and
- (b) counting agents to attend at the counting of the votes.

(2) The returning officer may limit the number of counting agents, but the number shall be the same in the case of each candidate.

(3) Notice in writing of the appointment, stating the names and addresses of the persons appointed, shall be given by the candidate to the returning officer and shall be so given not later than the Thursday before the day of election.

(4) If an agent dies, or becomes incapable of acting, the candidate may appoint another agent in such agent's place, and shall forthwith give to the returning officer notice in writing of the name and address of the agent appointed.

(5) The foregoing provisions of this rule shall be without prejudice to the requirements of section 72(1) of the 1983 Act as to the appointment of paid polling agents, and any appointment authorised by this rule may be made and the notice of appointment given to the returning officer by the candidate's election agent, instead of by the candidate.

(6) In the following provisions of these rules, references to polling agents and counting agents shall be taken as references to agents—

- (a) whose appointments have been duly made and notified; and
- (b) where the number of agents is restricted, who are within the permitted number.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(7) Any notice required to be given to a counting agent by the returning officer may be delivered at or sent by post to the address stated in the notice of appointment and, where a candidate has no counting agent, any such notice shall be given to the candidate.

(8) A candidate may do any act or thing which any polling or counting agent of such candidate, if appointed, would have been authorised to do, or may assist such agent in doing any such act or thing.

(9) A candidate's election agent may do or assist in doing anything which a polling or counting agent of such candidate is authorised to do; and anything required or authorised by these rules to be done in the presence of the polling or counting agents may be done in the presence of a candidate's election agent instead of such candidate's polling agent or counting agents.

(10) Where by these rules any act or thing is required or authorised to be done in the presence of the polling or counting agents, the non attendance of any agent or agents at the time and place appointed for the purpose shall not, if the act or thing is otherwise duly done, invalidate the act or thing done.

Notification of requirement of secrecy

26.—(1) The returning officer shall make such arrangements as are reasonably practicable to ensure that every person attending at a polling station has been given a copy in writing of the provisions of subsections (1), (3), (5) and (6) of section 66 of the 1983 Act and that every person attending at the counting of the votes has been given a copy in writing of subsections (2) and (6) of that section.

(5) Any certificate surrendered under this rule shall forthwith be cancelled.

Keeping of order in station

28.—(1) It is the presiding officer's duty to keep order at the polling station.

(2) If a person commits a misconduct in a polling station, or fails to obey the presiding officer's lawful orders, such person may immediately, by the presiding officer's order, be removed from the polling station—

(a) by a constable in or near that station; or

(b) by any other person authorised in writing by the returning officer to remove such person, and the person so removed shall not, without the presiding officer's permission, again enter the polling station during that day.

(3) Any person so removed may, if charged with the commission in the polling station of an offence, be dealt with as a person taken into custody by a constable for an offence without a warrant.

(4) The powers conferred by this rule shall not be exercised so as to prevent a voter who is otherwise entitled to vote at a polling station from having an opportunity of voting at that station.

Sealing of ballot boxes

29. Immediately before the commencement of the poll, the presiding officer shall—

(a) show each ballot box proposed to be used for the purposes of the poll empty to such persons, if any, as are present in the polling station, so that they may see that each box is empty;

(b) place the presiding officer's seal on it in such a manner as to prevent it being opened without breaking the seal;

(c) place each box in the presiding officer's view for the receipt of ballot papers; and

(d) keep it so sealed.

Questions to be put to voters

33.—(1) The presiding officer, on the application of a voter—

- (a) who is incapacitated by blindness or other disability from voting in manner directed by these rules; or
- (b) who declares orally an inability to read,

shall, in the presence of the polling agents, cause the voter's vote to be marked on a ballot paper in the manner directed by the voter, and the ballot paper to be placed in the ballot box.

(2) The name and number on the register of electors of every voter whose vote is marked in pursuance of this rule, and the reason why it is so marked, shall be entered on a list (in these rules called "the list of votes marked by the presiding officer") and in the case of a person voting as proxy for an elector, the number to be entered together with the voter's name shall be the elector's number.

(3) In the case of a person in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act, paragraph (2) applies as if for "on the register of electors of every voter" there were substituted "relating to every voter in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act".

Voting by persons with disabilities

34.—(1) If a voter makes an application to the presiding officer to be allowed, on the ground of—

- (a) blindness or other physical disability; or
- (b) inability to read,

to vote with the assistance of another person by whom such voter is accompanied (in these rules referred to as "the companion"), the presiding officer shall require the voter to declare, orally or in writing, whether such voter is so disabled by blindness or other disability, or by inability to read, as to be unable to vote without assistance.

(2) If the presiding officer—

- (a) is satisfied that the voter is so incapacitated, and
- (b) is also satisfied by a written declaration made by the companion (in these rules referred to as "the declaration made by the companions of voters with disabilities") that the companion—
 - (i) is a qualified person within the meaning of this rule, and
 - (ii) has not previously assisted more than one voter with disabilities to vote at the election,

(3) For the purposes of these rules, a person is a voter with disabilities if such person has made such a declaration as is mentioned in paragraph (1), and a person shall be qualified to assist a voter with disabilities to vote if that person—

of a person voting as proxy for an elector, the number to be entered together with the voter's name shall be the elector's number.

(5) In paragraph (4), where the voter being assisted by a companion has an anonymous entry, only the voter's number in the register of electors shall be entered on the list of voters with disabilities assisted by companions.

(6) In the case of a person in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act, paragraph (4) applies as if for "in the register of electors of every voter" there were substituted "relating to every voter in respect of whom a notice has been issued under section 13B(3B) or (3D) of the 1983 Act".

(7) The declaration made by the companion under paragraph (2)(b)–

- (a) shall be in the form set out in Form 15; and

(8) No fee or other payment shall be charged in respect of the declaration.

Tendered ballot papers

35.—(1) If a person, representing to be–

- (a) a particular elector named on the register and not named in the special lists; or
- (b) a particular person named in the list of proxies as proxy for an elector and not entitled to vote by post as proxy,

applies for a ballot paper after another person has voted in person either as the elector or the elector's proxy, the applicant shall, on satisfactorily answering the questions permitted by law to be asked at the poll, be entitled, subject to the following provisions of this rule, to mark a ballot paper (in these rules referred to as a "tendered ballot paper") in the same manner as any other voter.

(2) Paragraph (4) applies if–

- (a) a person applies for a ballot paper representing that the person is a particular elector named on the register;
- (b) the person is also named in the postal voters list; and
- (c) the person claims that no application to vote by post at the election was made by that person.

(3) Paragraph (4) also applies if–

- (a) a person applies for a ballot paper representing that the person is a particular person named as a proxy in the list of proxies;
- (b) the person is also named in the proxy postal voters list; and
- (c) the person claims that no application to vote by post as proxy was made by that person.

(4) The person shall, on satisfactorily answering the questions permitted by law to be asked at the poll, be entitled, subject to the following provisions of this rule, to mark a tendered ballot paper in the same manner as any other voter.

(5) Paragraph (6) applies if before the close of the poll but after the last time at which a person may apply for a replacement postal ballot paper, a person represents that the person is–

- (a) a particular elector named on the register and who is also named in the postal voters list; or
- (b) a particular person named as a proxy in the list of proxies and who is also named in the proxy postal voters list,

and claims that the person has lost or has not received the postal ballot paper.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(6) The person shall, on satisfactorily answering the questions permitted by law to be asked at the poll, be entitled, subject to the following provisions of this rule, to mark a tendered ballot paper in the same manner as any other voter.

(7) A tendered ballot paper shall—

- (a) be of a colour differing from the other ballot papers;
- (b) instead of being put into the ballot box, be given to the presiding officer and endorsed by the presiding officer with the name of the voter and the voter's number in the register of electors, and set aside in a separate packet.

(8) The name of the voter and the voter's number on the register of electors shall be entered on a list (in these rules referred to as the "tendered votes list") and the voter must sign the list opposite the entry relating to that elector.

(9) In the case of a person voting as proxy for an elector, the number to be endorsed or entered together with the voter's name shall be the number of that elector.

(10) This rule applies to an elector who has an anonymous entry subject to the following modifications—

- (a) in paragraphs (7)(b) and (8) the references to the name of the voter must be ignored;
- (b) otherwise, a reference to a person named on a register or list must be construed as a reference to a person whose number appears on the register or list (as the case may be).

(11) This rule applies in the case of a person in respect of whom a notice has been issued under section 13(3B) or (3D) of the 1983 Act as if—

- (a) in paragraphs (1)(a), (2)(a) and (5)(a) for "named on the register" there were substituted "in respect of whom a notice under section 13B(3B) or (3D) of the 1983 Act has been issued";
- (b) in paragraph (7)(b) for "the voter's number in the register of electors" there were substituted "the number relating to that person on a notice issued under section 13B(3B) or (3D) of the 1983 Act"; and
- (c) in paragraph (8) for "the voter's number on the register of electors" there were substituted "the number relating to that person on a notice issued under section 13B(3B) or (3D) of the 1983 Act."

36. A voter who has inadvertently dealt with a ballot paper in such manner that it cannot be conveniently used as a ballot paper may, on delivering it to the presiding officer and proving to the presiding officer's satisfaction the fact of the inadvertence, obtain another ballot paper in the place of the ballot paper so delivered (in these rules the ballot paper so delivered is referred to as a "spoilt ballot paper"), and the spoilt ballot paper shall be immediately cancelled.

Correction of errors on day of poll

37. The presiding officer shall keep a list of persons to whom ballot papers are delivered in consequence of an alteration to the register made by virtue of section 13B(3B) or (3D) of the 1983 Act which takes effect on the day of the poll.

39.—(1) As soon as practicable after the close of the poll the presiding officer shall, in the presence of the polling agents, using the presiding officer's own seal and the seals of such polling agents as desire to affix their seals, seal each ballot box in use at the station so as to prevent the introduction of additional ballot papers and thereafter separate and make up into separate packets, sealed with the presiding officer's own seal and the seals of such polling agents as desire to affix their seals—

- (a) the unused and spoilt ballot papers placed together;

and shall deliver the sealed ballot boxes or packets or cause them to be delivered to the returning officer to be taken charge of by the returning officer; but if the sealed ballot boxes or packets are not delivered by the presiding officer personally to the returning officer, the arrangements for their delivery shall require the returning officer's approval.

(2) The marked copies of the register of electors and of the list of proxies shall be in one packet but shall not be in the same packet as the lists mentioned in paragraph (1)(e) or the certificates as to employment on duty on the day of the poll.

(3) The packets shall be accompanied by a statement (in these rules referred to as the “ballot paper account”) made by the presiding officer, showing the number of ballot papers entrusted to the presiding officer and accounting of them under the heads of ballot papers issued and not otherwise accounted for, unused, spoilt and tendered ballot papers.

- (a) is satisfied that the efficient counting of the votes will not be impeded; and
- (b) has either consulted the election agents or thought it impracticable to do so.

(4) The returning officer shall give the counting agents all such reasonable facilities for overseeing the proceedings, and all such information with respect to them, as the returning officer can give them consistently with the orderly conduct of the proceedings and the discharge of the returning officer's duties in connection with them.

Electronic counting

41.—(1) Subject to paragraph (3), the returning officer shall provide an electronic counting system and the count shall be conducted by means of such electronic counting system.

(2) For the purposes of enabling the count to be conducted using the electronic counting system the returning officer may carry out any functions or perform any procedure to be undertaken in connection with the count by electronic means and the references to ballot papers and parcels of ballot papers shall include references to such ballot papers or parcels in electronic form.

(3) If it proves impossible or impracticable to conduct the count, or some or all of the operations comprising the count, using the electronic counting system, the returning officer may make arrangements for the count, or such operations, as the case may be, to be conducted by other means.

The count

42.—(1) The returning officer shall—

- (a) in the presence of the counting agents open each ballot box and count and record the number of ballot papers in it, checking the number against the ballot paper account;
- (b) if required to do so by a candidate or an election agent, in the presence of the election agents verify each ballot paper account; and
- (c) count such of the postal ballot papers as have been duly returned and record the number counted.

(2) A postal ballot paper shall not be deemed to be duly returned unless it is returned—

- (a) by hand to a polling station in the same local government area; or
- (b) by hand or post to the returning officer,

before the close of the poll and is accompanied by the postal voting statement duly signed.

(3) The returning officer shall not count any tendered ballot paper.

⁽¹⁷⁾ 2006 asp 14.

(4) The returning officer, while counting and recording the number of ballot papers and counting the votes, shall take all proper precautions for preventing any person from identifying the voter who cast the vote.

(5) Where under paragraph (1)(b) the returning officer is required to verify each ballot paper account, the returning officer shall do so by comparing it with the number of ballot papers recorded, the unused and spoilt ballot papers in the returning officer's possession and the tendered votes list (opening and resealing the packets containing the unused and spoilt ballot papers and the tendered votes list) and shall draw up a statement as to the result of the verification, which any election agent may copy.

(6) The returning officer shall so far as practicable proceed continuously with counting the votes, allowing only time for refreshment, except that the returning officer may, insofar as the returning officer and the agents agree, exclude any hours between 7 p.m. and 9 a.m. on the following morning and for the purposes of this exception the agreement of a candidate or such candidate's election agent shall be as effective as the agreement of such candidate's counting agents.

(7) During the time so excluded the returning officer shall—

- (a) place the ballot papers and other documents relating to the election under the returning officer's own seal and the seals of such of the counting agents as desire to affix their seals; and
- (b) otherwise take proper precautions for the security of the papers and documents.

Rejected ballot papers

43.—(1) Any ballot paper—

- (a) which does not bear a unique identifying mark in a form that is capable of being read by electronic means;
- (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for some candidate;
- (c) on which the figure “1” standing alone indicating a first preference is set opposite the name of more than one candidate;
- (d) on which anything is written or marked by which the voter can be identified except the printed number and other unique identifying mark on the back; or
- (e) which is unmarked or void for uncertainty,

shall, subject to paragraph (2), be void and not counted.

(2) A ballot paper on which the vote is marked—

- (a) elsewhere than in the proper place;
- (b) otherwise than by means of a figure indicating a first or subsequent preference; or
- (c) by more than one mark,

shall not for such reason be deemed to be void by reason only of indicating a preference by the use of words (or any other mark) instead of figures, if in the opinion of the returning officer the word or mark clearly indicates a preference or preferences, and the way the paper is marked does not itself identify the voter and it is not shown that such voter can be identified by it.

(3) The returning officer shall endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and shall add to the endorsement the words “rejection objected to” if any objection is made by a counting agent to such decision.

(4) The returning officer shall draw up a statement showing the number of ballot papers rejected under each of sub paragraphs (a) to (e) of paragraph (1).

Decisions on ballot papers

44. The decision of the returning officer, whether express or implied, on any question arising in respect of a ballot paper, the exclusion of a candidate or the transfer of votes shall be final, but shall be subject to review on an election petition.

First stage

45.—(1) The returning officer shall sort the valid ballot papers into parcels according to the candidates for whom first preference votes are given.

(2) The returning officer shall then—

- (a) count the number of ballot papers in each parcel;
- (b) credit the candidate receiving the first preference vote with one vote for each ballot paper; and
- (c) record those numbers.

(3) The returning officer shall also ascertain and record the total number of valid ballot papers.

The quota

46.—(1) The returning officer shall divide the total number of valid ballot papers for the electoral ward by a number exceeding by one the number of councillors to be elected at the election for that electoral ward.

(2) The result of the division under paragraph (1) (ignoring any decimal places), increased by one, is the number of votes needed to secure the return of a candidate as a councillor (in these rules referred to as the “quota”).

Return of councillors

47.—(1) Where, at any stage of the count, the number of votes for a candidate equals or exceeds the quota, the candidate is deemed to be elected.

(2) A candidate is returned as a councillor when declared to be elected in accordance with rule 55(a).

Transfer of ballot papers

48.—(1) Where, at the end of any stage of the count, the number of votes credited to any candidate exceeds the quota and, subject to rules 49 and 52, one or more vacancies remain to be filled, the returning officer shall sort the ballot papers received by that candidate into further parcels so that they are grouped—

- (a) according to the next available preference given on those papers; and
- (b) where no such preference is given, as a parcel of non transferable papers.

(2) The returning officer shall, in accordance with this rule and rule 49, transfer each parcel of ballot papers referred to in paragraph (1)(a) to the continuing candidate for whom the next available preference is given on those papers and shall credit such continuing candidates with an additional number of votes calculated in accordance with paragraph (3).

(3) The vote on each ballot paper transferred under paragraph (2) shall have a value (“the transfer value”) calculated as follows—

A divided by B

Where

A = the value which is calculated by multiplying the surplus of the transferring candidate by the value of the ballot paper when received by that candidate; and
B = the total number of votes credited to that candidate,
the calculation being made to five decimal places (any remainder being ignored).

(4) For the purposes of paragraph (3)–

(a) “transferring candidate” means the candidate from whom the ballot paper is being transferred; and

(b) “the value of the ballot paper” means–

(i) for a ballot paper on which a first preference vote is given for the transferring candidate, one; and

(ii) in all other cases, the transfer value of the ballot paper when received by the transferring candidate.

Transfer of ballot papers – supplementary provisions

49.—(1) If, at the end of any stage of the count, the number of votes credited to two or more candidates exceeds the quota the returning officer shall–

(a) first sort the ballot papers of the candidate with the highest surplus; and

(b) then transfer the transferable papers of that candidate.

(2) If the surpluses determined in respect of two or more candidates are equal, the transferable papers of the candidate who had the highest number of votes at the end of the most recent preceding stage at which they had unequal numbers of votes shall be transferred first.

(3) If the numbers of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide, by lot, which candidate’s transferable papers are to be transferred first.

Exclusion of candidates

50.—(1) If, one or more vacancies remain to be filled and–

(a) the returning officer has transferred all ballot papers which are required by rule 48 or this rule to be transferred; or

(b) there are no ballot papers to be transferred under rule 48 or this rule,

the returning officer shall exclude from the election at that stage the candidate with the then lowest number of votes.

(2) The returning officer shall sort the ballot papers for the candidate excluded under paragraph (1) into parcels so that they are grouped–

(a) according to the next available preference given on those papers; and

(b) where no such preference is given, as a parcel of non transferable papers.

(3) The returning officer shall, in accordance with this article, transfer each parcel of ballot papers referred to in paragraph (2)(a) to the continuing candidate for whom the next available preference is given on those papers and shall credit such continuing candidates with an additional number of votes calculated in accordance with paragraph (4).

(4) The vote on each ballot paper transferred under paragraph (3) shall have a transfer value of one unless the vote was transferred to the excluded candidate in which case it shall have the same transfer value as when transferred to the candidate excluded under paragraph (1).

(5) This rule is subject to rule 52.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Exclusion of candidates – supplementary provisions

51.—(1) If, when a candidate has to be excluded under rule 50–

- (a) two or more candidates each have the same number of votes; and
- (b) no other candidate has fewer votes,

paragraph (2) applies.

(2) Where this paragraph applies–

- (a) regard shall be had to the total number of votes credited to those candidates at the end of the most recently preceding stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded; and
- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide, by lot, which of those candidates is to be excluded.

Filling of last vacancies

52.—(1) Where the number of continuing candidates is equal to the number of vacancies remaining unfilled, the continuing candidates are deemed to be elected.

(2) Where the last vacancies can be filled under this rule, no further transfer shall be made.

Re count

53.—(1) A candidate or such candidate’s election agent may, if present when the counting or re counting of the votes is completed, require the returning officer to have the votes re counted or again re counted but the returning officer may refuse to do so if in the returning officer’s opinion the request is unreasonable.

(2) No step shall be taken on the completion of the counting or any re counting of votes until the candidates and election agents present at its completion have been given a reasonable opportunity to exercise the right conferred by this rule.

Counting of votes by means other than electronic counting

54.—(1) Where in accordance with rule 41(3) the returning officer makes arrangements for the count to be conducted other than by means of an electronic counting system these rules shall apply with the following modifications–

(a) in rule 42 after paragraph (1) insert–

“(1A) The returning officer shall not count the votes given on any ballot papers until the ballot papers from a ballot box have been mixed with at least one other ballot box.”;

(b) in rule 43 for paragraph (1)(a) substitute, “(a) which does not bear or contain an official mark.”;

(c) in rule 52 after paragraph (1) insert–

“(1A) Where only one vacancy remains unfilled and the number of votes then credited to any one continuing candidate (“the highest continuing candidate”) is equal to or greater than the total number of votes then credited to all the other continuing candidates, the highest continuing candidate is deemed to be elected.”;

(d) in rule 56–

(i) for paragraph (1) substitute–

“(1) On the completion of the counting at a contested election, the returning officer shall seal up in separate packets the counted and registered ballot papers;”;
and

(ii) omit paragraph (3); and

(e) in the directions as to the printing of the ballot paper in the Appendix, omit paragraph 8.

Declaration of result

55. In a contested election, when the result of the poll has been ascertained, the returning officer shall forthwith—

- (a) declare to be elected the candidates who have been deemed to be elected as councillors under this Part;
- (b) give notice of the names of the candidate elected to the proper officer of the council for which the election was held; and
- (c) give public notice of—
 - (i) the name of the candidates elected;
 - (ii) the number of first and subsequent preference votes for each candidate;
 - (iii) the numbers of ballot papers transferred and their transfer values at each stage of the count;
 - (iv) the number of votes credited to each candidate at each stage of the count;
 - (v) the number of non transferable ballot papers at each stage of the count; and
 - (vi) the number of rejected ballot papers under each head shown in the statement of rejected ballot papers.

PART IV

Sealing up of ballot papers

56.—(1) On the completion of the counting at a contested election the returning officer shall seal up in packets the ballot papers and a complete electronic copy of the information stored in the electronic counting system held in a device suitable for the purposes of its storage.

2. So far as is practicable, the following arrangements shall be observed in the printing of the ballot paper:
 - (a) no word shall be printed on the face except the particulars of the candidates, the words forming part of emblems, the name of the council and the words "Instead of using a cross, number the candidates in the order of your choice. Put the number 1 in the box next to the name of the candidate who is your first choice, 2 in the box next to your second choice, 3 in the box next to your third choice, 4 in the box next to your fourth choice and so on. You can mark as many or as few choices as you like";
 - (b) no rule shall be printed on the face except the horizontal rules separating the particulars of the candidates from one another and from the name of the council and the words "Instead of using a cross, number the candidates in the order of your choice. Put the number 1 in the box next to the name of the candidate who is your first choice, 2 in the box next to your second choice, 3 in the box next to your third choice, 4 in the box next to your fourth choice and so on. You can mark as many or as few choices as you wish." and the vertical rules separating those particulars from the spaces on the right where the vote is to be marked; and
 - (c) the whole space between the horizontal rule below the name of the council and the words "Instead of using a cross, number the candidates in the order of your choice. Put the number 1 in the box next to the name of the candidate who is your first choice, 2 in the box next to your second choice, 3 in the box next to your third choice, 4 in the box next to your fourth choice and so on. You can mark as many or as few choices as you wish." and the bottom of the paper shall be divided equally between the candidates by the rules separating their particulars.
3. Nothing in paragraph 2 prohibits the face of the ballot paper containing more than one column of candidates' descriptions or the word "Independent", candidates' particulars and spaces where the vote is to be marked if the returning officer thinks it is appropriate for the ballot paper to be printed with more than one column, but in such a case each column must be separated by a double vertical rule.
4. The words "Instead of using a cross, number the candidates in the order of your choice. Put the number 1 in the box next to the name of the candidate who is your first choice, 2 in the box next to your second choice, 3 in the box next to your third choice, 4 in the box next to your fourth choice and so on. You can mark as many or as few choices as you wish." shall be printed in bold.
5. Where an emblem is to be printed against a candidate's particulars—
 - (a) it shall be printed between the candidate's particulars and the vertical rule separating the candidate's particulars from the spaces where the vote is to be marked; and
 - (b) its size as printed shall not exceed two centimetres square.
6. The surname of each candidate shall in all cases be printed by itself in large capitals, and such candidate's full particulars shall be set out below it and shall be printed in ordinary type except that small capitals shall be used:
 - (a) if such candidate's surname is the same as another candidate's, for such candidate's other names; and
 - (b) if such candidate's other names are also the same as the other candidate's, either for such candidate's home address or for such candidate's description unless each of them is the same as that of another candidate with the same surname and other names.

POSTAL VOTING STATEMENT

You must fill in this form and send it back with the ballot paper

Voter's name.....

Ballot paper number.....

(Please print clearly)

[other identifying mark]

I AM THE PERSON TO WHOM THE BALLOT PAPER NUMBERED AS ABOVE WAS
SENT

**You must provide your signature or mark. If you do not, the postal voting statement
will be invalid and your vote will not be counted.**

My signature.....(voter's signature)

**Electoral fraud is a crime. You must not vote using a ballot paper that is not addressed to you or
interfere with another voter's ballot paper.**

PLEASE READ THE INSTRUCTIONS ON THE BACK OF THIS FORM

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(back of form)

Your vote is personal – complete the ballot paper yourself and in private.

1. On the ballot paper (the one with the names on it), number the candidates in order of your choice instead of using a cross. Put the number 1 in the box next to the name of the candidate who is your first choice, then put 2 in the box next to the name of the candidate who is your second choice, 3 in the box next to your third choice, 4 in the box next to your fourth choice and so on. You can mark as many choices as you wish. If you need help from someone to complete the ballot paper, they must not tell anyone who you have voted for.
2. Do not put any other marks on the ballot paper. If you do, your vote might not be counted.
3. Put the ballot paper in the envelope marked A and seal it. Then put this envelope together with the postal voting statement in the larger envelope marked B and seal it. Post the envelope back quickly. The ballot paper must be received by the returning officer not later than the close of poll. It may be posted to the Returning Officer before polling day or delivered by hand to any polling station in the local authority area on polling day before the poll closes.
4. If you get more than one ballot paper, by accident, then just use one. Remember that it is an offence to vote more than once in the same election (unless you are voting for someone else - by proxy).
5. Remember, if you have received a postal vote you cannot vote in person at the polling station even if you have in your name an official poll card, an official postal poll card, an official poll card issued to the proxy of an elector or an official postal poll card issued to the proxy of an elector. If you are voting, you must use the ballot paper sent to you. Your postal vote can be handed into any polling station in the local authority area on polling day before the poll closes.
6. If you make a mistake on the ballot paper you can ask the Returning Officer for another one up until 5 p.m. on the day before polling day. You will need to return everything you have received (ballot paper, postal voting statement and the envelopes). You should do this straightaway as there is not much time for a new ballot paper to be sent to you, returned and counted.
7. If you lose the ballot paper, postal voting statement or accompanying envelopes, by the third day before the day of the poll, you may apply to the returning officer for a replacement ballot paper up until 5 p.m. on the day before polling day. You will be required to provide evidence of your identity.
8. If you want to apply for a replacement ballot paper after 5 p.m. on the day before polling day and up to 5 pm on polling day, you must do so in person at the address shown below. You will be required to provide evidence of identity.

REMINDER

1. Have you remembered to print your name on the postal voting statement and sign it?
2. Have you put your ballot paper in the envelope A and sealed it?
3. Have you put envelope A together with the postal voting statement into envelope B and sealed it?
4. You must make sure that you send your postal vote to the Returning Officer or deliver it to the polling station before the close of poll at 10 p.m. on *(insert date)*.

If two or more postal vote envelopes have been delivered to your address – please make sure that the correct documents are in the correct return envelope.

Your vote is personal – complete the ballot paper yourself and in private.

1. On the [colour] (Parliamentary Election)/(European Parliamentary Election)* ballot paper(s), mark a cross (x) in the box opposite the name of the candidate or party you are voting for.
2. On the [colour] ballot paper for the local government election number the candidates in the order of your choice instead of using a cross. Put the number 1 in the box next to your first choice, 2 in the box next to your second choice, 3 in the box next to your third choice, 4 in the box next to your fourth choice and so on. You can mark as many choices as you wish.
3. Do not put any other marks on the ballot paper. If you do, your vote might not be counted.
4. Complete your ballot papers in secret. If you need someone to help you complete them, they must not tell anyone who you have voted for.
5. Put the ballot papers in the envelope marked A and seal it. Then put this envelope together with the postal voting statement in the larger envelope marked B and seal it. Post the envelope back quickly. The ballot papers, in order to be counted, must be received **by the returning officer** not later than the close of poll. They may be posted or delivered by hand to any polling station in the local authority area on polling day.
6. If you get more than one ballot paper of the same colour, by accident, then just use one. Please remember that it is illegal to vote more than once in the same election (unless you are voting for someone else – by proxy).
7. Remember, you cannot vote in person at the polling station even if you have an official poll card, an official postal poll card, an official poll card issued to the proxy of an elector or an official postal poll card issued to the proxy of an elector in your name. If you are voting, you must use the ballot paper sent to you. Your postal vote can be handed into any polling station in the local authority area on polling day before the poll closes.
8. If you make a mistake on the ballot paper you can ask the Returning Officer for another one up until 5 p.m. on the day before polling day. You will need to return everything you have received (ballot paper, postal voting statement and the envelopes). You should do this straightaway as there is not much time for a new ballot paper to be sent to you, returned and counted.
9. If you lose the ballot paper, postal voting statement or accompanying envelopes by the third day before polling day, you may apply to the returning officer for a replacement ballot paper up until 5 p.m. on the day before polling day. You will be required to produce evidence of your identity.
10. If you want to apply for a replacement ballot paper after 5 p.m. on the day before polling day and up to 5 p.m. on polling day, you must do so in person at the address shown below. You will be required to provide evidence of your identity.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order, which revokes and replaces the Scottish Local Elections Rules 2002 as amended (“the 2002 Rules”), provides for the conduct of elections of members of local authorities.

Article 3 provides that such elections shall be conducted in accordance with the rules set out in Schedule 1 to the Order. Article 2 defines various terms used in the Order. Article 1(2) and Article 6 make transitional arrangements. The Order applies to the elections to be held on 3rd May 2007 and subsequent elections but not to any election held before that date, to which the 2002 Rules will continue to apply.

Schedule 1 to the Order sets out the rules which apply for the purpose of the conduct of local government elections. The rules in Schedule 1 differ from the 2002 Rules by including changes introduced by the provisions of the Local Electoral Administration and Registration Services (Scotland) Act 2006 and follow amendments made to the parliamentary elections rules by the Electoral Administration Act 2006.

In particular, the provisions of rule 1 (timetable), rule 4 (nomination of candidates), rule 7 (decisions as to validity of nomination papers), rule 10 (corrections of errors in nomination papers), rule 14 (the ballot papers), rule 16 (security marking), rule 20 (postal ballot papers), rule 23 (issue of official poll cards and notifications), rule 24 (equipment of polling stations), rule 27 (admission to polling station), rule 35 (tendered ballot papers), rule 40 (attendance at counting of votes) and rule 59 (retention of documents) have been amended.

The rules have also been amended to reflect the introduction of the single transferable vote (“STV”) system for local government elections in Scotland from May 2007. In addition to revising the format of the ballot paper, the rules dealing with the counting of votes (rules 40 to 54) have been substantially altered to reflect the change to multi-member council wards with either 3 or 4 members together with the introduction of electronic counting.

In addition to the ballot paper, the forms in Schedule 1 have been revised to take account of changes to electoral procedures and the introduction of the STV system.

Schedule 2 to this Order modify the rules in Schedule 1 where the poll at a local government election is taken together with a poll at UK parliamentary or European parliamentary elections under section 15(1) or (2) of the Representation of the People Act 1985. Section 15(1) requires the poll at an ordinary local government election to be taken together with the poll at a parliamentary or European Parliament general election when those polls are to be taken on the same day. Section 15(2) allows the returning officers at two or more elections for related areas (within the meaning

of section 15(3)), the polls at which are taken on the same day, to agree to those polls being taken together. Schedule 2 makes provision equivalent to the modifications to the parliamentary elections rules made by regulation 98 of the Representation of the People (Scotland) Regulations 1986.

Schedules 3 and 4 contain, respectively, a form of the corresponding number list and the form of a postal voting statement associated with the modifications prescribed in Schedule 2.
